

Studies of Nonlinear Phenomena in Life Sciences – Vol. 3

The book cover features a complex, artistic illustration. At the top left, a small, dark, lantern-like structure with three glowing yellow windows is visible. A large, stylized, red, curved shape, resembling a ribbon or a part of a face, arches across the top. In the center, the title is written in a large, bold, serif font. Below the title, the authors' names are printed in a smaller, bold, sans-serif font. The bottom of the cover is dominated by a large, stylized, black and white striped shape that resembles a DNA double helix or a spiral staircase. The background is a mix of dark and light areas, with some red and blue accents. The overall style is a blend of scientific and artistic motifs.
