The Relay of Gazes Carol Ota,2007-01-01 The Relay of Gazes is a demonstration that analysis of a variety of films and television programs is the key to revealing how dramatically Japan s image has evolved in recent decades The films and programs analyzed include anime of Hayao Miyazaki travelogue films of German director Wim Wenders Japanese American latter day musical films and U S television coverage of the Kobe earthquake and the Nagano Olympic Winter Games *Art Of Japanese Gardens* Loraine E. Kuck,2013-08-06 The flowering of Far Eastern culture and philosophy as seen through the remarkable gardens they gave rise to This classic work was one of the first to reveal the full meaning and symbolism of the gardens of China and Japan and to treat them as serious works of art and material culture rather than as quaint and pretty plantings In spirit the art of these gardens is akin to landscape painting in form it is close to sculpture Yet it is really quite different a unique art based upon the choice and arrangement of natural materials in the creation of a scene that has the power to transform and inspire the viewer and gardener Loraine E Kuck begins her study with the naturalistic gardens of early China progressing on to the gardens of Japan She relates the development of gardens to the personalities who made them to the historical background to Eastern religion and philosophy to the political events which shaped the culture of each period to the arts in general and to painting architecture and the tea ceremony in particular Above all her account brings alive a world in which mosses hold the warm promise of spring and hope in their velvet depths in which the juxtaposition of pools and rocks invite meditation where sunny slopes convey the calm of centuries and in which flowering cherry trees are viewed by moonlight with tall lanterns throwing soft light on masses of flowers seen against the starry darkness of the sky The work includes chapters on Heian gardens the gardens of the Fujiwara period the princely gardens of Tokugawa times and Zen landscapes along with sixty four pages of illustrations including many rare photographs Practical and inspirational no other work so perfectly captures the spirituality beauty and complex simplicity of these gardens that link heaven and earth *Japanese Gardens* Harriet Osgood Taylor,Mrs. Harriet (Osgood) Taylor,1912 **Zen Gardens** Mira
