Luther's Small Catechism Martin Luther,2013-05-17 Contains the basic principles of the Lutheran religion with some explanation **An Explanation of Luther's Small Catechism with the Small Catechism** Joseph Stump,Martin Luther,2013-05-01 This book aims to present both an analysis of Luther s Small Catechism and a clear concise yet reasonably full explanation of its contents It is an attempt upon the basis of twenty years experience and a study of the literature of the subject to meet the peculiar wants of the catechetical class in our Lutheran Church in America The object of the book is twofold first to furnish an outline of teaching which the pastor may use as a guide in his oral explanation and questioning and secondly to furnish a sufficiently complete summary by means of which the catechumens may review the lesson and fix its salient points in their minds No text book can of course adequately supply the parenetical side of the catechetical instruction or take the place of the living exposition by the pastor But it can and should support his work so that what he explains at one meeting may not be forgotten before the next meeting but may be fixed in the minds of the catechumens by study at home Here we have included Luther s Small Catechism as well for reference and further education An Explanation of Luther's Small Catechism Martin Luther,2015-05-03 An Explanation of Luther s Small Catechism from Martin Luther German monk Catholic priest professor of theology 1483 1546 *Luther's Small Catechism; Explained in Questions and Answers* Martin Luther,2016-10-12 By direction of the Evangelical Lutheran Synod of Pennsylvania the following Explanation of Luther s Small Catechism is herewith submitted to the ministers teachers and congregations of our Church for their friendly examination and use It was deemed that to postpone the publication of a stereotype edition and to send forth this little volume in its present provisional form in order to afford an opportunity for the discovery of any imperfections which may be pointed out by an actual use and trial of the book to elicit the expression of wishes in regard to any changes that may be desired to reach a definite conclusion in reference to its adaptation to the want it was intended to meet and to render possible the introduction of such changes as may appear necessary The object steadily kept in view in its preparation is sufficiently indicated by the title It is the aim of this Explanation to render Luther s Small Catechism peculiar and remarkable for its wealth of matter and condensed form still more profitable for practical use It was our constant endeavor not to lead the mind away from Luther s master piece but into a better comprehension and appreciation of it But to enter more deeply into Luther s Catechism is at the same time to enter more deeply into the Holy Scriptures the Word of God the rock from which the stones with which Luther built were hewn The careful selection of proof texts which are here presented as the

Bible's testimony to our confession of faith and which together with the text of Luther's Catechism should as far as possible be impressed upon the memory of the young during their school years and before they become members of the Catechetical Class cannot fail to enhance the value of our little book Those who as teachers in our Church have gained some experience in Catechetical instruction will not fail to observe that the various wants of our Church and the differences of age knowledge and capacity have not been lost sight of in the preparation of this hand book so that it may be used profitably by every conscientious minister teacher and head of a family in the religious instruction of younger and older more or less advanced pupils both prior to and during the Catechetical instruction preparatory to Confirmation It was not however our intention to relieve the teacher from that necessary preparation which he should always make before meeting his pupils This is the proper place to make mention of the helps which have been used by us with a grateful recognition of their merits but also with a constant regard to their deficiencies and our own peculiar wants In addition to a number of earlier and later labors of this kind we would specially mention Caspari's admirable Explanation of the Catechism which incorporates the best results of earlier labors in this department Its vigorous popular style and original independent treatment of the subject are inimitable and its fulness of thought is in the highest degree instructive and suggestive We have made a grateful use of it at times even word for word without however surrendering our independence or forgetting our duty And so may this little volume go forth into the world finding many faithful readers and students and charitable judges and accomplish much good through the blessing of God and to his glory In the name of the Evangelical Lutheran Synod of Pennsylvania and adjacent States W J MANN G F KROTEL PHILADELPHIA June 25 1863
