Lying In Wait:

Sito Laurence Ralph, 2024-02-20 A riveting and heart wrenching story of violence grief and the American justice system exploring the systemic issues that perpetuate gang participation in one of the wealthiest cities in the country through the story of one teenager In September of 2019 Luis Alberto Qui onez known as Sito was shot to death as he sat in his car in the Mission District of San Francisco He was nineteen His killer Julius Williams was seventeen It was the second time the teens had encountered one another The first five years before also ended in tragedy when Julius watched as his brother was stabbed to death by an acquaintance of Sito s The two murders merited a few local news stories and then the rest of the world moved on But for the families of the slain teenagers it was impossible to move on And for Laurence Ralph the stepfather of Sito s half brother who had dedicated much of his academic career to studying gang affiliated youth Sito s murder forced him to revisit a subject of scholarly inquiry in a profoundly different deeply personal way Written from Ralph s perspective as both a person enmeshed in Sito s family and as an Ivy League professor and expert on the entanglement of class and violence SITO is an intimate story with a message about the lived experience of urban danger and about anger fear grief vengeance and ultimately grace [California.
