Machiavelli's Virtue:

Machiavelli's Virtue Harvey C. Mansfield, 2024-05-31 A masterly new book on the Renaissance courtier statesman and political philosopher Roger Kimball The Wall Street Journal Uniting thirty years of authoritative scholarship by a master of textual detail Machiavelli's Virtue is a comprehensive statement on the founder of modern politics Harvey Mansfield reveals the role of sects in Machiavelli's politics his advice on how to rule indirectly and the ultimately partisan character of his project and shows him to be the founder of such modern and diverse institutions as the impersonal state and the energetic executive Accessible and elegant this groundbreaking interpretation explains the puzzles and reveals the ambition of Machiavelli's thought The book brings together essays that have mapped Mansfield's paths of reflection over the past thirty years The ground one would think is ancient and familiar but Mansfield manages to draw out some understandings or recognitions jarringly new Hadley Arkes New Criterion Mansfield's book more than rewards the close reading it demands Colin Walters The Washington Times An outstanding contribution to Machiavelli scholarship Choice A brilliant interpretation Mansfield's grip on the textual and contextual ramifications is little less than awe inspiring Kenneth Minogue Times Literary Supplement *Machiavelli's Virtue*, 1998 Thoughts on Machiavelli Leo Strauss, 2014-07-04 The esteemed philosopher's assessment of good evil and the value of Machiavelli Leo Strauss argued that the most visible fact about Machiavelli's doctrine is also the most useful one Machiavelli seems to be a teacher of wickedness Strauss sought to incorporate this idea in his interpretation without permitting it to overwhelm or exhaust his exegesis of The Prince and Discourses on the First Ten Books of Livy We are in sympathy he writes with the simple opinion about Machiavelli namely the wickedness of his teaching not only because it is wholesome but above all because a failure to take that opinion seriously prevents one from doing justice to what is truly admirable in Machiavelli the intrepidity of his thought the grandeur of his vision and the graceful subtlety of his speech This critique of the founder of modern political philosophy by this prominent twentieth century scholar is an essential text for students of both authors Machiavelli Maurizio Viroli, 1998-07-30 Founders of Modern Political and Social Thought Series Editor Dr Mark Philp Oriel College University of Oxford Founders of Modern Political and Social Thought present critical examinations of the work of major political philosophers and social theorists assessing both their initial contribution and continuing relevance to politics and society Each volume provides a clear accessible historically informed account of each thinker's work focusing on a re assessment of their central ideas and arguments Founders encourage scholars and students to link their study of classic texts to current debates in political philosophy and social theory This launch volume in the Founders of Modern Political and Social Thought series presents a critical examination of Machiavelli's thought combining an accessible historically informed account of his work with a re assessment of his central ideas and arguments Maurizio Viroli challenges the accepted interpretations of Machiavelli's work insisting that his republicanism was based not on a commitment to virtue greatness and expansion but to the ideal of civic life protected by the

shield of fair laws His detailed study of how Machiavelli composed his famous work The Prince presents new interpretations and he further argues that the most challenging and completely underestimated aspect of Machiavelli's thought is his philosophy of life in particular his conceptions of love women irony God and the human condition Viroli demonstrates that Machiavelli composed The Prince and all his works according to the rules of classical rhetoric and never intended to found the modern science of politics aiming rather to continue and refine the practice of political theorising as a rhetorical endeavour taught by the Roman masters of civic philosophy Viroli's Machiavelli a serious challenge to contemporary methods of doing political theory will be essential for advanced students of the history of political thought Machiavelli's Liberal Republican Legacy Paul A. Rahe, 2005-11-14 The significance of Machiavelli's political thinking for the development of modern republicanism is a matter of great controversy In this volume a distinguished team of political theorists and historians reassess the evidence examining the character of Machiavelli's own republicanism and charting his influence on Marchamont Nedham James Harrington John Locke Algernon Sidney John Trenchard Thomas Gordon David Hume the Baron de Montesquieu Benjamin Franklin George Washington John Adams Thomas Jefferson James Madison and Alexander Hamilton This work argues that while Machiavelli himself was not liberal he did set the stage for the emergence of liberal republicanism in England By the exponents of commercial society he provided the foundations for a moderation of commonwealth ideology and exercised considerable if circumscribed influence on the statesmen who founded the American Republic Machiavelli's Liberal Republican Legacy will be of great interest to political theorists early modern historians and students of the American political tradition **Machiavelli's Effectual Truth** Harvey C. Mansfield, 2023-09-21 Machiavelli master conspirator of effectual truth meets his equal in Montesquieu who takes the task of maintaining the modern world

Niccolò Machiavelli Leonidas Donskis, 2011 Preliminary Material AGAINST ALL THE ODDS MACHIAVELLI ON FORTUNE IN POLITICS Timo Airaksinen BORDER VALUE MORALITY AND SEMANTICAL COHERENCE IN MACHIAVELLI'S PRINCE Hubert Schleichert NICCOL MACHIAVELLI ON POWER Manfred J Holler THE MODERN WHO BELIEVED THAT HE WAS THE ANCIENT NICCOL MACHIAVELLI IN EUROPEAN THOUGHT AND POLITICAL IMAGINATION Leonidas Donskis MACHIAVELLI AND THE THEORY OF EXEMPLARY CONSTITUTIONS C t lin Avramescu VIRTUE IN HOBBS SEEN FROM MACHIAVELLIAN POINT OF VIEW Juhana Lemetti RETHINKING MACHIAVELLI REPUBLICANISM AND TOLERANCE Olli Loukola CONTRIBUTORS INDEX VIBS Machiavelli's Romans Patrick J. Coby, 1999-05-13 Although Machiavelli is usually considered a pioneer among modern political philosophers he read deeply in and was greatly influenced by the works of classical Roman thinkers such as Livy There is thus a fundamental tension between the modern and the ancient within Machiavelli's philosophy he is both a precursor to the Enlightenment and a throwback to republican Rome This is the main thesis behind Patrick Coby's innovative study of the neglected Machiavellian classic Discourses on Livy Coby argues that scholars have been too quick to dismiss the ancient antecedents of Machiavelli's thought particularly with regard to the

modes and orders of the Roman republic The book seeks to resolve the central paradox of the Discourses that Machiavelli recommends adoption of Roman modes and orders even though those modes and orders destroyed the virtù the strength which Machiavelli would have moderns resuscitate by imitating Rome A sophisticated highly engaging book Machiavelli's Romans will be of special interest to political theorists Renaissance scholars and classicists *Machiavelli in America* Thomas Block, 2014-03-01 Machiavelli advised us that people are so mean small and selfish that they will only act under necessity so the successful prince must force the population through whatever means necessary to follow his dictates This book traces the influence of the Florentine thinker on American politics from the Founders c 1770s through today's rough and tumble political panorama Machiavelli's ideas have been reinterpreted internationally as realpolitik He proposed that the ends justify the means and that any manner of fraud violence or corruption must be utilized in attaining and retaining power He maintained that the most powerful form of fraud was the appearance of religiosity and said that the successful prince must hold no art higher than that of war In this disturbing erudite and highly readable book America is shown to be a surprising example of Machiavellian politics utilizing all of the post modern methods of information distribution and legal fraud and corruption Lee Atwater Karl Rove George W Bush the Supreme Court's Citizens United v the Federal Election Commission 2010 and the Super PACs it spawned the massive amounts of money power's master key the intermingling of the language of religion and war and the 90% negative advertising of the 2012 Presidential campaign channeling Machiavelli's dictum that the adversary must be assassinated though in contemporary America by character assassination and even Barack Obama's Machiavellian machinations are looked at in light of the Renaissance political philosopher's ideas The last section of the book offers a response to this with a specific implementable program that will begin to devolve the power of American democracy back to the people The Routledge Guidebook to Machiavelli's The Prince John T. Scott, 2016-03-31 Niccolò Machiavelli's *The Prince* is one of the most influential works in the history of political thought and the adjective Machiavellian is well known and perhaps even over used So why does the meaning of the text continue to be debated to the present day And how does a contemporary reader get to grips with a book full of references to the politics of the early 16th Century The Routledge Guidebook to Machiavelli's *The Prince* provides readers with the historical background textual analysis and other relevant information needed for a greater understanding and appreciation of this classic text This guidebook introduces the historical political and intellectual context in which Machiavelli was working the key ideas developed by Machiavelli throughout the text and the examples he uses to illustrate them the relationship of *The Prince* to *The Discourses* and Machiavelli's other works Featuring a timeline maps and suggestions for further reading throughout this book is an invaluable guide for anyone who wants to be able to engage more fully with *The Prince* **Call to Virtue** Kim A. Mayyasi, 2016-03 The American republic was the Enlightenment's greatest experiment an attempt to institutionalize virtuous character as never done before *Call to Virtue* explains the role of character as the driving force behind the rise and fall of

empires the well being of citizens lives and the structure of governments and their constitutions It draws a line between the definitions of virtue from ancient times to the motivating force behind our nation s founding The book surveys 3 000 years of Western civilization and uses the voices of history s greatest participants to create a narrative describing character s pivotal role It describes how definitions of character were an integral part of philosophy government and religion from ancient Greece and Rome to the European Enlightenment and underpin the colonial spirit of America s founding

Why Machiavelli Matters John Bernard,2008-12-30 Machiavelli 1469 1527 is the seminal figure in early modern intellectual history for those living or wishing to live in a functional democracy What Machiavelli is primarily about and what makes him indispensable to those of us living in and struggling to preserve democracy in America is the sum of individual and collective qualities required of a citizen or what he termed *virtu* a host of traits ranging from manliness to boldness ingenuity excellence self esteem and even stoic resignation In a narrative spanning Machiavelli s life and work as one of the world s most fascinating philosophers Bernard illuminates for the modern reader just how relevant his insights are to our own evolving debate on the appropriate relations between religion and politics church and state Besides offering a detailed sketch of Machiavelli as a chancellor in the Italian Soderini Republic 1498 1512 this book examines the man s political philosophy particularly his complex view of republics and principalities in *The Prince* the *Discourses* and the *Florentine Histories* It also establishes the importance of Machiavelli s writing as it evolved during his exile especially in the reflexive passages of his plays *Mandragola* and *Clizia* The book concludes with the potential uses of Machiavellism in 21st century mass democracies as well as presenting ways in which his legacy lives on in our own activities as citizens in a democracy

Machiavelli's New Modes and Orders Harvey C. Mansfield,2001-04-15 This study wrought by one of Machiavelli s interpreters uncovers the hidden intricacies of the *Discourses* It will inform and challenge its readers at every step

BOOK JACKET *Machiavelli on War* Christopher Lynch,2023-12-15 Machiavelli on War offers a comprehensive interpretation of the philosopher historian s treatment of war throughout his writings from poems and memoranda drafted while he was Florence s top official for military matters to his posthumous works *The Prince* and *Discourses* on Livy Christopher Lynch argues that the issue of war permeates the form and content of each of Machiavelli s works the substance of his thoughts and his own activity as a writer concluding that he was the first great modern philosopher because he was the first modern philosopher of war Lynch details Machiavelli s understanding of warfare in terms of both actual armed conflict and at the intellectual level of thinkers competing on the field of knowledge and belief Throughout Machiavelli s works he focuses on how military commanders knowledge of human necessities beginning with their own enables and requires them to mold soldiers organizationally and politically to best deploy them in operations attuned to political context and changing circumstances Intellectually leaders must shape minds their own and others to reject beliefs that would weaken their purpose for Machiavelli this meant overcoming the classical and Christian traditions in favor of a new teaching of human freedom and excellence As Machiavelli

on War makes clear prevailing both on the battlefield and in the war of ideas demands a single minded engagement in reasoning about everything beginning with oneself For Machiavelli Lynch shows the successful military commander is not just an excellent leader but also an excellent human being in constant pursuit of the truth about themselves and the world

Feminist Interpretations of Niccolò Machiavelli Maria J. Falco, 2010-11-01 **A Companion to the Political Culture of the Roman Republic** Valentina Arena, Jonathan R. W. Prag, Andrew Stiles, 2022-01-25 An insightful and original exploration of Roman Republic politics In A Companion to the Political Culture of the Roman Republic editors Valentina Arena and Jonathan Prag deliver an incisive and original collection of forty contributions from leading academics representing various intellectual and academic traditions The collected works represent some of the best scholarship in recent decades and adopt a variety of approaches each of which confronts major problems in the field and contributes to ongoing research The book represents a new updated and comprehensive view of the political world of Republican Rome and some of the included essays are available in English for the first time Divided into six parts the discussions consider the institutionalized loci political actors and values rituals and discourse that characterized Republican Rome The Companion also offers several case studies and sections on the history of the interpretation of political life in the Roman Republic Key features include A thorough introduction to the Roman political world as seen through the wider lenses of Roman political culture Comprehensive explorations of the fundamental components of Roman political culture including ideas and values civic and religious rituals myths and communicative strategies Practical discussions of Roman Republic institutions both with reference to their formal rules and prescriptions and as patterns of social organization In depth examinations of the afterlife of the Roman Republic both in ancient authors and in early modern and modern times Perfect for students of all levels of the ancient world A Companion to the Political Culture of the Roman Republic will also earn a place in the libraries of scholars and students of politics political history and the history of ideas *Machiavelli, Hobbes, and Rousseau* John Plamenatz, 2012-06-28 This volume presents lucid and insightful lectures on three great figures from the history of political thought by John Plamenatz 1912-1975 a leading political philosopher of his time He explores a range of themes in the political thought of Machiavelli Hobbes and Rousseau at substantially greater length and depth than in his famous work of 1961 *Man and Society* The lectures exemplify Plamenatz's view that repeated engagement with the texts of canonical thinkers can substantially enrich and expand our capacity for political reflection Edited by Mark Philp and Zbigniew Pelczynski the volume includes annotations to supply Plamenatz's sources and to refer readers to developments in their interpretation A substantial introduction by Philp sets some of Plamenatz's concerns in the light of trends in recent scholarship and illuminates the relevance of his work to the contemporary study of political thought *Leadership and the Unmasking of Authenticity* Brent Edwin Cushner, Mark A. Menaldo, 2018 Leadership and the Unmasking of Authenticity presents a philosophic treatment of the core concept of authentic leadership theory with a view toward illuminating how

authors in the history of philosophy have understood authenticity as an ideal for humanity. Such an approach requires a broader view of the historical origins of authenticity and the examination of related ideas such as self knowledge and deception. The chapters of this book illuminate the conflict between the contemporary understanding of authenticity and traditional philosophy by revisiting the ideas of thinkers who express self knowledge as a cornerstone of their philosophy.

Machiavelli's Discourses on Livy: New Readings Diogo Pires Aurélio, Andre Santos Campos, 2021-10-11 Machiavelli is chiefly known for *The Prince* but his main considerations on politics are found in his later work *Discourses on Livy*. Despite this book's historical and theoretical importance, its complexity, length, and style have often discouraged new readers and interpreters of Machiavelli from engaging with it. For this reason, the *Discourses* has not been given the attention it deserves. This volume of newly commissioned essays by some of the world's leading Machiavelli experts seeks to remedy this deficiency. It is the first collective volume dedicated specifically to this profound work, covering topics such as Machiavelli's republicanism, the relation between liberty and tyranny, the role of religion, Machiavelli's conception of history, his writing style, his view of society as a plural and conflictive body, his suggestion of how a free state should be organized, and his notions of people and virtue. Contributors: Jérémie Barthas, Thomas Berns, Alessandro Campi, J. Patrick Coby, Marie Gaille, Marco Geuna, Mark Jurdjevic, Cary J. Nederman, Gabriele Pedull, Diogo Pires Aurélio, Fabio Raimondi, Andre Santos Campos, Miguel Vatter, and Camila Vergara.

The Matter of Virtue Holly A. Crocker, 2019-08-30 If material bodies have inherent animating powers or virtues in the premodern sense, then those bodies typically and most insistently associated in the premodern period with matter, namely women, cannot be inert and therefore incapable of ethical action. Holly Crocker contends. In *The Matter of Virtue*, Crocker argues that one idea of what it means to be human, a conception of humanity that includes vulnerability, endurance, and openness to others, emerges when we consider virtue in relation to modes of ethical action available to premodern women. While a misogynistic tradition of virtue ethics from antiquity to the early modern period largely cast a skeptical or dismissive eye on women, Crocker seeks to explore what happened when poets thought about the material body not as a tool of an empowered agent whose cultural supremacy was guaranteed by prevailing social structures but rather as something fragile and open subject but also connected to others. After an introduction that analyzes Hamlet to establish a premodern tradition of material virtue, Part I investigates how retellings of the demise of the title female character in Chaucer's *Troilus and Criseyde*, Henryson's *Testament of Cresseid*, and Shakespeare's *Troilus and Cressida* among other texts structure a poetic debate over the potential for women's ethical action in a world dominated by masculine violence. Part II turns to narratives of female sanctity and feminine perfection, including ones by Chaucer, Bokenham, and Capgrave, to investigate grace, beauty, and intelligence as sources of women's ethical action. In Part III, Crocker examines a tension between women's virtues and household structures, paying particular attention to English *Griselda* and *Shrew* literatures, including Shakespeare's *Taming of the Shrew*. She concludes by looking at Chaucer's *Legend of Good Women* to consider

alternative forms of virtuous behavior for women as well as men

Recognizing the pretentiousness ways to acquire this book **Machiavellis Virtue** is additionally useful. You have remained in right site to begin getting this info. get the Machiavellis Virtue link that we offer here and check out the link.
