My Heart 2 Heart Diary Ninda Dumont,1998-10-01 *He is Alive* John S. Carpenter,2019-02-08 When science set forth to explain the historical evidence and miraculous events attributed to the existence of Jesus it expected to find hoaxes a lack of evidence and nothing substantial to support a supernatural belief in God What skeptical scientists did discover actually validates the beliefs of Christians And what they could not explain also added even more support for Christian faith The historical accounts eyewitness testimonies and miraculous artifacts provide overwhelming proof that something supernatural and heavenly is in contact with mankind Join John Carpenter a psychiatric therapist on his logical investigation into the divine realm of miraculous evidence through the startled eyes of disbelieving medical and scientific researchers The amazing conclusions from their professional examinations suggest that Jesus Christ must truly be alive and impacting our lives today As with Carpenter s first book *Be Not Afraid to Follow the Footprints from Heaven* be not afraid of having your current assumptions about God challenged by this historical evidence now under the scrutiny of today s science Open your mind for this fascinating and inspirational journey *My Heart's Blood* Jacqueline Mc Elchar,2013-09-12 Jack Boyton only grandson of one of the few Irish peers left in Ireland is summoned from his busy high profile entertainment job in Dublin to his familys sedate country estate in the tight knit community of Milltown Donegal where everybody knows everyones business When his adopted uncle becomes seriously ill Jack soon realizes he is happiest when surrounded by family and his childhood friends TJ and Marie who keep him grounded in the real world As it dawns on Jack that his family should be his priority he enlists the help of his friends to do just that although his growing feelings for Marie complicate matters especially when he tries to find out if she likes him as much as he does her and wonders what tension this would cause between TJ and himself After all Marie is TJs twin sister To some village life could feel stifling but Jack knows when the chips are down the community will look out for each other no matter the old feuds fights or differences and their help seems more worthy now that his uncle is dying When Jack is left a daunting task from beyond the grave by his late uncle to retrieve a mythical spear and keep it from the power hungry hands of the notorious recluse Maximilian Elstrom he finds trying to put things right for his uncle has led his family and friends into grave danger The cozy life he envisaged is about to be shot to pieces when he realizes that life as he knew it growing up full of wealth and privilege had also been full of lies and deceit [From the Well to the Sea](#) Hideo Hatakeda,2010-08 *From the Well to the Sea* is the true story of a young Japanese man who travels by ship to distant New Zealand where he makes an inner journey of faith from Buddhism to Christianity Using detailed material from his personal diary readers will enjoy following Hideo Hatakeda as he struggles to adapt to living and working in a completely different culture from his own When he realizes that Christian fellowship has no ethnic boundaries because of the indwelling

of the Holy Spirit he learns to trust not in circumstances or blessings but in God alone Truly this Japanese frog has jumped into the great ocean of self discovery to experience the joy of a personal relationship with the true and living God In like manner readers will discover a fresh perspective on cultural differences and gain renewed faith as they see the world through the eyes of one young Japanese missionary *Day by Day with Saint Faustina* Susan Tassone,2019-03-08 From best selling and award winning author Susan Tassone comes this beautiful collection of spiritual treasures found in the Diary of Catholic mystic and visionary St Faustina **My Heart's Song Began at Home** Judy Neibergall Heusman,2011-09 Henry Clay Coon is a feisty young man with a dream In 1862 he convinces his friend Albert to travel with him to Hamburg to inquire about passage to America on a steamship The trip will be long and treacherous but the men make their decisions they will leave everything and go Their memories are tied to this one place but now they will travel from their homeland to build a new life in a foreign land fully aware of the raging Civil War The declining economic system in Germany furthers their decision to find a better life for their families Upon arriving in America Henry his wife Elmira and their two young children travel to Wisconsin where they will homestead on Yellow Lake Wisconsin Two years after settling on his land Henry makes a decision that will change his life and affect his family dramatically Henry feels duty bound to enlist with the volunteers of Wisconsin s 33rd regiment in the Civil War Will Henry make it back to Elmira and his growing family alive Take the journey from Germany to America with the Coons in *My Heart's Song Began at Home* an inspirational historical tale based on fact

Keep the Days Steven M. Stowe,2018-04-02 Americans wrote fiercely during the Civil War War surprised devastated and opened up imagination taking hold of Americans words as well as their homes and families The personal diary wildly ragged yet rooted in day following day was one place Americans wrote their war Diaries then have become one of the best known most used sources for exploring the life of the mind in a war torn place and time Delving into several familiar wartime diaries kept by women of the southern slave owning class Steven Stowe recaptures their motivations to keep the days close even as war tore apart the brutal system of slavery that had benefited them Whether the diarists recorded thoughts about themselves their opinions about men or their observations about slavery race and warfare Stowe shows how these women by writing the immediate moment found meaning in a changing world In studying the inner lives of these unsympathetic characters Stowe also explores the importance and the limits of historical empathy as a condition for knowing the past demonstrating how these plain first draft texts can offer new ways to make sense of the world in which these Confederate women lived Not All Were Heroes: A Private in the Corps of Engineers in the Pacific During World War II Herbert L.
