My Hope For The Church:

For the Beauty of the Church W. David O. Taylor, 2010-03-01 Think of your local church Without art music song dance etc it would be a much poorer place But if protestants have any vision for the arts it tends to be a thin one This unique book is an attempt to contribute to a robust expansive vision for the church and the arts Its specific aim is to show how the many parts of the landscape of church and art hold together You can think of it as a kind of helicopter flyover but one with expert pilots The guides include the likes of Eugene Peterson Lauren Winner Jeremy Begbie Andy Crouch and John Witvliet helping to inspire readers and empower pastor leaders with a vision of the church and the arts that is compelling far seeing and profoundly transformative
