them Juliet Dante I m not a weak man But I find myself drawn to the younger woman I ve captured Every day she tempts me But when her evil father shows his violent side I choose her and pissing him off comes at a cost We started a mafia war now we re on the run Read more in Italian King today This is a mafia light age gap suspense romance between an innocent woman and a dominating don What to know about Italian King Mafia arranged marriage Jealous Possessive hero Who hurt you Innocent bride Has an HEA Can be read as a standalone Dual POV There is no cheating and a HEA is guaranteed **In Love with Emilia - an Italian Odyssey** Virginia Gabriella Ferrari,2004 Set in the northern Italian region of Emilia Romagna this sometimes funny often poignant and occasionally irreverent story follows a path between 1996 to 2001 as the author and her husband seek legal ownership of the old family home The reader treads a path of discovery through the countryside historical and architectural wonders villages and cities Restoration of the house forming relationships with family and villagers aids the authors growing love of Emilia Like all intellectual journeys this story has much of the personal element of self discovery **Goya** Janis Tomlinson,2022-06-14 The first major English language biography of Francisco Goya y Lucientes who ushered in the modern era The life of Francisco Goya 1746 1828 coincided with an age of transformation in Spanish history that brought upheavals in the country s politics and at the court which Goya served changes in society the devastation of the Iberian Peninsula in the war against Napoleon and an ensuing period of political instability In this revelatory biography Janis Tomlinson draws on a wide range of documents including letters court papers and a sketchbook used by Goya in the early years of his career to provide a nuanced portrait of a complex and multifaceted painter and printmaker whose art is synonymous with compelling images of the people events and social revolution that defined his life and era Tomlinson challenges the popular image of the artist as an isolated figure obsessed with darkness and death showing how Goya s likeability and ambition contributed to his success at court and offering new perspectives on his youth rich family life extensive travels and lifelong friendships She explores the full breadth of his imagery from scenes inspired by life in Madrid to visions of worlds without reason from royal portraits to the atrocities of war She sheds light on the artist s personal trials including the deaths of six children and the onset of deafness in middle age but also reconsiders the conventional interpretation of Goya s late years as a period of disillusion viewing them instead as years of liberated artistic invention most famously in the murals on the walls of his country house popularly known as the black paintings A monumental achievement Goya A Portrait of the Artist is the definitive biography of an artist whose faith in his art and his genius inspired paintings drawings prints and frescoes that continue to captivate challenge and surprise us two centuries later
