My Listening Ears My Fathers World:

The Greatest Story Never Told Leonard I. Sweet, 2012 God raises up Methodists for such a time as this Here is a ditty Len Sweet s Methodist grandfather used to sing A Methodist a Methodist will I be A Methodist will I die I ve been baptized in the Methodist way And I ll live on the Methodist side What genius of Methodism inspired this kind of love and loyalty in the earlier years of the faith What did it mean to live in the Methodist way and to die on the Methodist side Perhaps it is time to resurrect a neo Wesleyan identity and to challenge the prevailing one calorie Methodism that characterizes so much of our tribe today What makes a Methodist How can we re ignite the spark of genius that motivated such commitment in our cloud of witnesses The essence of Methodism s genius resides in two famous Wesleyan mantras heart strangely warmed inward experiences with a fire in the heart and the world is our parish outward experiences with waterfalls of cutting edge intelligence For Wesley internal combustion the former led to external combustion the latter In the 18th century Methodists in general and in their younger years the Wesley brothers themselves were accused of being too sexy What else could all those love feasts and strangely warmed hearts be about Why else were all those women in positions of leadership With this book the author hopes to bring back to life some of Methodism s sexiness so that our current reproduction crisis can be reversed

God Talk Ruth A. Tucker, 2006-01-01 Does God speak The answer seems clear Books abound on the topic of hearing God s voice And many believers testify to God s conversational guidance in their life God told me to help you I knew it was God speaking to me Our culture reinforces the idea that speaking constant speaking is good and natural and essential In those rare moments during a day when talking ceases or when we re alone we quickly find some way to fill the void whether turning on the television or radio or calling someone on the phone With others and especially with God we get the message speaking is good silence is bad But still Ruth Tucker is not afraid to ask the question Does God speak And her answer might surprise you She urges caution in speaking about hearing God pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don t feeling spiritually inferior Further she shows how the expectation of conversation may too easily humanize God in our minds causing us to approach God with the same attitude we have when we call a friend on the phone And if God does speak how can we be sure our own desires are not affecting our interpretation of God s voice In *God Talk* Tucker offers us a new paradigm for viewing silence and prayer Rather than feeling inferior when we don t hear God speak she helps us lean more deeply on his silent Spirit inspired Word By examining the Trinity Tucker gives us a new glimpse of how God the Father spoke his words in the past how Christ the Incarnate Word lived among us and how the Holy Spirit speaks to us now through Scripture Here is a probing thought provoking read on how our present active powerful God relates to us and how we in turn should relate to God
