The Opposite of Certainty Janine Urbaniak Reid, 2020-05-12 This gripping memoir about what it means to face uncertainty details the plans Janine had for her family and her life that were gutted by her then 10 year old son Mason's diagnosis of a cancerous brain tumor only to be followed by her own cancer diagnosis All Janine Urbaniak Reid ever wanted was for everyone she loved to be okay so she might relax and maybe be happy Her life strategy was simple do everything right This included trying to be the perfect mother to her three kids so they would never experience the kind of pain she pretended not to feel growing up What she didn't expect was the chaos of an out of control life that begins when her young son's hand begins to shake and he is diagnosed with a brain tumor at age 10 This moving memoir is the story of Janine's reluctant journey beyond easy answers and platitudes She searches for a source of strength bigger than her circumstances only to have her circumstances become even thornier when she is diagnosed with breast cancer Drawn deeply and against her will into herself she discovers hidden reserves of strength humor and a no matter what faith that looks nothing like she thought it would The Opposite of Certainty is Brilliant breathtakingly honest and sometimes very funny account of marriage motherhood and the unfathomable salvation we find in God An unvarnished look at defying the gravity of challenging life circumstances The recognition that anyone can tap a source of strength inside themselves to walk through the impossible Beautifully written and deeply hopeful Janine shows us how we can come through

impossible times transformed and yet more ourselves than we've ever allowed ourselves to be What'S Opposite of Two "A Lonely Me and a Lonely You" Satyam Swaroop,2016-05-27 This book contains a true love story wherein both of them were precocious but full of excitement and at the end of the day they loved each other Many obstacles arose which they welcomed with open arms Misunderstandings strived hard to diffuse their love but they failed their love after all sprang not from their body but from their soul They saw the world inside each other A third force worked its way to break them but failed in its attempt to shatter their bond which was not made to be broken yet they were shaken by doubt due to outside interruption They started having vigorous scuffle despite the fact that their togetherness had the approval of the almighty They never stopped caring for each other whatever the condition turned out to be *The Opposite of Serendipity* Vicki Zatarain,2023-04-06 The Opposite of Serendipity is essentially a coming of old age story Iantha embarks on her fifth decade of life distant from her previous somewhat blissful quiddity of her hometown New Orleans As the door closed on many aspects of her old existence Iantha encounters the world of tango quite by happenstance in her new environs of Washington D C Through tango Iantha develops lifelong friendships including a brief yet oddly eternal fairy tale not fairy tale romance with a young Brazilian Gabriel By living quixotically Gabriel teaches her that there is poetry in an otherwise prosaic world In her journey to retirement and beyond Iantha experiences joy and love in their many forms However it is in the misfortunes she confronts those non serendipitous events if you will that Iantha learns even more about love of an unearthly variety The legion of earthly angels God placed in her path pulls Iantha through her most difficult times Meanwhile Gabriel reveals the secrets of the drops of rain and other ethereal yet relatable tales through his poetry Iantha's musings on navigating both a Happily and an Ever After are often humorous poignant and authentic
