*My Struggle for Freedom* Hans Küng, 2005-01-01 Hans Küng is undoubtedly one of the most important theologians of our time but he has always been a controversial figure and as the result of a much publicized clash over papal infallibility had his permission to teach revoked by the Vatican Yet at seventy five he is also something like a senior statesman one of the Group of Eminent Persons convened by the UN Secretary General Kofi Annan and a friend of heads of government like Tony Blair and President Mubarak of Egypt In this fascinating autobiography he gives a frank and outspoken account of the first four decades of his life He tells of his youth in Switzerland and his decision to become a priest his doubts and struggles as he studied in Rome and Paris and his experiences as a professor in Tübingen where he received a chair at the amazingly early age of thirty one Most importantly as one of the last surviving eye witnesses he gives an authentic account of the struggles behind the scenes at the Second Vatican Council in which he took part as a theological expert Here it becomes clear just how major an influence he was to the point of shaping the Council's agenda and drafting speeches for bishops to deliver in plenary sessions With its rich thought and vivid narrative Küng's book paints a moving picture of his personal convictions and his struggle for a Christianity characterized not by the domination of an official church but by Jesus *My Fight For Irish Freedom: Dan Breen's Autobiography* Dan Breen, 1981-01-01 In 1919 a group of young men barely out of their teens poorly armed with no money and little training renewed the fight begun in 1916 to drive the British out of Ireland Dan Breen was to become the best known of them At first they were condemned on all sides They became outlaws and *My Fight* describes graphically what life was like on the run with an army at one's heels and a thousand pounds on one's head A burning belief in their cause sustained them through many a dark and bitter day and slowly support came from the people *Faith against the Odds: A Memoir of My Journey from Mississippi to the Ivy League and Beyond* Gladys January Willis, 2014 This book presents the story of Gladys January Willis from early childhood to retirement as a university professor and administrator It chronicles her experiences as a Black girl born and reared in Jackson Mississippi as well as her educational sojourn in college and graduate schools and a career in higher education and entrance into Christian ministry as an ordained chaplain In Chapter IX of the book Willis writes It is no secret that in my racist and segregated community the majority White system promoted its message loudly and clearly on the public buses in the segregated school system in employment practices in segregated eateries in housing developments in business transactions and in the political arena One of the most impacting experiences in my life after the passage of the 1964 Civil Rights Act was that of exercising my right to vote Because of the cherished right to vote as an American citizen whenever there is an election exercising my right to vote is a top priority I am sure that my Black home environment played a vital role in the way I came to think about life in general and my own life in particular She credits her maternal grandmother Henrietta Young Hedrick as her primary role model Mama as she was called was a proud Black woman who demanded that she be respected Her boldness was undaunted and communicated her

respect for herself and her demand for the same from others regardless of who they were or their station in life **From Enemy to Brother** John Connelly,2012-03-19 In 1965 the Second Vatican Council declared that God loves the Jews Yet the Church had taught for centuries that Jews were cursed by God and had mostly kept silent as Jews were slaughtered by Nazis How did an institution whose wisdom is said to be unchanging undertake one of the largest yet most undiscussed ideological swings in modern history **My fight for Irish freedom** Dan Breen,2023-07-10 In My Fight for Irish Freedom Dan Breen candidly recounts his experiences as an active participant in the Irish War of Independence blending personal narrative with historical record Breen s literary style combines vivid storytelling and evocative imagery allowing readers to immerse themselves in the tumultuous events of early 20th century Ireland Through his eyes we witness the fervent struggle against British rule highlighting the complexities and moral dilemmas faced by those involved This book not only serves as a personal memoir but also situates itself within the broader literary context of revolutionary literature echoing the passion and urgency found in the works of contemporaneous Irish nationalists Dan Breen a prominent figure in the Irish Republican Army IRA and one of its leaders has first hand insight into the revolutionary spirit of the time His life marked by acts of bravery and sacrifice reflects the broader aspirations of a nation seeking sovereignty Breen s dedication to the cause and his intimate understanding of the social and political climate in Ireland provide authenticity and authority to his narrative illuminating the motivations driving his relentless fight for freedom This compelling work is recommended for anyone interested in Irish history revolutionary movements or first hand accounts of nationalistic fervor Breen s heartfelt recollections offer a unique perspective that not only informs but also captivates ensuring that readers gain a profound understanding of the complexities surrounding Ireland s quest for independence In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read [Mary and the Church at Vatican II: The Untold Story of Lumen Gentium VIII](#) Laurie Olsen,2024-07-01 This masterful work by Dr Laurie Olsen uncovers the behind the scenes story of the Dogmatic Constitution on the Church Lumen Gentium VIII based on unpublished records from the Vatican Apostolic Archives including internal memoranda private notes never before heard audio recordings of closed door sessions and more This monumental achievement of archival research provides a window into what really happened at Vatican II the council s inner workings and maneuvers to steer Lumen Gentium VIII in a direction that would profoundly affect marian devotion and the study of mariology from that moment on *The Beginning of All Things* Hans

Knig,2008-06-06 In an age when faith and science seem constantly to clash can theologians and scientists come to a meeting of minds Yes maintains the intrepid Hans Knig as he brilliantly argues here that religion and science are not mutually exclusive but complementary Back cover *The De-Judaization of the Image of Jesus of Nazareth (The Virgin Mary) at the Time of the Holocaust: Ensoulment and the Human Ovum* Thomas Alexander Blüger,2021-03-09 Thomas has been researching his family's Jewish background for the last thirty years Herein he investigates how his Jewish grandparents and aunt defined as a nonprivileged Mischling survived the war while living in the heart of Nazi Germany This led Thomas to research Hitler's fear of having partial Jewish ancestry and expanded into a full blown study of following Christianity's understanding of the Jewish identity of Jesus of Nazareth throughout history Not leaving matters here Thomas outlines how Marian dogmatic theology used at the time of the Shoah brought to conclusion the Church's long journey in defining the time of ensoulment as articulated in the papal document *Ineffabilis Deus* promulgated by Pius in 1854 This happened twenty seven years after the discovery of the human ovum in 1827 by Karl Ernst von Baer Years later with the emergence of Nazi racial ideology many anti Christian Christians attempted to invert Christianity's core message of salvation through faith toward biological ends This would not do Roman authorities had consistently held throughout the centuries that faith is about salvation and not about biology According to that same end the ideal of ensoulment since the time of the Church's renewed understanding of it beginning in 1854 and indeed as it was first articulated through the writings of Aristotle and received into Christianity through the writings of Saint Augustine and later Thomas Aquinas was newly preserved within the confines of Western civilization This is the first book the author knows of that follows Augustine's concept of ensoulment as well as Aquinas's thinking on the matter while linking these to Karl Ernst von Baer's discovery of the human ovum in 1827 up until the events of Shoah and beyond This study is phenomenological in nature in that it does not follow Jesus of Nazareth the Virgin Mary throughout history but rather follows the image of Jesus of Nazareth the Virgin Mary a monumental difference This study supports the Second Vatican Council the Church's latest and ongoing efforts in affirming the Jewish identities of both Jesus of Nazareth and the Virgin Mary John Paul II's call for a purification of memory beginning in a year of Jubilee as well as the many present efforts in Catholic Jewish relations This study builds upon the author's past article *Following the Virgin Mary through Auschwitz Marian Dogmatic Theology at the Time of the Shoah* published in *Holocaust Studies A Journal of Culture and History* Vol 14 winter 2008 No 3 pp 1-24 Religion and Civility Sylvester L.
