Perticone,2014-04 When Matthew is almost twelve years old his grandfather Sam decides it s time for him to get to know the work of Ralph Waldo Emerson a sage the boy has never heard of During their frequent meetings Sam introduces Matthew to Emerson s sophisticated notions and wisdoms Emerson s words delivered in the essay Self Reliance and in other writings teach Matthew practical concepts that give greater meaning to life and help him successfully overcome difficulties for himself and his family At the same time Sam and Matthew develop a very special and loving relationship In Waldo Emerson My Grandfather and Me author Eugene X Perticone shows that although circumstances and the problems of life may seem different and more complex in our time the best solutions haven t changed much The wisdom of Ralph Waldo Emerson as it pertains to both worldly and spiritual matters is shown to be as relevant today as in the time it was written and a grandfather s approach to teaching this to his grandson results in happiness for both of them as well as many others in the boy s life *My Grandpa's Secret* Gracie Jayne,2021-07-14 My Grandpa s Secret is a piercing memoir of innocence shattered and resilience reclaimed Told through the eyes of a young girl with an old soul this is the story of a home that wore the mask of family but held the weight of a thousand unspoken screams In a world where silence was survival and love was weaponized Gracie became the protector of her brothers the keeper of secrets and the witness to the darkness no child should ever face But within the ache there is defiance Within the ruin a seed of hope My Grandpa s Secret is not just a story of what was taken it s a revelation of what could never be stolen her voice **I've Never Met My Grandpa** Shannon Zigmund,2022-08-30 A realistic story of a child s curiosity about death and lost loved ones This sweet and poignant story paints a picture of a little girl s curiosity to know her grandfather who died before she was born What was he like Will she ever be able to meet him She starts off on her own discovery journey gathering stories and memories finding Grandpa s old things and trying out some of his favorites As she pieces it all together she realizes that maybe she doesn t

have to meet her grandpa to really know him after all Based on her own loss and parenting experience debut author Shannon Zigmund has crafted a touching timeless and accessible tale of how a young child can come to know a loved one they ve never met Shared stories memorabilia traditions and daydreaming weave together to create the fabric of a family member who is gone but certainly not forgotten Readers everywhere can relate to the experience of both grief and love and of realizing that we each hold pieces of one another in our hearts and lived lives *My Grandpa's Garden* Issak Esmail Issak, A presentation of a collection of poems coupled with artistic photographs produced by a brilliant Zanzibar born artist photographer author and theatrical producer Issak Esmail Issak What started as individual Friday greetings to close friends and family later became a treasure trove that had to be shared widely hence this selected collection Each photograph is a subtle yet very eloquent portrayal of the intricate cosmopolitan life in Zanzibar Although each individual photograph already speaks volumes the poem alongside each serves as a colorful embellishment It is hoped that the reader will take the time to scrutinize each entry to try to read understand and savor the creative genius of the author for there is little doubt that this man of many talents is an indefatigable creator of not only admirable photographs and author of beautiful poetry but also a brilliant producer of theatrical plays Worth mentioning here are two other projects on which he is currently working One is a book detailing the histories of Kutch and Zanzibar and the Kumbhaar or the potter community immigration to rural Zanzibar and the other is the production of plays for the FaAna Theatre Not only does he produce the plays he selects and trains the young Zanzibari actors and even directs the film productions himself *My Grandfather's Blessings* Rachel Naomi Remen,2001-04-01 In *My Grandfather s Blessings* Rachel Naomi Remen a cancer physician and master storyteller uses her luminous stories to remind us of the power of our kindness and the joy of being alive Dr Remen s grandfather an orthodox rabbi and scholar of the Kabbalah saw life as a web of connection and knew that everyone belonged to him and that he belonged to everyone He taught her that blessing one another is what fills our emptiness heals our loneliness and connects us more deeply to life Life has given us many more blessings than we have allowed ourselves to receive *My Grandfather s Blessings* is about how we can recognize and receive our blessings and bless the life in others Serving others heals us Through our service we will discover our own wholeness and the way to restore hidden wholeness in the world *How My Grandfather Stole a Shoe (And Survived the Holocaust in Ukraine)* Julie Masis,2025-09-30 During World War II thousands of Moldovan Jews were imprisoned in the Obodovka ghetto located in the Romanian occupied part of Ukraine Unlike the areas under German control where Jews faced systematic extermination survival rates were marginally higher under Romanian occupation as soldiers there did not pursue mass executions with bullets Despite this most of the ghetto s inhabitants succumbed to starvation and disease during the harsh first winter Journalist Julie Masis captures this lesser known chapter of the Holocaust through the memories of her grandfather Shlomo Masis a survivor who lived to the remarkable age of 102 His recollections reveal stories of resilience including how some Ukrainians aided the Jews in the ghetto Masis also delves

into a poignant family legend about a German medic who reportedly fell in love with her Jewish grandmother This narrative sheds light on both the horrors and the unexpected human connections that emerged during one of history's darkest periods
