Oveson, 2009-03-01 After her mother suffers several small debilitating strokes the author a senior citizen finds herself in the position of having to parent her own mother In the midst of the heartache and emotional exhaustion Oveson discovers the blessings of her uncharted role reversal Working Mother , 2001-05 The magazine that helps career moms balance their personal and professional lives *A Daughter's Duty Part 1* Linda D. Coker, 2011-07-08 Belinda Star is a highly decorated veteran of the United States Army Her military background has created a woman adept in the art of battle but even her specialized training and battlefield experiences could not prepare her to deal with the crimes committed by her own family Crimes that not only were committed against the American public but also against Belinda herself In the midst of familial tension Belinda must travel from Germany where she lives with her active duty husband back to the United States back to a place and a family she left long ago She knows that her mother has once again found herself in trouble with the law but it is not until Belinda arrives that she realizes the extent of her mother s crimes and the secrets she has concealed Despite the poor treatment Belinda has endured throughout her life at the hands of her own family she finds herself alone in her efforts to save them from the debt they have created and the legal infractions they have committed Violence Alcoholism Theft Impersonation The list of problems within Belinda s family is long yet she remains steadfast in her commitment to them Even when Belinda is the only family member who has surfaced to help her family continues their lies and betrayal causing Belinda to question her own pledges of allegiance to them time and time again Belinda must remain the stoic and steadfast soldier she has always been to pull back the layers and layers of deceit and mystery her family has created over several decades As Belinda uncovers the family secrets her mother will do anything to conceal she begins to discover even more about her heritage and consequently even more about herself Through her diligence and skill Belinda not only finds a way to right the wrongs her family has committed but she also learns a great deal about the true meaning of a daughter s duty Writing Put to the Test Amy Benjamin, 2013-08-06 This book helps educators improve students ability to write clear coherent essays in response to on demand writing prompts While it focuses on students abilities to succeed at on demand writing it also promotes the teaching of writing as an expression of art and self For grades 4 12 it provides examples of responses to narrative and persuasive prompts and provides savvy advice about what scorers look for **Amazons** Ellen Levy, 2012-06-25 When E J Levy arrived in northern Brazil on a fellowship from Yale at the age of 21 she was hoping to help save the Amazon rain forest she didn t realize she would soon have to save herself *Amazons A Love Story* recounts an idealistic young woman s coming of age against the backdrop of the magnificent rain forest and exotic city of Salvador This elegant and sharp eyed memoir explores the interaction of the many forces fueling deforestation examining the ecological economic social and spiritual costs of ill conceived development with the myriad ones that shape young women s maturation

Sent to Salvador often called the soul of Brazil for its rich Afro Brazilian culture a city far from the rain forest Levy befriends two young Brazilians Nel a brilliant economics student who is estranged from her family for mysterious reasons and Isa a gorgeous gold digger When the university closes due to a strike none of them can guess what will come of their ambitions Levy s course of study changes she takes up capoeira enters cooking school making foods praised in Brazilian literature as almost magical elixirs gains fluency in Portuguese and the ways of street life and learns other more painful lessons she is raped and her best friend becomes a prostitute When Levy finally reaches the Amazon her courage and her safety are further tested on a barefoot hike through the jungle one night to collect tadpoles she encounters fist sized spiders swimming snakes and crocodiles When allergies to the antimalarial drugs meant to protect her prove life threatening she discovers that sometimes the greatest threat we face is ourselves Eventually her work as a cartographer of loss charting deforestation leads her to realize that our relationships to nature and to our bodies are linked that we must transcend the logic of commodification if we are to save both wilderness and ourselves The Amazon is a perennially fascinating subject alluring and frightening a site of cultural projection and commercial ambition of fantasies and violence Amazons offers an intimate look at urgent global issues that affect us all including the too often abstract question of rain forest loss Levy illuminates the burgeoning sex tourism trade in Brazil renewed environmental threats global warming and the consequences of putting a price on nature Accounts of the region have most often been by and about men but Amazons offers a fresh approach interweaving a personal feminist narrative with an urgent ecological one In the tradition of Terry Tempest Williams this timely compelling and eloquent memoir will appeal to those interested in literary nonfiction travel writing and women s and environmental issues
