cominus, 2011-04-14 My Prayer Closet will encourage you to live your life to the glory of God instead of focusing on building your kingdom here on earth This pocket size reference is perfect for taking on the go and the prayers are a great tool for daily recitals The first sections are on prayer Why we pray and what to pray for selected verses on this topic from Scripture and wrapping up with a section on my favorite prayers from Scripture The articles in the book give insight into seeking God s kingdom in prayer what it means to do all things through Christ taking hold of God s kingdom which is forcefully advancing and worshipping the Creator instead of the created and how the church is deceived on this matter in this day and age The book is small but it is mighty My Prayer Closet is a tool loaded with Scripture small enough to carry with you to help you stay focused on the One who will bring you through this spiritual battle victorious Get a copy for yourself and pick up an extra one for a friend **The Activated Disciple** Jeff Cavins, 2018-11-05 Are you ready to take your faith to the next level If you yearn

for a life that moves beyond believing and practicing your faith if you want to radically live your faith if you want a more profound relationship with Jesus Christ then it is time for you to become an activated disciple The Foundation of discipleship is imitation True discipleship requires such a close relationship with God that every area of your life is transformed It is about opening yourself to God and inviting him to dwell within you becoming holy as he is holy loving as he is loving disciples

Cole, 2022-08-02

Moms know all too well that God doesn't promise an easy road for us or our kids As much as we'd love to protect them from heartaches it just isn't possible This is especially true during the school year when they are introduced to new teachers new

classmates new concepts and maybe even a new school that seems big and frightening Jesus tells us In the world you will have tribulation But take heart I have overcome the world John 16:33 With this reassurance we try to reassure our children that no matter what God is there and He is on their side And we pray In Everyday Prayers for the School Year author Tara L. Cole offers devotional readings and opportunities for mothers to pray for many issues concerning their children such as Are they making godly friends Are their teachers kind and caring Can they make wise choices in bad situations Will they commit to studying Are they being targeted by bullies If they are unprepared for a test will they trust God or cheat No matter what our kids are facing during the school year we can't go wrong when we pray and teach them to pray too Our prayer is that they ultimately trust Him for their salvation but even after they become Christians they have the daily choice to trust God when they feel like they are standing alone and the circumstances look impossible Tara says My hope for this journal is that it will help moms turn their worry about their children's school year into hope that they take their concerns to God and walk away confident that He loves our kids more than we do And He is in control
