My Pushkin Written In Rubian:

Under the Sky of My Africa Catharine Theimer Nepomnyashchy, Nicole Svobodny, Ludmilla A. Trigos, 2006-05-30 A wide ranging consideration of the nature and significance of Pushkin's African heritage Roughly in the year 1705 a young African boy acquired from the seraglio of the Turkish sultan was transported to Russia as a gift to Peter the Great This child later known as Abram Petrovich Gannibal was to become Peter's godson and to live to a ripe old age having attained the rank of general and the status of Russian nobility More important he was to become the great grandfather of Russia's greatest national poet Alexander Pushkin It is the contention of the editors of this book borne out by the essays in the collection that Pushkin's African ancestry has played the role of a wild card of sorts as a formative element in Russian cultural mythology and that the ways in which Gannibal's legacy has been included in or excluded from Pushkin's biography over the last two hundred years can serve as a shifting marker of Russia's self definition The first single volume in English on this rich topic *Under the Sky of My Africa* addresses the wide variety of interests implicated in the question of Pushkin's blackness race studies politics American studies music mythopoetic criticism mainstream Pushkin studies In essays that are by turns biographical iconographical cultural and sociological in focus the authors representing a broad range of disciplines and perspectives take us from the complex attitudes toward race in Russia during Pushkin's era to the surge of racism in late Soviet and post Soviet contemporary Russia In sum *Under the Sky of My Africa* provides a wealth of basic material on the subject as well as a series of provocative readings and interpretations that will influence future considerations of Pushkin and race in Russian culture

Cixous,2000-12-01 A prose poem on two married couples involved in the revolutionary struggle One is Nelson and Willie Mandella of South Africa the other Russian poet Osip Mandelstam and his wife Nadezhda In drawing parallels the author stresses the contribution of the wives **Piano Makers in Russia in the Nineteenth Century** Anne Swartz,2014-08-01

Piano Makers in Russia in the Nineteenth Century is a richly detailed thematic study of the history of the piano in Russian society from its beginnings with the European artisans who settled in St Petersburg in the early decades of the century through the transition to Russian owned family firms The piano played a defining role in the shaping of Russia s musical culture in the nineteenth century as artisans and entrepreneurs provided the foundation for the great tradition of the Russian virtuoso in the performance and the composition of piano music It also helped bring about a transformative change in the material culture as the piano expanded its reach from the court and the nobility to include music enthusiasts from all social classes and Russian families in their homes This historical study brings to light the impact of neglected piano artisans in nineteenth century Russia and presents a fresh view of the social and economic ties between the state and the piano manufacturing artisans in an era largely defined by handcrafting and entrepreneurship It contributes significantly to current issues surrounding the role of the piano and the entrepreneur artisans in the urban centers of imperial Russia and represents an expansion of what is currently known about the piano builders who established workshops in Russia beginning in the late 1830s and 1840s well before the heyday of the virtuoso in that country Rare documents including letters memoirs gazettes exhibition catalogs music journals and administrative reports form the nucleus of this book and provide fascinating insights about state and private patronage and the class economic issues related to the affordability and prestige of the piano in Russia Issues surrounding the transformation of the music industry in Russia the role of women as patrons and performers the exportation of instruments to the Russian Far East and the complex system of tariffs and trade protection that benefited domestic piano manufacturers provide this book s thematic links Conclusions indicate that while favorable tariff laws and state imposed economic policies benefited the family owned firms in the nineteenth century they remained in effect in the decades after the nationalization of the piano industry in 1917 **School of Velocity** Eric Beck Rubin,2018-06-26 A

wrenching and deceptively spare debut novel about an electric friendship between two boys that slowly reveals itself as a deep and lifelong love Jan de Vries is a virtuoso pianist who would be in the prime of his career but for the crippling auditory hallucinations that have plundered his performances and his mind As the disorder reaches its devastating peak the walls Jan has built around him crumble rendering him unable to repress the overwhelming flood of memories and the troves of unspoken words that linger between him and his childhood best friend Dirk Noosen with whom he lost touch long ago He is faced with only one recourse to head home and confront him With a singular voice and a masterful balance of emotional resonance and restraint Eric Beck Rubin tells the tender story of Jan s obsessive friendship with the charismatic irreverent raconteur Dirk as the reader breathlessly awaits their reunion This luminous novel is about music repression and regret

about adolescence sex and friendship and ultimately about the kind of love that lasts a lifetime **Musical Courier and Review of Recorded Music** ,1918 **Russia's Muslim Heartlands** Dominic Rubin,2018-05-15 Moscow has the largest Muslim population of any city in Europe In 2015 some 2 million Muslim Muscovites celebrated the opening of the continent s biggest mosque One quarter of the Soviet population was ethnically Muslim and today their grandchildren living in the lands between Bukhara Kazan and the Caucasus once again have access to their historical traditions But they also suffer the effects of civil war mass migration and political instability At the highest levels Islam has been swept up into Russia s broader search for identity as the old question of eastern versus western takes on new force Dominic Rubin has spent the last three years interviewing Muslims across Russia from Sufi shaykhs in Dagestan new Muslim artists on the Volga and professionals in Kyrgyzstan to guest workers commuting between Russia and Uzbekistan and Kremlin sponsored muftis hammering out a new Russian Muslim ideology in Moscow He discovers their family histories their faith journeys and their hopes and fears caught between roles as traditionalist allies in the new Eurasian Russia and as potential traitors in Moscow s war on terror This story of Islam adapting in a paradoxical landscape against all odds brings alive the human reality behind the headlines
