G. Scott,2021-08-03 When her boyfriend goes missing and a woman turns up dead Charlotte must connect the dots for herself before she becomes the suspect or the next victim Charlotte a mid thirties Long Island woman has felt so alone since her promising career in neuroscience imploded But she has an online support group she has Rachel a friend who has seen her through the worst of it and now she also has Peter a mysterious new boyfriend who has asked that their budding romance remain a total secret That is why she is too scared to report his disappearance to the authorities when he vanishes without a word Weeks later police contact her to make an ID on a body and she fears the worst for her missing beau Instead she arrives at the morgue and feels a terrible relief when she sees a woman she has never met on the table in front of her But relief is replaced by confusion then terror when Charlotte realizes she has become a person of interest Why did Jane Doe have Charlotte listed as her emergency contact Was it revenge or a warning And where exactly does Peter factor into all this As Charlotte becomes the prime murder suspect she enters into a race against the clock to find out the truth about the dead woman and the connections they shared But what she discovers is beyond anything she could have ever imagined **A Real Emergency** Joanna Sokol,2025-06-03 Introspective richly layered and surprisingly hopeful A Real Emergency is a love letter from a paramedic to the best and worst parts of her career For fifteen years Joanna Sokol filled private notebooks with her confusion humor and anger toward the strange world of emergency street medicine As her career on the ambulance progressed she found herself taking notes on scraps of paper the backs of gloves and in the margins of EKG printouts She listened to her patients stories left food out for their pets and turned off the stove under their oxtail stews Once she read half a poem left in a dead woman s typewriter She learned about the history that brought ambulances into their current role as the caretakers of society s forgotten and spoke to her colleagues about their own experiences and

perspectives Those reflections are collected here in a series of raw powerful essays about the state modern healthcare Sokol's life as a paramedic took her to three different counties the casinos and trailer parks of the Nevada desert the cozy beach town of Santa Cruz and eventually the crowded tenements of San Francisco's Tenderloin district There are no clear villains or heroes in Sokol's world only a group of patients and medics who are doing their best in a deeply broken system Combining impactful research compassionate reflections on her most memorable patients and the strong voices of her fellow paramedics Sokol takes readers deep into the everyday reality of 911 first responders offering insight empathy and a reminder of both the power and limitations of care

SimWars Simulation Case Book: Emergency Medicine Lisa Jacobson, Yasuharu Okuda, Steven A. Godwin, 2015-01-15 The SimWars Simulation Case Book Emergency Medicine enables novice simulation operators to quickly and effectively run simulation cases which have been established at national SimWars events for their respective programs and departments The use of simulation to gain and maintain skills in healthcare has become critical to the delivery of the curricula in medical schools nursing schools residency programs and hospital based practice Specialty boards such as the American Board of Anesthesiology now require simulation training as part of the Maintenance of Certification Studies have shown that one of the main barriers to implementing simulation is the lack of trained simulation instructors and instructor time Developed by leading emergency medicine simulation experts this definitive collection of 46 cases includes topics intended to supplement UME and GME training meet ACGME core competency requirements and challenge the expert emergency physician in critical decision making procedural skills ethical issues teamwork and communication skills

Permanent Emergency Kip Hawley, Nathan Means, 2012-04-24 Since 2001 the TSA has accepted responsibility for protecting over two million people a day at U S airports and managing transportation operations around the world But how effective is this beleaguered agency and is it really keeping us safe from terrorism In this riveting expose former TSA administrator Kip Hawley reveals the secrets behind the agency's ongoing battle to outthink and outmaneuver terrorists illuminating the flawed broken system that struggles to stay one step ahead of catastrophe Citing numerous thwarted plots and government actions that have never before been revealed publicly Hawley suggests that the fundamental mistake in America's approach to national security is requiring a protocol for every contingency Instead he claims we must learn to live with reasonable risk so that we can focus our efforts on long term big picture strategy rather than expensive and ineffective regulations that only slow us down

Emergency Nursing: Robert Burnham, 2025-07-17 Have you ever wondered what it's like to be an ER Nurse Dealing with the public during the worst moments of their lives is an everyday occurrence There are wonderful magical moments but they are few and far between You quickly learn common sense is not so common Most people have no concept of what is or isn't an emergency We approach this job with our own set of life skills plus what we've learned in college On our first day in the ER we realize we must have slept through the lecture on Emergency Nursing With luck you're following an experienced nurse You realize you have none of these skills Your preceptor smiles letting you

know it will be ok See one do one teach one you're told with a smile That's when you wonder what have I gotten myself into The ER or Gar Gole as it's affectionately called is the red-headed stepchild of the hospital The Staff Physicians Nurses Techs and First Responders have a symbiotic working relationship We all have the same goal providing those in our charge with the best outcome possible The rollercoaster of emotions in the Gar Hole from Patients Family and Staff are dealt with by each of us in our own way We learn to meld our work life along with our home life it's a much needed tool of survival Our personal goal is to go home at the end of our shift to our safe haven our home and family *Emergency* Stephen B. Seager, S Seager, 1984-11 Doubly burdened by the nonstop pressure of life and death decisions in the Emergency Room and their own personal conflicts the Emergency Room medical staff including Dr Michael Woods a dedicated physician fighting drug addiction struggle to carry out their jobs *In Case of Emergency* Courtney Moreno, 2014-09-09 What do you do when you can't function After rookie EMT Piper Gallagher responds to a call outside a Los Angeles shopping mall for a man who can only tell her I can't function the question begins to haunt her How will Piper continue to function despite the horror she sees working in South Central and despite her own fractured past And how will the woman Piper loves continue to function as she experiences the aftershocks of her time spent serving in Iraq Piper's experiences as a rookie break her down and open her up as her genuine urge to help patients confronts the daily realities of life in the back of an ambulance and a hospital's hallways This vivid and visceral debut is a rich study in trauma in its causes and effects in its methods and disguises in its power and its pull
