KATE Sarah Henley,2025-04-27 The old world order is fading For generations monarchs held sway but now the reins of power are shifting Yet whispers of a return to tradition are growing louder and a bold plan is hatched to reclaim what was lost At the heart of this ambition are three young individuals Sergei a descendant of a fallen empire Kate with a lineage of her own and Katrine tied to their destinies in ways they are only beginning to understand Entrusted with their safety are Dominic and Christine protectors whose loyalty runs deeper than duty As these five lives intertwine bonds of friendship and affection blossom creating a complex web of connections Their path towards the future requires knowledge and skill leading them to a unique centre of learning But the journey is fraught with secrets and unexpected obstacles that will test their resilience and challenge the very foundations of their plan Betrayals will sting memories will be lost and found and alliances will be forged in unexpected places As they navigate a world on the brink of change these young people will discover hidden strengths within themselves in the face of overwhelming odds Can they overcome the forces working against them and shape the future they envision **The Romanov Bride** Robert Alexander,2008-04-17 The bestselling tale of Romanov intrigue

from the author of *The Kitchen Boy* Book groups and historical fiction buffs have made Robert Alexander s two previous novels word of mouth favorites and national bestsellers Set against a backdrop of Imperial Russia s twilight *The Romanov Bride* has the same enduring appeal The Grand Duchess Elisavjeta s story begins like a fairy tale a German princess renowned for her beauty and kind heart marries the Grand Duke Sergei of Russia and enters the Romanov s lavish court Her husband however rules his wife as he does Moscow with a cold hard fist And after a peaceful demonstration becomes a bloodbath the fires of the revolution link Elisavjeta s destiny to that of Pavel a young Bolshevik forever *Real and Phantom Pains* ,2014-10-09 An anthology of ten plays embodying the Russian literary movement that began in the late twentieth century The plays selected for this anthology reflect the issues and styles typical of the new wave of dramatic writing in Russia New drama flourished almost exclusively in small spaces often in dingy basements that employed and accommodated small numbers of people The big theaters largely turned a blind eye to what was happening on small stages and in backrooms in playhouses libraries and community centers in a few chosen hot spots around Russia primarily Moscow Yekaterinburg and Togliatti In many cases they took actively hostile stances toward it This would change however And by the beginning of the century s second decade new drama was threatening to become a mainstream phenomenon Not every theater staged plays

associated with new drama but almost every one began staging plays influenced by the themes methods and language of the new drama movement Featuring work from Yury Klavdiev Olga Mukhina Pavel Pryazhko Vasily Sigarev Maksym Kurochkin Mikhail Durnenkov Vyacheslav Durnenkov Yaroslava Pulinovich Yelena Gremina and Maxim Osipov Few people know more about what is happening on the Moscow scene than John Freedman including few Russians As Moscow Times theater critic throughout the post Soviet period John could well have seen more theatrical productions in Russia than anyone else I can t imagine anyone who would do a better job Blair A Ruble Director Program on Global Sustainability Resilience Woodrow Wilson Center While other existing volumes focus on 18th 19th and early 20th century Russian drama Freedman s edition would present the unique and important contributions of the new generation of Russian writers portraying the realities and experiences of a post Soviet generation John has carefully selected a representative cohort of ten of the most visible productive and influential of these writers for the volume Thomas J Garza University Distinguished Teaching Associate Professor University of Texas at Austin The Russians Collection Michael Phillips, Judith Pella, 2016-02-02 In this bestselling series set in pre revolutionary Russia both a peasant and a princess face the prospect of their beloved country being torn apart by conflict within and without 1 The Crown and the Crucible 2 A House Divided 3 Travail and Triumph 4 Heirs of the Motherland 5 Dawning of Deliverance 6 White Nights Red Morning 7 Passage Into Light **In the Shadow of My Father** Janet Frascarelli, 2002-06-10 In the Shadow of My Father is the final installment in the trilogy of the Culhane family In Book I The Flowers of Eire and Book II Rory we have journeyed from their humble beginnings in Ardara County Donegal Ireland to 19th Century England and Australia In this last of the three novellas Rory Culhane s son Sergei grows into manhood beginning his studies in medicine as did his father After being wounded during Jameson s Raid in pre Boer War South Africa he returns home falling in love with and marrying Edwina Gordon She bears him two sons Edwin and Thomas Edwin follows in the Culhane men s footsteps studying medicine After his tour of duty aboard the HMS Furious in the World War I Royal Navy he returns to Melbourne resuming his life Thomas Edwin s younger brother veers from the well trodden path of his family and enters the priesthood finally returning to take a post at the church in his ancestor s home town of Ardara This family saga spans the years from the mid nineteenth century to 1928 and returns the Culhanes full circle to their roots The Last Match Anna Ziegler, 2018-12-06 Played out under the bright lights of the US Open semifinals THE LAST MATCH pits rising Russian star Sergei Sergeyev against American great Tim Porter in an epic showdown that follows two tennis titans through pivotal moments in their lives both on and off the court This gripping fast paced story captures the intense world of competitive sports and human rivalry and what it means to want something and the lengths we will go to in order to feel relevant important and young **Cycles of Destiny** Sergie Waisman, 2011-09-30 In 1904 author Sergie Waismans grandparents Bella Feinbergan exotic seventeen year old Jewish maiden and Russian officer Sergei Naryshkin met fell in love and married over both their families objections When Sergei was assigned to the Russian military post at the tip of

Manchuria China they established the roots of both Waismans Russian heritage and his birth country China Following the Russian Revolution Sergei and Bella raised their children in Harbin China where their grandson was born in 1944 Sergie grew up during the Chinese Civil War and under communism His father was arrested by Russian occupation forces and banished to Siberia never to be seen or heard from again But even without his father around Sergie discovered his roots He immigrated with his mother and sister to the newly established state of Israel in 1953 where he would eventually serve in the Elite Paratrooper unit in the Israel Defense Forces Sergies adventures would eventually take him to the United States where he met a woman born in the same Manchurian hospital he was in who would change his life This autobiography offers not only the tale of one mans life and rich varied cultural heritage but also a unique perspective on historical events of his many lands that he witnessed firsthand

Like a River from Its Course Kelli Stuart, 2016-06-08 An epic novel exposing the ugliness of war and the beauty of hope The city of Kiev was bombed in Hitler s blitzkrieg across the Soviet Union but the constant siege was only the beginning for her citizens In this sweeping historical saga Kelli Stuart takes the reader on a captivating journey into the little known history of Ukraine s tragedies through the eyes of four compelling characters who experience the same story from different perspectives Maria Ivanovna is only fourteen when the bombing begins and not much older when she is forced into work at a German labor camp She must fight to survive and to make her way back to her beloved Ukraine Ivan Kyrilovich is falsely mistaken for a Jew and lined up with 34 000 other men women and children who are to be shot at the edge of Babi Yar the killing ditch He survives but not without devastating consequences Luda is sixteen when German soldiers rape her Now pregnant with the child of the enemy she is abandoned by her father alone and in pain She must learn to trust family and friends again and find her own strength in order to discover the redemption that awaits Frederick Hermann is sure in his knowledge that the Führer s plans for domination are right and just He is driven to succeed by a desire to please a demanding father and by his own blind faith in the ideals of Nazism Based on true stories gathered from fifteen years of research and interviews with Ukrainian World War II survivors *Like a River from Its Course* is a story of love war heartache forgiveness and redemption
