My Sisters Love My Clothes:

My Sisters Love My Clothes Brendan Hanrahan,1992-06 Louie s five sisters are always borrowing his coolest of clothes but one day while searching for something to wear Louie realizes that his sisters are more important than cool clothes **I**

Love My Sister Shemekia S. Samuels,2013-07-16 This book takes a journey through one young ladys lifehow she was years away from God and how a basic sense of hearing Gods voice allowed her to free herself from what she was meant to be in this world Through allowing Christ to aid her in each stiletto step she was freed and was able to provide an environment for many ladies to be freed as well and walk with rewarding purpose Through the blessings and direction from God she writes with truth and biblical knowledge for you not only to be blessed but also to transform into His way for your life reaping everything that is meant for you **Tapestry** Jeanette Michelle,2011-11-22 Tapestry is a soap opera style drama based on

realistic characters with a splash of fiction Tapestry details the lives of several people of various age groups as well as ethnicity culture religious beliefs and sexual preferences that meet by chance and becomes a part of a social gathering Members of this meet up group have secretes that they try not to reveal that are self evident to each member Each character has a story to share and explanations for their lifestyle and problems A turn of events is suddenly centered on one particular member which changes certain members lifestyle Tapestry also renders the importance of family extended family and close friends The message Im trying to convey from Tapestry is that we may all be different personalities ethnicity culture religious and political beliefs and or sexual preferences but there shouldnt be a reason why we cant get along This world is a melting pot America is a melting pot and what make us unique are our differences We may not agree all the time but we still should agree to disagree and move on Stop dwelling on the personal lives of people and accept that person for who he or she are Everyone cant live your life but that doesnt mean that I cant like that person or be friends with that person Most often we isolate people or distant ourselves from people all because theyre not what you want them to be We also need to understand that everyone is not meant to be the best of friends but that doesnt mean that I shouldnt respect that person This is a new dawn and a new world a world of advanced technology We can conquer countries but we cant live together in this world peacefully We should be more than that This is what this book Tapestry reveals **Mother Teresa's General Letters to**

Her Sisters Kolodiejchuk MC Brian,2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider

audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charisma endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God
