My Son The Wizard:

My Son, the Wizard Christopher Stasheff, 2014-09-15 A WORLD OF TROUBLES TIMES TWO Matt Mantrell Her Majesty's Wizard conjured himself from magical Merovence to Jersey City for a long delayed visit to his parents Back in his hometown vicious drug dealing gangs had reduced Matt's old neighborhood to a wasteland driven his father out of business and forced his parents to the brink of destitution and homelessness The only answer was for Matt to transport them permanently to Merovence But once back in that realm with his parents in tow Matt found that Merovence and the neighboring Kingdom of Ibile faced imminent subjugation by the conquest hungry Moors As Queen Alisande led her army to engage the enemy head on Matt launched his own campaign with the aid of his fledgling wizard father the faithful dragon Stegoman and a hapless tag along thief Grappling with djinnis matching wits with a Moorish military genius and trading spells with sinister sorcerers they sought to root out the real enemy behind the mayhem a cunning and deadly wizard who served the most evil master of all The ebook includes and a new introduction by the author and new cover art by Ashley Cser [The Wizard's Son](#) Mrs. Oliphant (Margaret), 1884 *Stupid Cupid* Bert C. Rawley, 1896 **A Crazy Lot!** Bert C. Rawley, 1901 **The Wizardwar** Elaine Cunningham, 2011-12-27 In the closing installment of the Counselors Kings trilogy Matteo and his companions face old enemies in an explosive final showdown Defeat breeds anger Hatred breeds revenge Once again the counselors of Halruua have beaten back an attack by the wizard Akhlaur And once more the kingdom has been saved from its enemies Their victory comes at a terrible price The aged king is weakened his powers diminished His chief counselor Matteo is torn between his duty and his heart Tzigone the underdog heroine of the battle of Akhlaur's Swamp has been hurled into a dark world from which she may never escape And at the edge of time Akhlaur and his ally Kiva the Magehound plot their final revenge

Why They Joined the Rebeccas Ida M. Buxton, 1885 **The Wizard's Son (Complete)** Margaret Oliphant Wilson Oliphant, 2020-09-28 The Methvens occupied a little house in the outskirts of a little town where there was not very much going on of any description and still less which they could take any share in being as they were poor and unable to make any effective response to the civilities shown to them The family consisted of three persons the mother who was a widow with one son the son himself who was a young man of three or four and twenty and a distant cousin of Mrs Methven's who lived with her having no other home It was not a very happy household The mother had a limited income and an anxious temper the son a somewhat volatile and indolent disposition and no ambition at all as to his future nor anxiety as to what was going to happen to him in life This as may be supposed was enough to introduce many uneasy elements into their joint existence and the third of the party Miss Merivale was not of the class of the peacemakers to whom Scripture allots a special blessing She had no amiable glamour in her eyes but saw her friends imperfections with a clearness of sight which is little conducive to that happy progress of affairs which is called getting on The Methvens were sufficiently proud to keep their difficulties out of the public eye but on very many occasions unfortunately it had become very plain to themselves that they did not get on It

was not any want of love Mrs Methven was herself aware and her friends were in the constant habit of saying that she had sacrificed everything for Walter Injudicious friends are fond of making such statements by way it is to be supposed of increasing the devotion and gratitude of the child to the parent but the result is unfortunately very often the exact contrary of what is desired for no one likes to have his duty in this respect pointed out to him and whatever good people may think it is not in itself an agreeable thought that sacrifices have been made for one and an obligation placed upon one's shoulders from the beginning of time independent of any wish or claim upon the part of the person served The makers of sacrifices have seldom the reward which surrounding spectators and in many cases themselves think their due Mrs Methven herself would probably have been at a loss to name what were the special sacrifices she had made for Walter
