An Agenda for the 1990s?

Edited by

MICHAEL McCARTHY

New Politics Of Welfare An Agenda For The 1990s

Leo P. Chall

New Politics Of Welfare An Agenda For The 1990s:

The New Politics of Welfare Michael McCarthy, 1991 *The New Politics of Welfare* Jo Campling, Michael McCarthy, 1989-11-20 The principles and value framework of the postwar welfare consensus were called into question with the general election of 1979 This book assesses developments in key areas of the welfare state providing a comprehensive appraisal of the impact of Thatcherism The contributors also examine the prospects for the new welfare into the 1990s

Disability Politics and Community Care Mark Priestley, 1999 Priestley encourages health and welfare professionals and policy makers to start working much more closely with disabled people themselves He argues that this will break barriers between user and provider and result in the reality of integrated living *The Future of Social Security Policy* Ailsa McKay, 2005-07-25 Current debates concerning the future of social security provision in advanced capitalist states have raised the issue of a citizen's basic income CBI as a possible reform package a proposal based on the principles of individuality universality and unconditionality which would ensure a minimum income guaranteed for all members of society Implementing a CBI would consequently entail radical reform of existing patterns of welfare delivery and would bring into question the institutionalized relationship between work and welfare Ailsa McKay's book makes a unique and positive contribution to the CBI literature by examining the proposal from a feminist economics perspective Gender concerns are central to any debate on the future of social security policy in that state intervention in the field of income redistribution has differential impacts on men and women By drawing attention to the potential a CBI has in promoting equal rights of freedom for men and women this book serves to open up the debate to incorporate a more realistic and inclusive vision of the nature of modern socio economic relationships *A History of the Personal Social Services in England* Ray Jones, 2020-07-04 This book provides a detailed narrative and analysis of the 50 year development of the personal social services in England located throughout the changing ideological political and relevant professional contexts of the period Drawing on the experience and recollections of key players who were active during major moments it constitutes a significant addition to the social work and social policy literature synthesising important and often original evidence and some provocative interpretations The book speaks to crucial on going issues and contentious current debates such as the place of bureaucratic management structures in practices with people generally and social work specifically It will be of interest to student and qualified social workers social policy students and researchers and policy makers as well as those with a general interest in the history and trajectory of current issues facing social work and social care in England **The Principles of Social Policy** Robert F. Drake, 2018-06-26 *The Principles of Social Policy* provides a powerful exposition of policy making in the contemporary nation state Social policies are shaped by prevailing political beliefs and values and they are made tangible in the form of overarching policy objectives These may include for example the promotion of equality the securing of justice or the preservation of liberty In this text the key principles that underpin social policy in Western democracies are identified and

scrutinised in clear jargon free language The aims of this ground breaking text are clearly reflected in its structure Opening chapters explore the multi dimensional nature of the values and principles that stand behind political thought Following this a discussion of concepts such as equality justice and freedom reveals the importance of values and principles in shaping the contours of social policy In conclusion the centrality of the influence of key principles is examined as theoretical ideas introduced earlier in the book are related to the development of policy and practice in real society This raises questions about the future of social policy and the serious implications for welfare in a fast changing world This will be essential reading for students of social policy applied social studies politics and other courses concerned with the role of government and the provision of public services

Women, Oppression and Social Work Lesley Day, Mary Langan, 2002-09-11 First published in 1992 Routledge is an imprint of Taylor Francis an informa company

Health Policy and the NHS Judith Allsop, 2018-10-08 Health Policy and the NHS provides a thorough and up to date review of the changes in the structure and organisation of the health service It focuses on how successive governments have approached problems of health care their policy assumptions and the economic and political context of their decision making Divided into four parts the text considers in turn the foundations and framework of the NHS policy issues within the NHS that dominated the government's policy agenda until the late 1980s health and society and the critiques of health policy which developed in the late 1970s and 1980s and new directions for health policy in the future

Equality and Inequality in Education Policy Liz Dawtrey, 1995 Discusses the history and gendered nature of education policy and the impact of policies on practice in education The articles represent a range of views and approaches to education demonstrating the complexity of educational experience and the influence of class race culture and gender

Criminal Injustice Robynne Neugebauer, 2000-01-01 This volume examines racism within the process of criminal justice In every society criminal justice plays a key role establishing social control and maintaining the hegemony of the dominant economic classes The contributors to this anthology argue that the differential treatment of people of colour and First Nations peoples is due to systemic racism within all levels of the criminal justice system which serves these dominant classes Ideological and cultural changes are preconditions for the success of anti racist policies and practices within the criminal justice system and within other state institutions Recommendations for transformations in justice policy and practice are provided

Globalisation, Global Justice and Social Work Iain Ferguson, Michael Lavalette, Elizabeth Whitmore, 2005 Globalization has become a seemingly unstoppable force over recent decades and in its wake global notions of social justice have developed in response to its negative aspects Neo liberal economic policies have been a key element in the wider process of globalization and these policies have had a profound impact on welfare provision and the shape of social work practice Arising dissatisfaction among users of welfare and social work services is fuelling the search for a new more radical social work that is firmly rooted in principles of social justice Globalisation Global Justice and Social Work explores the global effects of neo liberal policies on welfare services in different countries with contributions

from social work academics practitioners and welfare activists around the world The first section of the book presents case studies of impact of neo liberalism on welfare systems social service provision and the practice of social work In the second section the chapters explore the relationship between social work practice and the struggle for social justice Authors discuss the personal and political dilemmas they have had to address in seeking to link a personal commitment to social justice with their daily practice as workers and educators in social work The final section assesses the prospects for social work practice based on notions of social justice by looking at what can be learned from the experience of previous radical movements as well as from emergent global and local movements

Sport Policy in Britain Barrie Houlihan,Iain Lindsey,2013 Since 1990 Britain has seen a period of unprecedented public investment in and political commitment to sport In this book Iain Lindsey and Barrie Houlihan examine and analyze sport policy since the appointment of John Major as leader of the Conservative Party in 1990 John Major s period as Prime Minister was a watershed in British sport policy marking the beginning of a prolonged period of public and lottery investment and relatively high political salience The text also locates Labour sport policy not only in relation to the previous government of John Major but also in relation to the Labor government s broader concerns and ambitions related to modernization of British institutions its ambition to tackle the wicked issues epitomized by its focus on achieving greater social inclusion and its interest in facilitating greater stakeholder involvement in the policy process Lindsey and Houlihan provide the first analysis that examines sport policy as a field of government and that discusses how the various sectors e g youth school sport mass sport etc have been affected by government policy and the competition for public resources

Social Policy for Social Work Robert Adams,2017-03-14 Social Policy for Social Work provides a comprehensive critical and engaging introduction to social policy for students and practitioners of social work The text is clearly structured into three parts that cover contexts policies and issues The first part explores changing perspectives on social policy and social work and provides an introduction to the broad range of specific policy aspects discussed in part two which include social security health and community care family and child care criminal justice Part three focuses on key issues such as tackling divisions and inequalities the control of services including empowering people receiving services and future policy trends Additionally appendices provide a key to common abbreviations dates of the main legislation and internet addresses of main information sources on policy and research Illustrations from practice are included throughout to highlight implications for social work practice The text focuses on contemporary Britain but also draws examples from European global and historical contexts wherever appropriate This exceptional text demonstrates clearly the relevance and implications of social policy for social work practice It is an essential and practical resource for all students and practitioners in the welfare field

Family Support and Family Centre Services Andrew Pithouse,Sarah Lindsell,Monit Cheung,2018-08-10 Published in 1998 the aim of this book is to identify and explore key themes and issues around the realm of welfare practice in child and family social work that is family centre

services and related community based types of provision The text addresses the impact and effectiveness of family centres in supporting children families and communities Emphasis is placed on community based supportive preventive family services and those that provide a closed access and therapeutic service aimed at families referred by social workers where children are at risk of abuse Throughout the focus is on best practice exemplified by research findings of family centre impacts and outcomes in the UK the USA and Hong Kong

In Whose Interest? Ray Jones,2018-12-05 As the government continues to open up child protection and social work in England to a commercial market place what is the social cost of privatising public services And what effect has the failure of previous privatisations had on their provision This book by best selling author and expert social worker Ray Jones is the first to tell the story of how crucial social work services including those for families and children are now being out sourced to private companies Detailing how the failures of previous privatisations have led to the deterioration of services for the public it shows how this trend threatens the safety and wellbeing of vulnerable children and disabled adults

Sociological Abstracts Leo P. Chall,2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

Ideal Types in Comparative Social Policy Christian Aspalter,2020-12-06 This book introduces readers to the world of ideal types within the readings of Max Weber by giving a theoretical understanding of ideal types as well as applying the development of ideal types to an array of social policy arenas The 21st century has seen the development of welfare regime analysis marked by two differing strands real typical welfare regime analyses and ideal typical welfare regime analysis the latter focusing on the formation development and application of ideal types in general comparative social policy Designed to provide new theoretical and practical frameworks as well as updated in depth developments of ideal typical welfare regime theory this book shows how Weber s method of setting up and checking against ideal types can be used in a wide variety of policy areas such as welfare state system comparison comparative social and economic development health policy mental health policy health care system analysis gender policy employment policy education policy and so forth The book will be of interest to all scholars and students working in the fields of social policy including health policy public policy political economy sociology social work gender studies social anthropology and many more

The Oxford Handbook of U.S. Social Policy Daniel Béland,Christopher Howard,Kimberly J. Morgan,2015 The American welfare state has long been a source of political contention and academic debate This Oxford Handbook pulls together much of our current knowledge about the origins development functions and challenges of American social policy After the Introduction the first substantive part of the handbook offers an historical overview of U S social policy from the colonial era to the present This is followed by a set of chapters on different theoretical perspectives available for understanding and explaining the development of U S social policy The three following parts of the volume focus

on concrete social programs for the elderly the poor and near poor the disabled and workers and families Policy areas covered include health care pensions food assistance housing unemployment benefits disability benefits workers compensation family support and programs for soldiers and veterans The final part of the book focuses on some of the consequences of the U S welfare state for poverty inequality and citizenship Many of the chapters comprising this handbook emphasize the disjointed patterns of policy making inherent to U S policymaking and the public private mix of social provision in which the government helps certain groups of citizens directly e g social insurance or indirectly e g tax expenditures regulations The contributing authors are experts from political science sociology history economics and other social sciences *The New Politics of Old Age Policy* Robert B. Hudson, 2010-05-28 Resource added for the Psychology includes Sociology 108091 courses *The Cumulative Book Index* , 1990 A world list of books in the English language
