Conversation Analysis for Social Work Gerald de Montigny, 2018-10-11 What do the stories youth in state care tell about life in their family of origin What stories do they tell us about coming into care living in care and relationships with foster parents and social workers This book presents the stories of youth in care though not in splendid isolation but as interactively produced turn by turn in interviews and in conversations with other youth By using tools from conversation analysis CA the author examines interviews with youth in care and social workers to unfold the essential and incorrigible reflexivity of story production CA allows us to grasp the ways that a youth's story emerges turn by turn and is an artefact of a social relation between a youth and an interviewer This text provides social work readers with a sense of artistry and ambiguity at the heart of social interaction It will be required reading for all social work students and academics looking for a deeper more philosophical understanding of the profession

Practising Critical Reflection to Develop Emancipatory Change Christine Morley, 2016-04-08 Overwhelmingly critical practitioners working across a range of human service fields who are committed to emancipatory and progressive social change ideals report feeling powerless alienated from the means of change and hopeless about their capacities to make a difference in the lives of the individuals groups or communities with whom they work because of restrictive contexts that ultimately determine the nature and parameters of their work This ground breaking book addresses this dilemma by demonstrating how critical reflection as an educational tool enables practitioners to envision possibilities for change The legal system particularly in its response to sexual assault provides a perfect example of this type of context and this volume explores the work of sexual assault practitioners that are engaged in supporting victims survivors of sexual assault through the legal process By reshaping ideas that have previously been considered as predominantly theoretical and abstract Morley's work provides an innovative framework that enables social work and human services practitioners to find hope agency and practical strategies to work towards change despite operating in contexts that appear immutably oppressive

Structural Social Work in Action Steven F. Hick, Heather I. Peters, Tammy Corner, Tracy London, 2009-09-25 Using concrete examples this optimistic book illustrates the ways in which structural social work theory is being successfully implemented in social work practice By providing examples of what does work in structural social work practice it offers hope to others that this work is not only possible but that it is happening it is effective and the rest of us can do it too

Working in Statutory Contexts Andrew Hill, 2010-05-17 This is an excellent book and should be compulsory reading for social work students It is clearly written sensitively related to social work practice with some first rate examples above all it really speaks to the realities of contemporary statutory professional practice in the twenty first century Andrew Hill has written a thorough but readable text for students which they will find useful at any stage in their qualification degree
