Radical Pacifists In Antebellum America:

Radical Pacifists in Antebellum America Peter Brock, 2015-12-08 Selected portions from *Pacifism in the United States* From the Colonial Era to the First World War Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Advocates of Peace in Antebellum America** Valarie H. Ziegler, 2001 This book chronicles the political and intellectual development of the two major antebellum peace movements The American Peace Society a moderate peace group aimed to work through the institutions of church and state to achieve peace The New England Nonresistant Society constituted a radical group which advocated the individual's complete separation from all institutions and strict adherence to the example of Christ's life and teachings **American Radicals** Holly Jackson, 2019-10-08 A dynamic timely history of nineteenth century activists free lovers and socialists abolitionists and vigilantes and the social revolution they sparked in the turbulent Civil War era In the tradition of Howard Zinn's *People's Histories* *American Radicals* reveals a forgotten yet inspiring past Megan Marshall Pulitzer Prize winning author of *Margaret Fuller A New American Life* and *Elizabeth Bishop A Miracle for Breakfast* NAMED ONE OF THE TEN BEST HISTORY BOOKS OF THE YEAR BY SMITHSONIAN On July 4 1826 as Americans lit firecrackers to celebrate the country's fiftieth birthday both John Adams and Thomas Jefferson were on their deathbeds They would leave behind a groundbreaking political system and a growing economy as well as the glaring inequalities that had undermined the American experiment from its beginning The young nation had outlived the men who made it but could it survive intensifying divisions over the very meaning of the land of the free A new network of dissent connecting firebrands and agitators on pastoral communes in urban mobs and in genteel parlors across the nation vowed to finish the revolution they claimed the founding fathers had only begun They were men and women black and white fiercely devoted to causes that pitted them against mainstream America even while they fought to preserve the nation's founding ideals the brilliant heiress Frances Wright whose shocking critiques of religion and the institution of marriage led to calls for her arrest the radical Bostonian William Lloyd Garrison whose commitment to nonviolence would be tested as the conflict over slavery pushed the nation to its breaking point the Philadelphia businessman James Forten who presided over the first mass political protest of free African Americans Marx Lazarus a vegan from Alabama whose calls for sexual liberation masked a dark secret black nationalist Martin Delany the would be founding father of a West African colony who secretly supported John Brown's treasonous raid on Harpers Ferry only to ally himself with Southern Confederates after the Civil War Though largely forgotten today these figures were enormously influential in the pivotal period flanking the war their lives and work entwined

with reformers like Frederick Douglass Elizabeth Cady Stanton and Henry David Thoreau as well as iconic leaders like Abraham Lincoln Jackson writes them back into the story of the nation's most formative and perilous era in all their heroism outlandishness and tragic shortcomings The result is a surprising panoramic work of narrative history one that offers important lessons for our own time *The Pacifist Impulse in Historical Perspective* International Conference On The Pacifist Impulse I, Peter Brock, International Conference on the Pacifist Impulse in Historical perspec, 1996-01-01 This volume of twenty three essays appears in recognition of the emergence of peace history as a relatively new and coherent field of learning these essays were presented at an international conference The Pacifist Impulse in Historical Perspective Together the essays in this book explore the ideas and activities of persons and groups who for two millennia have rejected war and urged non violent means of settling conflicts **Abolitionism and American Religion** John R. McKivigan, 1999 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company **Opposition to War** Mitchell K. Hall, 2018-01-04 How have Americans sought peaceful rather than destructive solutions to domestic and world conflict This two volume set documents peace and antiwar movements in the United States from the colonial era to the present Although national leaders often claim to be fighting to achieve peace the real peace seekers struggle against enormous resistance to their message and have often faced persecution for their efforts Despite a well established pattern of being involved in wars the United States also has a long tradition of citizens who made extensive efforts to build and maintain peaceful societies and prevent the destructive human and material costs of war Unarmed activists have most consistently upheld American values at home **Opposition to War** An Encyclopedia of U S Peace and Antiwar Movements investigates this historical tradition of resistance to involvement in armed conflict an especially important and relevant topic today as the nation has been mired in numerous military conflicts throughout most of the current century The book examines a largely misunderstood and underappreciated minority of Americans who have committed themselves to finding peaceful resolutions to domestic and international conflicts individuals who have proposed and conducted an array of practical and creative methods for peaceful change from the transformation of individual behavior to the development of international governing and legal systems for more than 250 years Readers will learn how individuals working alone or organized into societies of various size have steadfastly campaigned to stop war end the arms race eliminate the underlying causes of war and defend the civil liberties of Americans when wartime nationalism most threatens them **The Specter of Peace** , 2018-06-26 *Specter of Peace* advances a novel historical conceptualization of peace as a process of right ordering that involved the careful regulation of violence the legitimization of colonial authority and the creation of racial and gendered hierarchies The volume highlights the many paths of peacemaking that otherwise have hitherto gone unexplored in early American and Atlantic World scholarship and challenges historians to take peace as seriously as violence Early American peacemaking was a productive discourse of moral ordering fundamentally concerned with regulating violence The historicization of peace the authors argue can sharpen

our understanding of violence empire and the early modern struggle for order and harmony in the colonial Americas and Atlantic World Contributors are Micah Alpaugh Brendan Gillis Mark Meuwese Margot Minardi Geoffrey Plank Dylan Ruediger Cristina Soriano and Wayne E Lee **The Public Years of Sarah and Angelina Grimké** Larry Ceplair, 1989 Sarah Moore Grimké and Angelina Emily Grimké were the first women in America coming from a southern slave holding family to speak publicly on behalf of the abolition of slavery Creating a stir of controversy soon afterwards during the 1830s especially with the force of their testimony before the Massachusetts State Legislature they soon found themselves defending publicly and at length the right of women to speak on moral and political issues and on the end of the subordination of women The editor of this collection of eloquent political writings Larry Ceplair has written a critical introduction situating the Grimkes in an historical and political context in which he describes the significance of their thought and work Of special interest is the inclusion of writings documenting the Grimké sisters activities that preceded by 11 years the first woman s rights convention in America held at Seneca Falls N Y in 1848 Most of the Grimké sisters writings are out of print today Mr Ceplair s efforts will be greatly appreciated by those interested in the history of feminist theory antebellum history *Prison and Plantation* Michael S. Hindus, 2017-11-01 This broad comparative study examines the social economic and legal contexts of crime and authority in two vastly different states over a one hundred year period Massachusetts an urban industrial and heterogeneous northern state chose the penitentiary in its attempt to minimize the role of informal and extralegal authority while South Carolina a rural southern slave state systematically reduced its formal legal institutions frequently relying on vigilantism A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Quaker Constitutionalism and the Political Thought of John Dickinson Jane E. Calvert, 2009 This book traces the theory of Quaker constitutionalism from the early Quakers through Founding Father John Dickinson to Martin Luther King Jr **Hopedale** Edward K. Spann, 1992 Edward Spann s study of a town shaped by two distinct dreams of a good society provides new insight into the development of utopian societies for those interested in utopian and religious communities nineteenth century American history urban history and business communities book jacket **Observing God** William J. Astore, 2017-07-05 Scottish theologian educator astronomer and popularizer of science Thomas Dick 1774 1857 promoted a Christianized form of science to inhibit secularization to win converts to Christianity and to persuade evangelicals that science was sacred His devotional theology of nature made radical claims for cultural authority This book presents the first detailed analysis of his life and works After an extended biographical introduction Dick s theology of nature is examined within the context of natural theology and also his views on the plurality of worlds the nebular hypothesis and geology Other chapters deal with Dick s use of aesthetics to shape social behaviour for millennial purposes and with the publishing history of his works their availability

and their reception In the final part the author explores Dick s influence in America His pacifism won him Northern evangelical supporters while his writings dominated the burgeoning field of popular science powerfully shaping science s cultural meaning and its uses *Nonviolent Action* Ronald M. McCarthy, Gene Sharp, Brad Bennett, 2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject *War Comes Again* Gabor Boritt, 1995-05-18 The Civil War and the World War II stand as the two great cataclysms of American history They were our two costliest wars with well over a million casualties suffered in each And they were transforming moments in our history as well times when the life of the nation and the great experiment in democracy government of the people by the people for the people seemed to hang in the balance Now in *War Comes Again* eleven eminent historians including three Pulitzer Prize winners all veterans of the Second World War offer an illuminating comparison of these two epic events in our national life The range of essays here is remarkable the level of insight consistently high and the quality of the writing is superb For instance Stephen Ambrose the bestselling author of *D Day* June 6th 1944 offers an intriguing comparison of the two great military leaders of each war Grant and Eisenhower Pulitzer Prize winning historian Robert V Bruce takes a revealing look at the events that foreshadowed the two wars Gerald Linderman author of *Embattled Courage* examines the two wars from the point of view of the combat soldier And Arthur Schlesinger Jr describes how both Lincoln and FDR went around strict observance of the Constitution in order to preserve the Constitution There is in addition a fascinating discussion of the crucial role played by spying during the two wars by Peter Maslowski a look at the diplomacy of Lincoln and Roosevelt by Howard Jones and essays on the impact of the wars on women and on African Americans by D Ann Campbell Richard Jensen and Ira Berlin In perhaps the most gripping piece in the book Michael C C Adams offers an unflinching look at war s destructiveness as he argues that the evils we associate with bad wars such as Vietnam are equally true of good wars And finally in perhaps the most provocative essay in the book Russell Weigley one of America s most eminent military historians maps the evolution of American attitudes toward war to our present belief that the only acceptable war is one that is short inexpensive and certain of victory Would any great commander Weigley asks would a Lee or a Grant or a Marshall refuse to fight unless he knew he couldn t lose Is not a willingness to run risks for the sake of cherished values and interests close to

the heart of what defines greatness in a human being or in a nation Another Pulitzer winner and World War II veteran Don E Fehrenbacher concludes *War Comes Again* with a very personal look at two common soldiers who have no monuments who have not been mentioned in previous histories but who point at the essence of these two wars and are embedded in the very structure of the enduring nation and the world we live in

The Carceral City John Bardes, 2024-04-02 Americans often assume that slave societies had little use for prisons and police because slaveholders only ever inflicted violence directly or through overseers Mustering tens of thousands of previously overlooked arrest and prison records John K Bardes demonstrates the opposite in parts of the South enslaved and free people were jailed at astronomical rates Slaveholders were deeply reliant on coercive state action Authorities built massive slave prisons and devised specialized slave penal systems to maintain control and maximize profit Indeed in New Orleans for most of the past half century the city with the highest incarceration rate in the United States enslaved people were jailed at higher rates during the antebellum era than are Black residents today Moreover some slave prisons remained in use well after Emancipation in these forgotten institutions lie the hidden origins of state violence under Jim Crow With powerful and evocative prose Bardes boldly reinterprets relations between slavery and prison development in American history Racialized policing and mass incarceration are among the gravest moral crises of our age but they are not new slavery the prison and race are deeply interwoven into the history of American governance

Peace Movement Organizations and Activists in the U.S. John Lofland, Victoria Lee Johnson, Pamela Kato, 1991 Here is the most comprehensive compilation and analytic classification of book length publications on the immense upwelling of peace activism that occurred in the United States during the 1980 s It is an indispensable reference addition to the bookshelf of all researchers of peace movements in the United States Focusing on the post World War II years with particular attention to the 1980 s this volume is an extensive bibliography of books categorized into six categories by theory transcenders educators intellectuals politicians protestors and prophets Peace Movement Organizations and Activists in the United States An Analytic Bibliography is an indispensable tool for researchers and students of peace movements from several disciplines including history political science security studies sociology and international relations

The Bloomsbury Encyclopedia of Philosophers in America John R. Shook, 2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to Philosophers in America includes

30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to understanding leading figures in American thought and the development of American intellectual history The Forging of the American Empire Sidney Lens,2003-06-20 From Mexico to Vietnam from Nicaragua to Lebanon and more recently to Kosovo East Timor and now Iraq the United States has intervened in the affairs of other nations Yet American leaders continue to promote the myth that America is benevolent and peace loving and involves itself in conflicts only to defend the rights of others excesses and cruelties though sometimes admitted usually are regarded as momentary aberrations This classic book is the first truly comprehensive history of American imperialism Now fully updated and featuring a new introduction by Howard Zinn it is a must read for all students and scholars of American history Renowned author Sidney Lens shows how the United States from the time it gained its own independence has used every available means political economic and military to dominate other nations Lens presents a powerful argument meticulously pieced together from a huge array of sources to prove that imperialism is an inevitable consequence of the U S economic system Surveying the pressures external and internal on the United States today he concludes that like any other empire the reign of the U S will end and he examines how this time of reckoning may come about A Cultural History of Peace in the Age of Enlightenment Stella Ghervas,David Armitage,2022-02-24 A Cultural History of Peace presents an authoritative survey from ancient times to the present The set of six volumes covers over 2500 years of history charting the evolving nature and role of peace throughout history This volume A Cultural History of Peace in the Enlightenment explores peace in the period from 1648 to 1815 As with all the volumes in the illustrated Cultural History of Peace set this volume presents essays on the meaning of peace peace movements maintaining peace peace in relation to gender religion and war and representations of peace A Cultural History of Peace in the Enlightenment is the most authoritative and comprehensive survey available on peace in the long eighteenth century *Ambivalent Conspirators* Jeffrey Rossbach,2016-11-11 The remarkable relationship among the six conspirators who aided John Brown in his famed 1859 raid at Harpers Ferry is dramatically exposed in this volume Why did these six abolitionists who were nominally pacifist decide to subsidize an act of black violence Jeffery Rossbach rejects the commonly held belief that Brown dominated them with his charismatic personality Here he delves into the backgrounds and beliefs of the members of the Secret Six during their three year involvement with the plan and gives us for the first time a revealing picture of the group s character Rossbach identifies the set of racial and political assumptions at the core of the Committee s rationale He demonstrates how the conspirators particularly Parker and Higginson fused their ideas about political violence with those of the Journalist James Redpath and some free black leaders in the north Essentially the Six believed that the condition of slavery had rendered the black man docile pliant and prone to collective behavior If slaves rallied to Brown s insurrectionary banner they reasoned their violent acts would have a cathartic

effect on the Afro American character and social outlook The conspirators felt that just as the willingness to fight for freedom formed the basis of the Anglo American character so a violent uprising to free slaves and kill white oppressors must serve as the black man s first step toward the assimilation of a new and more individualistic value system That system would more closely match the one held by the democratic industrial North Surpassing previous studies by both conservative and revisionist historians Rossbach shows how the secret committee s relationship with Brown was based upon their common social assumptions and personal aspirations He suggests that they shared a system of beliefs that was emerging among urban professionals of the new industrial North His work provides a fuller dimension to this key episode in American history

Radical Pacifists In Antebellum America Introduction

In today's digital age, the availability of Radical Pacifists In Antebellum America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Radical Pacifists In Antebellum America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Radical Pacifists In Antebellum America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Radical Pacifists In Antebellum America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Radical Pacifists In Antebellum America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Radical Pacifists In Antebellum America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Radical Pacifists In Antebellum America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Radical Pacifists In Antebellum America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Radical Pacifists In Antebellum America books and manuals for download and embark on your journey of knowledge?

FAQs About Radical Pacifists In Antebellum America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Pacifists In Antebellum America is one of the best book in our library for free trial. We provide copy of Radical Pacifists In Antebellum America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Radical Pacifists In Antebellum America. Where to download Radical Pacifists In Antebellum America online for free? Are you looking for Radical Pacifists In Antebellum America PDF? This is definitely going to save you time and cash in something you should think about.
