Radical Perspectives on Social Problems Frank Lindenfeld,1986 **Radical Perspectives on Social Problems** Frank Lindenfeld,1973 **Radical Perspectives on Social Problems; Readings in Critical Sociology** Frank Lindenfeld (Comp),1968 **Exploring Education** Alan R. Sadovnik,Peter Cookson, Jr.,Susan Semel,Ryan Coughlan,2017-10-10 This much anticipated fifth edition of Exploring Education offers an alternative to traditional foundations texts by combining a point of view analysis with primary source readings Pre and in service teachers will find a solid introduction to the foundations disciplines history philosophy politics and sociology of education and their application to educational issues including school organization and teaching curriculum and pedagogic practices education and inequality and school reform and improvement This edition features substantive updates including additions to the discussion of neo liberal educational policy recent debates about teacher diversity updated data and research and new selections of historical and contemporary readings At a time when foundations of education are marginalized in many teacher education programs and teacher education reform pushes scripted approaches to curriculum and instruction Exploring Education helps teachers to think critically about the what and why behind the most pressing issues in contemporary education **Equal Educational Opportunity 1971** ,1971 *Hearings, Reports and Prints of the Senate Select Committee on Equal Educational Opportunity* United States. Congress. Senate. Select Committee on Equal Educational Opportunity,1971 **Youth in Society** Jeremy Roche,2004-01-31 Fully revised in order to incorporate policy development this book brings together a series of readings to encourage critical reflection and thought about how young people s lives and priorities are changing and becoming more diverse The book will be of value to youth work professionals and students **Addressing Offending Behaviour** Simon Green,Elizabeth Lancaster,Simon Feasey,2013-05-13 Offending behaviour is one of the most talked about issues in contemporary society What can be done to stop people reoffending What can be done to help people escape their criminal lifestyles This book aims to review and analyse the different ways in which these questions are addressed in practice drawing upon the expertise of academics and practitioners The book provides a critical reference text for practitioners students and researchers interested in devising the most effective means of addressing offending behaviour Its focus is on the actual work undertaken with offenders and draws upon generic issues of practice applicable across the voluntary community and statutory sectors Addressing Offending Behaviour aims to bridge the gap between practice and research It explores a wide range of innovative techniques for offender intervention along with some of the most challenging academic theories It also considers the wider social political and legal context in which this work takes place and explores the values and bias which operate at both individual and institutional levels It will be key reading for both students and practitioners involved in the fields of criminology and criminal justice law policing probation prisons youth justice and social work Handbook on Teaching Social Issues Ronald W. Evans,David W. Saxe,2007-10-01 There s no book like this one for

educators interested in issues centered teaching More than 40 experts have contributed articles offering comprehensive coverage of the field of social issues education In addition to a full examination of objectives and methods contributors show how social issues can be taught as part of history geography the social sciences and global and environmental studies The challenges of assessment curriculum and effective teacher education are fully explored With its teaching ideas and useful resource section this book is an indispensable addition to your library Contributors include Shirley Engle Anna Ochoa Becker Jack Nelson Carole Hahn Byron Massialas Jeff Passe Jesus Garcia Gloria Ladson Billings Merry Merryfield Patricia Avery Sam Totten Bill Wraga Walter Parker and James Shaver *Social Problems, Law, and Society* Kathryn A. Stout, Richard A. Dello Buono, William J. Chambliss, 2004-07-14 This collection of articles presents a critical issue oriented approach to law and society emphasizing its important relationship to contemporary social problems By exploring the interstitial area between the sociology of law social problems and social movements the initial chapters trace out a theoretical trajectory which points to the need to move beyond traditional and social constructionist approaches A variety of empirical studies together explore the contradictory dynamics of class as they relate to race and gender in both a national and global context illustrating the dialectical interplay between the state and social movements Employing a wide range of perspectives so as to convey the great diversity found in the contemporary sociology of law and justice studies these authors collectively share a broad consensus concerning the need to explore how social movements and the larger political economy play a pivotal role in shaping state reactions to the challenges presented by contemporary social problems With its integrated presentation of theoretical perspectives and empirical studies this unique anthology will be useful in a variety of sociology criminology and justice studies course offerings such as Law and Society Social Problems Crime and Social Justice Social Movements Law and Social Control Social Change Law and Public Policy Introduction to Legal Studies and others Undergraduate and graduate students alike will appreciate that these articles selected for their academic rigor are highly readable and strongly oriented towards high profile social issues including those of class race and gender inequalities as well as social movement and legal struggles in community national and global settings *Neoliberalism, Nordic Welfare States and Social Work* Masoud Kamali, Jessica Jönsson, 2018-04-17 How have three decades of neoliberalism affected the Nordic welfare states as well as the organisation education and practices of social work in those countries During recent decades the welfare states of Denmark Finland Norway and Sweden have gone through dramatic changes influenced by the political triumph of neoliberalism This has led to both the electoral success of extreme right and mainstream neoliberal parties and to the neoliberal ideological transformations of social democratic parties The neoliberal doctrine of making governance cheaper has thus been made the focus of governance and has led to increased marginalisation and social problems This is the first book to comparatively explore the role of neoliberal reforms on social work and social policy across the Nordic welfare states The richly theoretical and empirical chapters explore and illustrate the consequences of the dominance of neoliberal policies and provide an

analysis of the effects of globalisation glocalisation welfare nationalism symbolic violence and forced migration The book provides valuable insights into the shortcomings of retreating welfare states in a time of increasing glocal social problems Neoliberalism Nordic Welfare States and Social Work should be considered essential reading for critical social work education Students scholars educators and researchers of Nordic countries and beyond have much to learn from this book
