## **Radical Reformission:**

Reformission Mark Driscoll, 2013-12-03 If the unchurched in the United States ever formed their own country it would be the world's eleventh most populous nation Reformission is a call to reform a flawed view of missions as something we only do in foreign lands to focus on the urgent needs in our own neighborhoods filled with diverse Americans who desperately need the Gospel of Jesus and life in his Church It calls for a movement of missionaries who seek the lost across the street as well as across the globe Many evangelical churches today are either hostile to the unbelieving world in which they live or so friendly with the surrounding culture that they have lost the unique claims of the gospel that alone have the power to change people This basic primer on the interface between gospel and culture by 1 New York Times bestselling author and pastor Mark Driscoll will help you to carefully navigate between the twin pitfalls of syncretism being so culturally irrelevant that you lose your message and sectarianism being so culturally irrelevant that you lose your mission If you're more convinced today than ever that this crazy sin sick world needs a Savior Reformission will show you how to love the Lord through the unchanging gospel and love your neighbor in our ever changing culture

**The Radical Reformission** Mark Driscoll, 2004 Reformation is the continual reforming of the mission of the church to enhance God's command to reach out to others in a way that acknowledges the unique times and locations of daily life This engaging book blends the integrity of respected theoreticians with the witty and practical insights of a pastor It calls for a movement of missionaries to seek the lost across the street as well as across the globe This basic primer on the interface between gospel and culture highlights the contrast between presentation evangelism and participation evangelism It helps Christians navigate between the twin pitfalls of syncretism being so culturally irrelevant that you lose your message and sectarianism being so culturally irrelevant that you lose your mission Included are interviews with those who have crossed cultural barriers such as a television producer exotic dancer tattoo studio owner and band manager The appendix represents eight portals into the future population family health medicine creating learning sexuality and religion Mark Driscoll was recently featured on the ABC special The Changing of Worship

**Confessions of a Reformission Rev.** Mark Driscoll, 2009-05-26 This is the story of the birth and growth of Seattle's innovative Mars Hill Church one of America's fastest growing churches located in one of America's toughest mission fields It's also the story of the growth of a pastor the mistakes he's made along the way and God's grace and work in spite of those mistakes Mark Driscoll's emerging missional church took a rocky road from its start in a hot upstairs youth room with gold shag carpet to its current weekly attendance of thousands With engaging humor humility and candor Driscoll shares the failures frustrations and just plain messiness of trying to build a church that is faithful to the gospel of Christ in a highly post Christian culture In the telling he's not afraid to skewer some sacred cows of traditional contemporary and emerging churches Each chapter discusses not only the hard lessons learned but also the principles and practices that worked and that can inform your church's ministry no matter its present size The book includes discussion questions and appendix resources

After reading a book like this you can never go back to being an inwardly focused church without a mission Even if you disagree with Mark about some of the things he says you cannot help but be convicted to the inner core about what it means to have a heart for those who don't know Jesus Dan Kimball author *The Emerging Church* will make you laugh cry and get mad school you shape you and mold you into the right kind of priorities to lead the church in today's messy world Robert Webber Northern Seminary

**Gospel and Culture: Finding Ways To Engage The Culture With God's Enduring Message of Hope** Michael Gunn, 2018-11-18 How has the culture affected the gospel of Jesus Christ and how has that affected the witness of the church in the 21st century This book intends to address those questions and then work toward a healthy correction to recapture the truth of the gospel and the glory of God and help people engage the culture instead of separating from it

Subterranean Dan White, 2015-08-24 The landscape of Christian spirituality in the West is no longer lush with green grass and wild flowers blooming Instead across the country we find dry terrain where churches no longer can expect interested seekers yet most of our solutions for addressing this predicament link to anxiety around our performance and personality Rather than going back to the boardroom to cook up new techniques for a trendier church let's ask more meaningfully rooted questions Do we know how to be present in our neighborhoods Do we know how to be present in community Do we know how to be present to the in-breaking kingdom of God There is a growing groundswell discovering that we have become uprooted and detached from each other in the way we express being the church We need a subterranean movement that plunges below the surface into a way of being the people of God that carries an unwavering incarnational creed Dan White Jr uses crisp criticism narrative theology and tangible practices to uncover a hopeful pathway for being radically rooted in God's world

*By the Waters of Babylon* Scott Aniol, 2019-03-21 A guide to biblically shaped worship which has the greatest missional impact in a post-Christian culture *By the Waters of Babylon* examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance Imagine how the Hebrews felt during their years of captivity in Babylon How could they sing the songs they once sang in the splendor of Jerusalem now that they sat in exile Christian worship in the West faces many of the same challenges as this tragic account of Israel's captivity By all accounts Christendom is dead and unbiblical beliefs have progressively permeated Western thought expectations and culture So how should churches respond to this seismic shift in their relationship with an increasingly post-Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ *By the Waters of Babylon* will help Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness especially in the context of an increasingly hostile culture The author demonstrates that biblically regulated gospel-shaped corporate worship that communicates God's truth through appropriate cultural forms will have the most missional impact in a post-Christian context

**Word and Power** Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this

exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today *Baptists and the Emerging Church Movement* David Mark Rathel,2014-07-24 In *Baptists and the Emerging Church Movement* David Rathel examines the major ecclesiological proposals of the emerging church movement Though many theologians argue that the emerging church movement emphasizes epistemology Rathel contends that its primary concern is ecclesiology Emerging church leaders offer a number of important ecclesiological proposals including restructuring traditional church leadership models to accommodate the rise of postmodernity changing the mission of the church so that the church may strike a more missional tone in contemporary culture removing the categories of in or out within the church body and adopting the multi site church model In assessing these proposals Rathel draws upon historic Baptist convictions about the nature of the church using Baptists ecclesiological distinctives and long history of ecclesiological thought as a helpful reference point This book will not only serve as a guide for those who wish to learn of emerging church ecclesiology it will also be an aid to Baptists who wish to evaluate recent trends in ecclesiology in light of their denominational distinctives **Momentum for Life, Revised Edition** Michael Slaughter, Mike Slaughter,2008 Every follower of Christ needs to find the self management practices that create momentum for life as spelled out in the acronym D R I V E Devotion to God Readiness for Lifelong Learning Investing in Key Relationships Visioning for the Future and Eating and Exercise Self leadership precedes strategic leadership Church Life **Death by Church** Mike Erre,2009-01-01 Examining how materialism and consumerism have made their way into the church a teaching pastor and author of *Jesus of Suburbia* reveals how Christians can more effectively demonstrate Christ s presence and how the church can cooperate with Jesus in the world in which they live Original Young, Restless, Reformed Collin Hansen,2008-03-17 From places like John Piper s den Al Mohler s office and Jonathan Edwards s college Christianity Today journalist Collin Hansen investigates what makes today s young Calvinists tick Church growth strategies and charismatic worship have fueled the bulk of evangelical growth in America for decades While baby boomers have flocked to churches that did not look or sound like church it seems these churches do not so broadly capture the passions of today s twenty something evangelicals In fact a desire for transcendence and tradition among young evangelicals has contributed to a Reformed resurgence For nearly two years Christianity Today journalist Collin Hansen visited the chief schools churches

and conferences of this growing movement He sought to describe its members and ask its leading pastors and theologians about the causes and implications of the Calvinist resurgence The result Young Restless Reformed shows common threads in their diverse testimonies and suggests what tomorrow s church might look like when these young evangelicals become pastors or professors      *Missional Spirituality* Roger Helland, Leonard Hjalmarson, 2012-01-20 If all of the earth is God s domain why are Christians so terribly provincial We rarely leave our church buildings and our spirituality rarely takes us beyond ourselves Veteran church leaders Roger Helland and Leonard Hjalmarson observe that Jesus begins his mission in the temple where he wows the religious elite and chides his parents by saying Didn t you know I had to be in my Father s house But Jesus doesn t stay in the temple indeed in Christ the temple of the Lord is on the move even to the ends of the earth In this book the authors helpfully reconnect spirituality and mission showing you how the spiritual life when lived properly follows a similar progression we come home to Christ loving him from our heart and soul and mind and strength And then we set forth to love our neighbors as ourself Discover how through this process you can reclaim the whole of God s kingdom for his glory and the fulfillment of your heart s longing      *The Leadership Secrets of Billy Graham* Harold Myra, Marshall Shelley, 2010-06-16 A behind the scenes analysis of 21 essential leadership principles from the life of Billy Graham Billy Graham looms large as one of the twentieth century s most influential and innovative leaders Most people are unaware of his remarkable effectiveness as not only preacher and pastor but as a CEO and a global leader as well The Leadership Secrets of Billy Graham is full of transferable applications for leaders in the church parachurch academia government and business Lively interviews with his closest associates illustrate 21 principles that have driven six decades of visionary impact First hand accounts reveal stories of courageous leadership and growth through painful lessons Graham s relentless application of core beliefs and leadership principles have resulted in among many honors being listed in Gallup s ten most admired men thirty times more than anyone else Time magazine named him one of the top ten leaders of the twentieth century This book asks How did this happen What are the essentials he embraced to achieve such extraordinary results What can we learn from him and apply to our own leadership roles This book is dedicated to those readers who sense the pressing need in today s world for inspired leadership who rise to leadership s high calling and are willing to carry its weight who are determined to deepen and expand their capacities and effectiveness      *The Admiral Gift, Vol 1* Bertril A. **Transforming Mission Theology** Charles Van Engen,2017-10-01 Missiology Permeated with Theological Reflection This volume is the culmination of Van Engen s teachings but takes us to an even deeper level Since mission is first and foremost God s mission theological reflection must be permeated by missiological understanding and our missiology must be permeated with theological reflection Mission theology is an activity of the Church of Jesus Christ seeking to understand more deeply why how when where and wherefore the followers of Jesus may participate in God s mission in God s world

**Unreached** Tim Chester,2012-12-17 Think of the thriving evangelical churches in your area Chances are they will be in the nice areas of town and their leaders will be middle class Tim Chester once attended a lecture where the speaker showed a map of Sheffield The council wards were coloured different shades according to social indicators educational achievement household income benefit recipients social housing criminal activity and so on Slide after slide showed that the east side of the city was the needy socially deprived half compared to the more prosperous west Where are the churches Counting all the various tribes of evangelicalism the large churches are on the west side The working class and deprived areas of our cities are not being reached with the gospel There are many exciting exceptions but the pattern is clear According to Mez McConnell from Niddrie Community Church in Edinburgh of the fifty worst housing schemes in Scotland half have no church and most of the others only have a dying church Very few have an evangelical witness This book is about reaching deprived urban working class areas often estates or schemes It offers us the combined experience of the Reaching the Unreached working group an informal network of Christian leaders from different parts of the UK This book doesn t claim to be the final word But it presents us with a vision of what can be done We pray that it will capture imaginations and start a vital process in our hearts
