## **Radley Curse:**

The Radley Curse Aileen Armitage, 1975      Lovers and Beloveds Gary Richards, 2007-05-01 A challenge to traditional criticism this engaging study demonstrates that issues of sexuality and same sex desire in particular were of central importance in the literary production of the Southern Renaissance Especially during the end of that period approximately the 1940s and 1950s the national literary establishment tacitly designated the South as an allowable setting for fictionalized deviancy thus permitting southern writers tremendous freedom to explore sexual otherness In *Lovers and Beloveds* Gary Richards draws on contemporary theories of sexuality in reading the fiction of six writers of the era who accepted that potentially pejorative characterization as an opportunity Truman Capote William Goyen Harper Lee Carson McCullers Lillian Smith and Richard Wright Richards skillfully juxtaposes forgotten texts by those writers with canonical works to identify the complex narratives of same sex desire In their novels and stories the authors consistently reimagine gender roles centralize homoeroticism and probe its relationship with class race biological sex and southern identity This is the first book to assess the significance of same sex desire in a broad range of southern texts making a crucial contribution to the study of both literature and sexuality      All The Devils Are Here Michael Saad, 2016-09-01 *All The Devils Are Here* By Michael Saad At the age of 10 Mom gave me a puff of weed and Dad started cooking meth in the basement Mom was always high I thought all families were like that But when the local gang broke into our home threatening everyone's life I knew something was wrong with my family Diane and Doug Trillamede fostered me at 14 supplying a supportive and loving home The curse of drugs and all the devils threatening my life seemed to be gone But they crept back And now my brother and his family need help before the devils consume them From the author of *White Army Stand* and *The Terrors of the Earth* comes a story about the bonds of family even if they are forged in chaos      Miss Radley's Third Dare Heather Boyd, 2015-08-04 The only person who ever understood what Julia Radley wanted most in life was the man who ruined her reputation and secured her victory in a bold swimming race She does not hold Valentine Merton accountable for the harsh criticisms made against her character until he suggests the only way to smooth over the scandal of his defeat is to wed as soon as possible After picking himself up after proposing Valentine Merton is even more determined to tame the wild girl next door The future he wants within the clockmaker's guild depends on their speedy marriage A few sweet words or as a last resort another brazen dare is sure to persuade her to take a chance on him and his family *Miss Radley's Third Dare* is book three in the *Miss Mayhem* series Length Novella approx 41 000 words Sensuality Level This is a steamy romance *Miss Mayhem* series Book 1 *Miss Watson's First Scandal* Book 2 *Miss George's Second Chance* Book 3 *Miss Radley's Third Dare* Book 4 *Miss Merton's Last Hope*

**The Masculine Self in Late Medieval England** Derek G. Neal,2009-05-15 What did it mean to be a man in medieval England Most would answer this question by alluding to the power and status men enjoyed in a patriarchal society or they might refer to iconic images of chivalrous knights While these popular ideas do have their roots in the history of the aristocracy the experience of ordinary men was far more complicated Marshalling a wide array of colorful evidence including legal records letters medical sources and the literature of the period Derek G Neal here plumbs the social and cultural significance of masculinity during the generations born between the Black Death and the Protestant Reformation He discovers that social relations between men founded on the ideals of honesty and self restraint were at least as important as their domination and control of women in defining their identities By carefully exploring the social physical and psychological aspects of masculinity *The Masculine Self in Late Medieval England* offers a uniquely comprehensive account of the exterior and interior lives of medieval men
