Rain Player:

Rain Player ,1995-09 To bring rain to his thirsty village Pik challenges the rain god to a game of pok a tok *Rain Player* David Wisniewski,1991-01 U. S. A. Paul Shyre,John Dos Passos,1960 Dramatised from sections of John Dos Passos U S A trilogy A kaleidoscopic cross section of representative forms of American life from the turn of the century until the depression years **The Play Versus Story Divide in Game Studies** Matthew Wilhelm Kapell,2015-11-16 Since the emergence of digital game studies a number of debates have engaged scholars The debate between ludic play and narrative story paradigms remains the one that famously never happened This collection of new essays critically frames that debate and urges game scholars to consider it central to the field The essayists examine various digital games assessing the applicability of play versus narrative approaches or considering the failure of each The essays reflect the broader history while applying notions of play and story to recent games in an attempt to propel serious analysis After The Rain: The Roleplaying Game Kyle Ott,2022-08-31 What do you want most What would you lose to get it Those are the questions you will have to answer while playing After the Rain a one shot roleplaying game for 3 6 players After the Rain casts you and your friends as desperate individuals bound together in pursuit of a shared goal Standing in your way is The Rain The longer you are exposed to The Rain the more you will lose your memories experiences and the things that make you who you are As the game progresses you ll be forced to change Will you crumble without your past experiences or adapt to the loss of your memories and embrace the new person you must become With only four six sided dice per player pencils and your wits will you be left standing After the Rain After The Rain is played over 3 Acts each with a different twist that encourages character growth into what The Rain is leaving behind To play you and your friends will need to create a setting that varies as wildly as your imagination ranging from a medieval village during the black plague to an office building where people audit the gods Next you must establish the goal This is what drives your characters and brings them together It s the thing they want the most and could be anything from getting a briefcase full of money to taking out a powerful rival Then you ll need to make your Facets These are the three defining traits of your character This could be as simple as a desire for revenge or as deep as trying to save someone you once loved Finally you ll decide on a past connection with another player at the table to help eliminate any We meet in a Tavern situations and to help get you started right in the midst of The Rain Be careful As the game continues and the players are exposed to The Rain these Facets will start to wash away and they will lose their memories and experiences as the game goes on **As If The Earth Matters, Recommitting to Environmental Education** Thom Henley ,Kenny Peavy,2015-02-10 Whether you are a veteran of environmental education or new to taking students outdoors this book will help you organize positive experiences in Nature for your students friends children and colleagues In these pages you will find ideas designed to arouse your passion for learning and ignite a flame of excitement By using the activities described here and adapting them to suit your needs and your local environment you will discover Nature

s intricate beauty and subtle mysteries that usually go unnoticed You will also gain valuable insight into the limitations of classroom instruction and come to realize that a complete and whole education includes getting outside and experiencing the natural world first hand As If the Earth Matters is a beautiful collection From role plays and kinesthetic activities to art music and listening adventures each is described completely enough to be repeated The authors have authentic international experience with children giving a world class flavor to the book Teachers who are designing curricula will love the book But it will be even more valuable for those planning spring or summer outdoor education experiences where it is an essential National Science Teachers Association NSTA Recommends by Juliana Texley NSTA Web Field Editor The book is incredible a must for every environmental educator Nice Job lot s of great activities nice diversity good outlines and concepts I went through it carefully and particularly like the attention to concepts Lawrence A Wilson PhD Ecologist Fernbank Science Center Atlanta Georgia USA

Death by Cannibal Peter Davidson, 2015-02-03 Peter Davidson the author of *Homicide Miami* the true crime story that inspired the

film *Pain and Gain* compiles the true stories of some of America's most notorious cannibal murderers. They violated one of civilized society's most sacred taboos and they're anathema even in the twisted world of serial murder. Most frighteningly, the cannibal killer hides behind a mask of normalcy as documented in the vivid profiles of American murderers who ate their victims. Drawn from revealing interviews with family members, authorities, and the killers themselves, *Death by Cannibal* exposes the secrets behind the most fiendish compulsion of them all: Gary Heidnik, the financial wizard whose Philadelphia home was a dungeon of sexual slavery, torture, and diabolical feasts; Albert Fentress, a mild-mannered schoolteacher who lured a teenage boy into the inescapable darkness of his secret obsessions; John Weber, a country boy who found an outlet for his sick fantasies when he ate his teenage sister-in-law for dinner; Nathaniel Bar Jonah, a gourmand and aspiring chef who allegedly shared the remains of his prey with unsuspecting friends; Marc Sappington, a high school dropout who aimed to outdo his idol Jeffrey Dahmer by embarking on a three-day feeding frenzy. But where does gruesome desire end and true crime begin? The book includes new details on the unprecedented case of Cannibal Cop Gilberto Valle, the former NYPD officer who used online forums to describe his fantasies of kidnapping up to a hundred women and of eating girl meat. Includes photographs.

Foundations of Decision-making Agents Subrata Kumar Das, 2008. This self-contained book provides three fundamental and generic approaches: logical, probabilistic, and modal, to representing and reasoning with agent epistemic states specifically in the context of decision making. Each of these approaches can be applied to the construction of intelligent software agents for making decisions, thereby creating computational foundations for decision-making agents. In addition, the book introduces a formal integration of the three approaches into a single unified approach that combines the advantages of all the approaches. Finally, the symbolic argumentation approach to decision making developed in this book, combining logic and probability, offers several advantages over the traditional approach to decision making, which is based on simple rule-based expert systems or expected utility theory.

A to Zoo Rebecca L. Thomas, 2018-06-21. Whether used for thematic story times, program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze.
