developed world in The Emissary Mission Statement is the story of a development agency official's idealism, the ghosts of colonial history and a love affair with a government official that ends astoundingly. The Generation Gap turns the gap upside down when a father's bid for freedom shocks his adult children. In Homage, one of Europe's aliens visits the grave of the politician he was paid to assassinate. In Karma, Gordimer's inventiveness knows no bounds in five returns to the earthly life, taking on different ages and genders.
