Raagas of Love Raagas of Love,2025-07-18 Raagas of Love is a poetic journey through the many shades of love deep quiet fierce and transformative Inspired by the evocative moods of Indian raagas each poem tells us a story of love longing loss and renewal the courage it takes to love deeply and fearlessly and to surrender to that life altering experience With a voice that is both lyrical and minimalist evoking emotions that linger long after the last page Raagas of Love is an invitation to feel remember and choose to begin again Journalling pages after each section transform the reading experience from a monologue into a reflective conversation If even one poem stirs a forgotten memory or makes you feel a little less alone then this book has found its way home Welcome back Perhaps we ve met in another life *Odyssey of Love* Geeta Bhandari,2016-09-23 This book is my second attempt to celebrate the pastiche of finest human emotion that is love I must admit that it is very tedious for people to get the story of their life right because it is so subtle and complex The paradisaical innocence and guilelessness of the cosmos and the power and glory of relationships have their own illusions and disillusionment but they are the way of our life all true and real wherein love comes as a magic wand setting aside regret reproach and grief Life goes on and is frequented with unknown minds Emotions enter sometimes confronted with compassion and pity making us vulnerable And one is forced to say If thy unworthiness raised love in me More worthy I to be beloved of thee William Shakespeare What emerges from all this is remarkable indeed unique Love is a healer and this is vehemently expressed by one and all Love is a real mystery which made Keats cry O for a life of sensations Rather than of thoughts The impetus for writing this book sprang from my growing realization that love is the only hope in this pernicious and deleterious world of today Some may find love gibberish panoply of emotions or a clap trap bringing butterflies and

jingles in the heart but it certainly ennobles man Looking on what I have done with my life today I believe I have probably raised a premeditated exaltation to the perennial cause of joy something which has made me feel humble as and when it possessed and overpowered me The poetess speaks of love wondrous love and looks upon spring as the divine manifestation and is an eternal naysayer to pessimism The war of emotions that the human heart is persistently engaged in and the gutless modern men lacking in passion and compassion reinforce her faith and hope for the second world Amen T S Anand editor Literary Voice Odyssey of Love is a pious and secular peregrination goaded by the disquieting magnetism and charisma of love Dr B L Chakoo professor emeritus *The Golden Rule and Odd-fellows Family Companion* ,1847 **Catalog of Copyright Entries** Library of Congress. Copyright Office,1907 **Poems** Fritz (pseud.),1861 SHADES OF LOVE ADYASHA PRIYADARSHINI, This book is a collection of writings in English and Hindi by 74 co authors All the writings of the book are based on love and Magic This book is published to share the thoughts of Writers Here the compiler and the co authors have made an attempt to raise awareness with their pens Hope you all will like and appreciate their efforts
