

God makes RAINBOWS

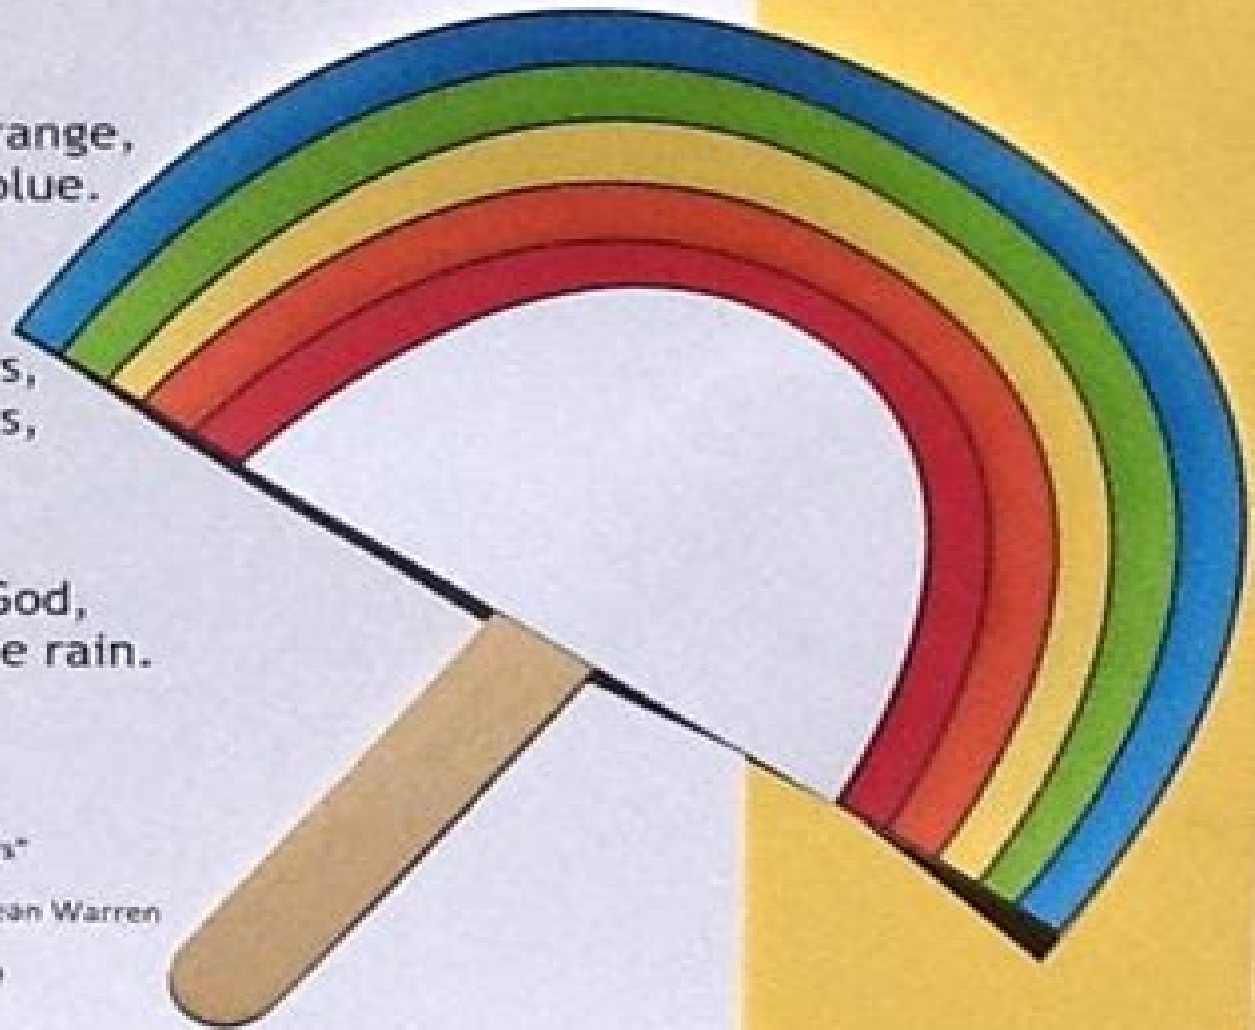

Tune: "Frere Jacques"

God makes rainbows,
God makes rainbows,
Way up high
In the sky.

They are red and orange,
Yellow, green and blue.
Purple, too.
What a view!

God makes rainbows,
God makes rainbows,
Way up high
In the sky.

They are made by God,
Shinning through the rain.
What a view
In skies so blue!

ways of thinking about the place of art play and aesthetics in the lives and education of young children Enlivened by narratives and illustrations 16 authors offer perspectives on the lived experience of being a child and discovering the excitement of making meaning and form in the process of art play and aesthetic inquiry *The Great American Songbook* Steven Suskin,2023-04-01 In an age of ubiquitous music and countless new songs releasing every minute the Great American Songbook endures After all the Songbook that sprawling canon of popular songs standards and show tunes from roughly the 1920s through the 1950s is a foundational text of American pop music Rare indeed is the song that doesn't in some way draw on this magnificent corpus and rare is the person who hasn't heard at least a few of its most enduring melodies Nonetheless the Songbook is broader and deeper than most listeners can imagine and on the margins the question of whether this or that song should be included is the source of regular arguments among scholars and buffs alike Attempting to plumb its depths can be a daunting prospect Enter Steven Suskin who has been writing about music since the days that Rodgers Arlen and Berlin still roamed the streets of Manhattan In this carefully curated and cheerfully opinionated guidebook Suskin surveys 201 of the most significant selections from the Songbook ranging from celebrated masterpieces to forgotten gems Year by year he puts songwriters and their contributions in their context and explains what makes each song such a distinctive treat whether felicitous melody colorful harmony compositional originality or merely the sheer irreducible joy of listening to it Old and new favorites await all readers of this painstakingly compiled enthusiastically written catalog **Jim Henson and Philosophy** Timothy Dale,Joseph Foy,2015-07-15 Jim Henson's creations have inspired generations with characters that are among the world's most recognizable cultural icons From Kermit the Frog Miss Piggy and their Muppet friends to the legendary Sesame Street and Children's Television Workshop Henson revolutionized children's educational entertainment Combining live action and puppeteering into fantastical narratives like *The Dark Crystal* and *Labyrinth* as well as the whimsical *Fraggle Rock* and *The Storyteller* Henson transformed imagination into reality weaving together powerful philosophical messages on identity community diversity love death and friendship Henson never shied away from exploring deep questions nor did he underestimate the ability of children or adults to grapple with profound philosophical questions *Jim Henson and Philosophy* explores the entertaining and educational world of the genius's creations revealing what it is about Henson's world that has touched us so deeply and improved our lives in such meaningful ways Contributions by Lauren Ashwell Kimberly Baltzer Jaray David R Burns Samantha Brennan Amanda Cawston Brooke Covington Christopher M Culp Ryan Cox Natalie M Fletcher Victoria Hubbell Dena Hurst Christopher Ketcham S Evan Kreider Shaun Leonard Jennifer Marra Michael J Muniz Laurel Ralston Rhona Trauvitch and Sheryl Tuttle Ross Forever 13 David Contreras,2023-09-05 *Forever 13* is the true story of a married couple's ongoing journey of grief for their thirteen year old son as told through the eyes of the husband and father Covering an eleven year period of time from the moment of their son's death to the present the author shares the emotional physical and social struggles they have encountered alongside their grief throughout the

years since their son's passing. In sharing their grief they reveal how it has affected them as individuals as a couple as parents and the relationships with their family friends and with fellow grieving parents. As the passing of their son forces them to come to terms with their new normal their lives continue to move forward as does their grief journey. Through the years they are confronted with many of life's struggles and challenges many of which allow them to find eventual acceptance in living with the never-ending emotions for the son they will always grieve for. By relying on each other their family friends and most importantly on their faith they find comfort and peace by leaning heavily on the Lord and trusting in the plans and purpose he has set for them. Not lost on the author is the reality that many of the experiences shared in this story have also been experienced by other grieving parents. Though not intended to be a "How to get through grief" story if for no other reason this story allows other grieving parents and those who love them to know that they are not alone.

Mapping New Terrain in Queer Religious Scholarship Bernard S. Schlager, 2025-03-18 Mapping New Terrain in Queer Religious Scholarship builds upon the work and legacy of Professor John Boswell bringing together contributions that were delivered at the annual CLGS Boswell Lecture Series at Pacific School of Religion USA. Boswell is lauded as a major scholar in gender and sexuality studies and is recognized as an early advocate for the full inclusion of LGBTQ people in faith communities. Drawing inspiration from Boswell's ground-breaking book Christianity, Social Tolerance and Homosexuality (1980) the chapters address a variety of relevant topics in theology, scripture, queer studies, ethics and social justice. Boswell's legacy of scholarly excellence and his prophetic activism continue to live on in the writings of these noted academics, religious leaders and activists. The book will be of particular interest to scholars working in the fields of gender and sexuality studies, religious studies and the history of Christianity.
