Rainmaker A Passion For Politics:

The Rainmaker Keith Davey, 1988-01-01 **Protecting Canadian Democracy** Canadian Centre for Management Development, 2003 This first in depth analysis of Canada's Senate in 40 years *Elusive Destiny* Paul Litt, 2011-10-21 Going my way asked John Turner's campaign brochure in 1962 my way is the Liberal way It was that is until Pierre Trudeau came to power Turner was his party's star apprentice in the Liberal art of managing a heterogeneous nation through brokerage politics but in the 1968 election Canadians opted instead for a newly minted celebrity leader for a re imagined nation A political biography extraordinaire *Elusive Destiny* reveals the inner workings of the Liberal Party in its heyday as charted through the meteoric rise and fall of John Napier Turner It highlights Turner's vision for the country and tallies the political price he paid when he deviated from the Trudeau legacy on matters such as language rights social spending and Quebec It also provides a new perspective on federal politics from the 1960s through the 1980s while giving John Turner his rightful place in Canadian history **Sorry, I Don't Speak French** Graham Fraser, 2009-02-24 As the threat of another Quebec referendum on independence looms this book becomes important for every Canadian especially as language remains both a barrier and a bridge in our divided country Canada's language policy is the only connection between two largely unilingual societies English speaking Canada and French speaking Quebec The country's success in staying together depends on making it work How well is it working Graham Fraser an English speaking Canadian who became bilingual decided to take a clear eyed look at the situation The results are startling a blend of good news and bad The Official Languages Act was passed with the support of every party in the House way back in 1969 yet Canada's language policy is still a controversial red hot topic jobs ideals and ultimately the country are at stake And the myth that the whole thing was always a plot to get francophones top jobs continues to live Graham Fraser looks at the intentions the hopes the fears the record the myths and the unexpected reality of a country that is still grappling with the language challenge that has shaped its history He finds a paradox after letting Quebec lawyers run the country for three decades Canadians keep hoping the next generation will be bilingual but forty years after learning that the country faced a language crisis Canada's universities still treat French as a foreign language He describes the impact of language on politics and government not to mention social life in Montreal and Ottawa in a hard hitting book that will be discussed everywhere including the headlines in both languages *Rise to Greatness, Volume 1: Colony (1000-1867)* Conrad Black, 2017-03-07 Masterful ambitious and groundbreaking this is a major new history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a revealing groundbreaking account of the people and events that shaped a nation The first of three volumes spanning from the year 1000 to 1867 and beginning with Canada's first inhabitants and the early explorers this masterful history challenges our perception of our history and Canada's role in the world taking on sweeping themes and vividly recounting the story of Canada's development from colony

to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today **Rise to Greatness, Volume 3: Realm (1949-2017)** Conrad Black, 2017-05-05 Colourful comprehensive and masterfully written this is the third and final volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a vivid revelatory account of the people and events that shaped a nation The final of three volumes spanning from the year 1949 to 2014 this compelling history challenges our perception of our Canada's role in the world taking on sweeping themes and recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today **Pearson** Norman Hillmer, 1999-07-08 In this collection of essays marking the centenary of Pearson's birth eighteen leading academics journalists public servants and politicians recreate and reassess Pearson's premiership from 1963 to 1968 Robert Bothwell Toronto introduces Pearson the man and Denis Stairs Dalhousie presents his political ideas Governor General award winning author and journalist Christina McCall and J L Granatstein Canadian Institute of International Affairs compare Pearson and his nemesis John Diefenbaker Stephen Azzi House of Commons and Greg Donaghy Department of Foreign Affairs write respectively about the prime minister's relations with Walter Gordon and Paul Martin Sr Tom Kent Queen's and Penny Bryden Mount Allison discuss the Pearson welfare state while Claude Ryan editor of *Le Devoir* in the 1960s and Michael Behiels Ottawa debate national unity Patrick Brennan Calgary looks at the media Monique Babin Ottawa Andrew Cohen Globe and Mail Blair Neatby Carleton and former public servants Ross Campbell Al Johnson Geoffrey Pearson and Gordon Robertson gauge the scope of Pearson's legacy The collection also includes an introduction by the editor and a foreword by Prime Minister Jean Chrétien **Do Conventions Matter?** John C. Courtney, 1995-09-14 *Do Conventions Matter* provides a complete overview of national party conventions in Canada from 1919 when the first convention was held to 1993 including the selection of Stanfield Trudeau Broadbent Clark Mulroney Turner McLaughlin Chrétien Campbell and Manning Courtney compares leadership selection practices in Canada with those in the United States Britain and Australia and shows that Canadian conventions remain a distinctive means of choosing party leaders Focusing on modern developments in the convention process Courtney highlights changes in representation over the last thirty years addresses criticisms about costs and delegate selection practices and examines the role of the media He concludes with an examination of the future of conventions in the context of Canadian democracy given sky rocketing costs the movement to reform political parties and the

push towards a universal membership vote He argues convincingly that the objectives of greater representation and greater democracy explain both the emergence of conventions to choose the leaders of federal parties and their possible demise in the near future

The Worldly Years John English, 2011-09-14 His life changed that of his nation John English illuminates the years of Lester Pearson's greatest eminence and vividly explores his life and times His period as prime minister was to prove one of the most decisive in our history and his policies helped shape Canada's foremost international statesman The Lester Pearson who emerges from the account of these momentous years from the Korean War through the tumultuous sixties to his death in 1972 is a complex paradoxical figure A man uneasy with ambition who shunned the flamboyance of his arch rival Diefenbaker Pearson nevertheless competed for the most glittering prize in Canadian political life World recognition brought him the Nobel Peace Prize yet in his battle to maintain independence for his country he deliberately incurred the wrath of its powerful traditional allies particularly Lyndon Johnson whom he heartily disliked He was oddly unprepared personally to take on Canada's highest political office and led the Liberal Party to the worst defeat in its history yet went on to sponsor astonishing far reaching changes in Canadian society bilingualism biculturalism medicare modern Canadian nationalism and co operative federalism all innovations of the Pearson years And while he has been called our greatest prime minister other see him as the leader of a government that created many of Canada's discontents and crises and scandals that swirled about him Most paradoxically of all perhaps this unassuming man became a national icon winning a lasting place in the hearts and minds of a generation of Canadians In this second volume of his award winning biography John English has had remarkable access to Pearson's personal and political papers drawing on the letters and diaries and private papers of a host of his contemporaries and on personal interviews with his family and friends rivals and foes alike The result is a compellingly readable a richly detailed portrait of Canada and of a remarkable Canadian whose impact was immense

Rise to Greatness, Volume 2: Dominion (1867-1949) Conrad Black, 2017-04-04 Sweeping ambitious and revelatory this is the second volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a masterful groundbreaking account of the people and events that shaped a nation The second of three volumes spanning from the year 1867 1949 this compelling history challenges our perception of our history and Canada's role in the world taking on sweeping themes and vividly recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today

Rise to Greatness Conrad Black, 2014-11-11 Masterful ambitious and groundbreaking this is a major new history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed

biographer and historian Conrad Black comes the definitive history of Canada a revealing groundbreaking account of the people and events that shaped a nation Spanning 874 to 2014 and beginning from Canada's first inhabitants and the early explorers this masterful history challenges our perception of our history and Canada's role in the world From Champlain to Carleton Baldwin and Lafontaine to MacDonald Laurier and King Canada's role in peace and war to Quebec's quest for autonomy Black takes on sweeping themes and vividly recounts the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today

Just Watch Me John English, 2010-09-07 This magnificent second volume written with exclusive access to Trudeau's private papers and letters completes what the Globe and Mail called the most illuminating Trudeau portrait yet written sweeping us from sixties Trudeaumania to his final days when he debated his faith His life is one of Canada's most engrossing stories John English reveals how for Trudeau style was as important as substance and how the controversial public figure intertwined with the charismatic private man and committed father He traces Trudeau's deep friendships with women especially many of them talented artists like Barbra Streisand and bitter enmities his marriage and family tragedy He illuminates his strengths and weaknesses from Trudeaumania to political disenchantment from his electrifying response to the kidnappings during the October Crisis to his all important patriation of the Canadian Constitution and his evolution to influential elder statesman

Canadian History: Confederation to the present Martin Brook Taylor, Doug Owram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover

Revitalizing Liberal Values in a Globalizing World Ruud Lubbers, 2000-12-15 The longest serving Dutch Prime Minister 1982-94 Professor Lubbers is known for his support of liberal values social equity human rights democratic governments and spirituality In this book he explores ways to conciliate these values with global economization Dr Lubbers argues that the global economy created by new information technologies has led to a competitive world atmosphere that works against social equity local movements and national interests In this context he urges that steps be taken to ensure that the new era evolves in the interests of justice peace and fairness Such steps may include combining the governance of nation states providing development assistance supporting initiatives in legislation and jurisprudence such as an international criminal court and initiating a global dialogue on values For Dr Lubbers liberal values mean a just sustainable and participatory society This volume presents the third in a series of lectures that offer reflections by well known figures on topical liberal oriented themes This particular lecture has the distinction of never having been delivered since Toronto was in the midst of a crippling snowstorm on the afternoon of 14 January 1999 when Lubbers was scheduled to speak at Victoria University The two earlier

volumes in the series present lectures by John Kenneth Galbraith and Michael Ignatieff **The War Room** Warren Kinsella, 2007-10-04 Using personal anecdotes practical wisdom historical examples and humour Kinsella reveals what it takes to survive challenges not just in politics but in any kind of business **Political Elites in Canada** Alex Marland, Thierry Giasson, Andrea Lawlor, 2018-09-01 Political Elites in Canada offers a timely look at Canadian politics and how power brokers are adapting to a fast paced digital media environment Elite power structures are changing worldwide and the rise and fall of political influencers permeates national headlines In many areas traditional elites are losing authority over prevailing social economic and political structures Communication between and among elites and citizens is having dramatic implications for political institutions and governance This volume explores the changing landscape of power brokers the ascent of new elites and how these groups are using digital communication to connect with Canadians in unprecedented ways Featuring empirical studies of governmental decision makers in the public service such as political staff and public servants premiers and judges and non governmental influence brokers such as social media commentators and non profit organizations this collection is a much needed synthesis of elite politics in Canada **Inside the Campaign** Alex Marland, Thierry Giasson, 2020-05-01 Political leaders are the public face of a party during an election campaign But what type of work is conducted behind the scenes by lesser known party members attempting to propel their leaders to victory at the federal level in Canada Inside the Campaign is a behind the scenes look at the people involved in an election campaign and the work they do Each chapter reveals how campaign staffers as well as by those covering and organizing election related events perform their duties and overcome obstacles during the heat of a campaign to get their respective leaders elected Practitioners and political scientists collaborate to present real world insights that demystify over a dozen occupations including campaign chairs fundraisers advertisers platform designers communication personnel election administrators political staff journalists and pollsters Inside the Campaign provides an inside look at and unparalleled understanding of the nuts and bolts of running a federal campaign in Canada *International Relations and the Problem of Time* Andrew R. Hom, 2020 This book develops a novel approach to the issue of time s widespread but poorly understood influence on the study of international politics **Dynasties and Interludes** Lawrence LeDuc, Jon H. Pammatt, 2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada including minority governments dynasties and social movements Dynasties and Interludes provides a comprehensive and unique overview of elections and voting in Canada from Confederation to the most recent election Its principal argument is that the Canadian political landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty Big Tent Politics R. Kenneth Carty, 2015-09-01 The Liberal Party of Canada is one of the

most successful parties in the democratic world It dominated Canadian politics for a century practising an inclusive style of big tent politics that allowed it to fend off opponents on both the left and right How did it do this What kind of party organization did it build over the decades to manage its remarkable string of election victories This book traces the record of the party over the twentieth century revealing the cyclical character of its success and charting its capacity to respond to change It also unwraps Liberal practices and organization to reveal the party s distinctive brokerage approach to politics as well as a franchise style structure that tied local grassroots supporters to the national leadership R Kenneth Carty provides a masterful analysis of how one party came to lead the nation s public life In a country riven by difference the Liberals enduring political success was an extraordinary feat But as Carty reflects given the party s not so distant travails even with an election win will it be able to reinvent itself for the twenty first century

As recognized, adventure as competently as experience approximately lesson, amusement, as well as covenant can be gotten by just checking out a book **Rainmaker A Passion For Politics** moreover it is not directly done, you could undertake even more a propos this life, on the subject of the world.
