Raise The Dead:

Faith to Raise the Dead Michael C. King, 2017-04-09 When Jesus walked the earth he taught his disciples many things but he only commanded them to do a few Heal the sick raise the dead cleanse the lepers cast out demons Matthew 10 8a Raising the dead is a pivotal part of Christianity without resurrection it wouldn't exist The Bible says in 1 Corinthians 15 20 that But in fact Christ has been raised from the dead He is the first of a great harvest of all who have died New Living Translation This book answers the challenge to those commands and to raise up an army of believers followers of Jesus who are ready to reap the great harvest of all who have died Through scripture it lays a groundwork of understanding for this miracle then follow up with practical steps and hard earned wisdom God doesn't need someone special to raise the dead He needs someone willing And if this is you then join the journey to reveal Faith to Raise the Dead In this book we will cover The Goodness of God Power and Authority Faith and Sovereignty Historical and Present Day Resurrections When to Stop Praying The Price of Failure When Prophecies Fail Us Intimacy versus Occult Resurrection Common Questions And Much More

How to Raise the Dead Robin Bremer, 2015-03-22 One of the greatest signs of this end time is raising the dead Both in the old covenant and the new the dead are raised Jesus said we would do even greater things than He did Raising the dead is done much more in other countries than it is right here in America Here there tends to be a lot more doubt that it is God's will to raise the dead This book will either make you angry or cause you to become one of the MIGHTY doers of the word But remember with this information will possibly come persecution I pray that God will reveal to you hidden truths in the word that are for this end time and make you confident with boldness to do what you learn **How to Raise the Dead** Jamie Buckingham, 2019-11-28 The Bible states As you go preach this message The kingdom of heaven is near Heal the sick raise the dead cleanse those who have leprosy drive out demons Freely you have received freely give Matthew 10 7 8 This is a command that is given to all followers of Jesus Christ We hear a lot about going out and preaching about healing and to a lesser degree driving out demons But what about raising the dead Jesus words are right there We are to raise the dead But how do we as Christians go about doing that As a believer we can never say that there are some things that are impossible for God But have we ever considered actually praying for a recently deceased person to be raised back up It is scriptural and it is possible In this booklet Jamie reviews the 10 recorded instances in the Bible where real people were actually raised from the dead Then he lists the 3 specific things that must be in place for that to actually occur things that were common to each of the occurrences in the biblical accounts of people being raised from the dead Jamie ends his sermon with the reading of the poem The Touch of the Master's Hand This book will not only instruct you but it gives great insight and wisdom from one of the Christianity's most respected Charismatic and prophetic ministers in the 1970s and 1980s His books sold millions and he was a highly sought after conference speaker For more information about Jamie Buckingham please visit www.RLMIN.com The Written Dead Kyle William Bishop, Angela Tenga, 2017-06-19 From Victor Halperin's White Zombie 1932 to

George A Romero's landmark *Night of the Living Dead* 1968 and AMC's hugely successful *The Walking Dead* 2010 zombie mythology has become an integral part of popular culture. In a reversal of the typical pattern of adaptation the zombie developed onscreen before appearing in short stories and comic books during the 20th century and more recently as subjects of more traditional novels. This collection of new essays examines some of the most influential and inventive zombie literature from the early stories to the most recent narratives including some told from a zombie perspective. *Raising the Dead* Daniel Cohen, 1997. Presents the tales and facts about mummies monsters zombies body snatchers and the undead.

Raising the Dead Leigh-Ashley Lipscomb, 2003 **Practical Keys to Raise the Dead** Michael C. King, 2016-11. What do you do when you are standing in front of a dead body scream and wail as you fall apart stare quietly in sadness or bring him back to life. If you are anything like me you believe that Jesus is the only real hope we have in this world so you will do your best to be faithful to the hope He has given us that even if we die we shall live John 11:25. This book isn't about the theology that can lead to success. This book is to help you figure out what to do when you are standing in front of a dead body tackling tough questions. How can you be prepared for if and when he or she awakens. How long should you pray. What if he was an organ donor or was cremated can he still be raised. What if we think they don't want to be raised. This book will answer these questions and more. This book will challenge long held beliefs and has the potential to offend as you read. If you can keep your heart and mind open I believe that you will discover and learn. **Practical Keys to Raise the Dead**. Inside the book: Right After Death what to do right when someone dies. The Body Has Been Taken Now. What to expect regarding mortuary services and legal options regarding the when and how of resurrection. Praying Over the Body suggestions and advice on praying over the body. Physical Considerations some practical things to help the resurrection process go a little more smoothly. When Do I Quit Praying walking through the decision process of whether to stop praying and questions to help consider whether that is the right choice or not. The Price of Failure a look at what life looks like if the resurrection doesn't happen. Final Thoughts the future of resurrection life in the Church. **Health and Healing** Alina Patterson, 2003-08 *The Book of Acts* C. Peter Wagner, 2008-06-02. Experience Pentecost. Look on as 130 converts shake a city. Meet Paul. Go with him as he plants the first Gentile church. Extend the kingdom's power and see the enemy upset. Walk with Paul as he travels to Corinth Antioch Ephesus and beyond. For those desiring to be a part of God's action in their churches their communities and throughout the world there is nothing that will help more than thoroughly understanding the book of Acts and applying what we can learn from it. Acts was designed to be God's training manual for Christians. It worked in the early church and it works in the postmodern world. The reader's study of Acts in *The Book of Acts* will bring new intimacy with the Spirit and new joy in doing His will. McIntosh, 2012-05-01 A startling 85% of churches in the US are plateaued or declining a trend that has been building for the past fifty years In the face of shrinking attendance and lagging spiritual growth pastors and church leaders are understandably discouraged and demoralized But the first step to turning things around is hope Church health expert Gary McIntosh offers this hope by showing church leaders the first things they need to do to make a new start for their church God can and does restore churches to new life even as he restores individuals The street smart ideas and step by step instructions found in this book are ones that pastors and church leaders can put to use immediately in their churches to bring about solid growth and renewed hope for the future *The Truth Which Sets Free* Peter Dunstan, 2007-02-26 He who has ears let him hear Jesus said those words many times What did he mean He also declared The truth will set you free Which truth Free from what This book will tell you in no uncertain terms a message to be stapled on the world s bulletin board for any who pass by and in particular for those who have the right ears It is a thorough explanation of the astonishing freedom won by Christ for his elect and the devastating implications this has for all world religion and philosophy especially Christianity It will shatter the myths underpinning many long cherished beliefs and rock the Church to its foundations Along with many other surprises you will discover that the word church is not even in the Bible This investigation covers most aspects of the Church with special reference to its origin in early times fathers councils creeds buildings names and titles saints priesthood and clergy celibacy ordination confirmation sacraments tithes sabbaths festivals

gospels and media assurance second coming and ecumenical beliefs All these are weighed against Scripture namely the teachings of Christ the apostles and prophets and found to be either non existent obsolete not the same thing or quite the opposite However these concepts did not materialize from nothing all came from someone somewhere The revelation of each source will be quite a shock for readers who thought they had a handle on the facts Well documented and researched but written in dynamic style this presentation is often moving and alarming This is the truth which sets free **Raise the Dead!** Myron C. Madden,1975 The Christian Science Journal ,1896 **Raise the Dead** Sarah Larson,2014-06-17 What if death isn t final like many people have been brought up to believe Born again Christians today accept death for their loved ones because they believe that it is their time to die Many also believe that it is God s will for them to die But what if we read the scripture where Jesus tell us to raise the dead Jesus raised the dead and told His disciples to do the same In the Old Testament there is scripture where God tells us how much He loves us and that He wants us to have life and life more abundantly He tells us to choose life and not death He tells us that He has plans for each and every one of us So why would God want us to die before our time The devil is taking our family members and so many of us are accepting death as if it was God taking our family What if we are meant to Raise the Dead This is a true story *An Exposition of the Old and New Testament.
