Raised In Captivity A Memoir Of A Life Long Churchaholic:

Raised in Captivity C. McNair Wilson, 2003 In this hilarious memoir McNair Wilson pokes fun at everything from Sunday School to strict sexual mores **Living Free** Rev. David Nunley, 2020-12-15 This book focuses on the life of a young man who went through major church hurt after he was born and raised as a prodigal of a church That young man is me Rev David Nunley Jr This book is designed not only to share my story but also to help the church to realize that we are causing more damage than we are doing good Also the book is designed to help those that have experienced church hurt be able to look past the people and see the Lord The Lord is bigger than it all Prayerfully this book will bring people from both spectrums to a point of repentance Our focus should be on God and him alone **Sixteen Years in Captivity** James Optic, 2021-07-19 I never understood just how important a human soul could be to God The soul is the only thing we actually own and the only place I belonged I was raised by a single mother and she loved God with all her heart So many times we would fall asleep to the sound of gunfire Out of this chaos God chose me I fought against Him and His will for so long Every time I knocked down by life and Satan God and all His love would stand me up again stronger than before I sought acceptance through friendship and many of those friendship proved dangerous and destructive to my soul I went on to fight in the Iraq war and for a country that never wanted to accept me I saw the horrors of war and then returned to the never ending horrors of gang violence drugs and poverty I knew something had to change and it had to start with me giving God my soul and my love Not every preacher speaks the will of God Each of us has the power of the Spirit to reach out and help our fellow man We must look outside of ourselves and our community and help all our brothers and sisters in need My hope is that this book serves as a testament to the mercy and love of God and the power of Jesus and the Holy Spirit All of us as believers have access to the gifts God has promised to us Let us use them to bring glory to the name and power of God Amen *Abandoned by the Church* Stevie Rutledge, 2010-01-19 Abandoned By The Church reveals that the author who as a child was raised behind the scenes of the church with its obvious flaws and issues found it extremely difficult to fully embrace her relationship with God Through its pages Rutledge shares her thoughts and challenges questioning the nature of conservative and traditional Christianity and the understanding of Gods love and Gods word emphasized yet often contradicted by the actions of the so called judgmental Church Foke around her We as Christians must learn to accept all who enter the church doors without judgment of gender skin color attire and body hygiene and personality conflicts We must learn to love others as God loves us despite our religious conflicts or beliefs Otherwise the church doors will become a revolving vicious cycle of unresolved issues and a mockery to the rest of the world Rutledge expressed in the book As Rutledge shares her life experiences and often heart breaking journeys traveled due to her issues with the church readers will be captivated by her strength and determination to understand Christianity and the true function of the church without the stigma of fear and judgment but the realization of freedom This book is a clear indictment toward the church the ineffective religious processes currently set in

place and the questionable leadership assigned Abandoned By The Church will undoubtedly force you to view the church differently but more importantly it will inspire you to reevaluate your relationship with God His believers and the non believers as well Rutledge wholeheartedly believes that all people were created with a divine plan in mind Ultimately this book calls for a dramatic reform of the church Escape Carolyn Jessop, Laura Palmer, 2007-10-16 NEW YORK TIMES BESTSELLER The dramatic true story of one woman's life inside the ultra fundamentalist American religious sect featured in Keep Sweet Pray and Obey and her courageous flight to freedom with her eight children With a new epilogue by the author Escape provides an astonishing look behind the tightly drawn curtains of the FLDS church one of the most secretive religious groups in the United States A courageous heart wrenching account Jon Krakauer When she was eighteen years old Carolyn Jessop was coerced into an arranged marriage with a total stranger a man thirty two years her senior Merrill Jessop already had three wives But arranged plural marriages were an integral part of Carolyn's heritage She was born into and raised in the Fundamentalist Church of Jesus Christ of Latter Day Saints FLDS the radical offshoot of the Mormon Church Over the next fifteen years Carolyn had eight children and withstood her husband's psychological abuse and the watchful eyes of his other wives who were locked in a constant battle for supremacy Carolyn was miserable for years and wanted out but she knew that if she tried to leave and got caught her children would be taken away from her In 2003 Carolyn chose freedom over fear and fled her home with her eight children She had 20 to her name Escape exposes a world tantamount to a prison camp created by religious fanatics who in the name of God deprive the followers the right to make choices brainwash children in church run schools and force women to be totally subservient to men Against this background Carolyn's flight takes on an extraordinary inspiring power Not only did Carolyn manage a daring escape from a brutal environment she became the first woman ever granted full custody of her children in a contested suit involving the FLDS And in 2006 her reports to the Utah attorney general on church abuses formed a crucial part of the case that led to the arrest and later the conviction and sentence of their notorious leader Warren Jeffs Life of a Church Girl: When the Wolf Lives with Riding Hood Melissa Davis, 2015-06-26 Life of a church girl is the story of what it was like to be raised in the church but affected by the world The notion of the world is that people in church are somehow immune to the bad things of this world Marge is born in the 70's in Baltimore Maryland and from her earliest memory she was in church From a very early age she suffered several tragedies and losses that would scar her in her mind and body At the age of 10 Marge was assaulted in her own home by a family member and this type of assault would continue for years and scar her even further These events would push her into a lifestyle and down a road that would be filled with more heartache and depression The more she searched for love the more she found loss The more she tried to accomplish the more inadequate she felt A mother at 16 and married at 17 Marge had no clue as to how to be a wife and mother All she knew was men and sex went hand in hand and happiness was a fairy tale Throughout it all if she knew nothing else she knew God and scripture She didn't have a relationship with the Lord but she

knew how to get in touch with Him What do you do when who you are destined to be is trapped inside if who you are

Salvation* Michael Risley, 2021-06-04 The years are 1963 2020 This is a story about the evolution of a young sailor who after being tortured and abused as a captive in Vietnam found the Lord after losing everything he loved He came home and carried on with his life and tried to leave behind the traumatic time he spent in Vietnam He coped by looking toward the real reason his life was spared a caring and loving God ending 2020 serving in a local church teaching Sunday school and a home Bible study *How Christ Came to Church* Adoniram Judson Gordon, Arthur T. Pierson, 1895

Faith Set Free: A Memoir Barbara Hall Gemar, 2019-09-14 A story of the bondage of being raised in a cult like church with ultimate resolution *When I Spoke in Tongues* Jessica Wilbanks, 2018-11-13 A memoir of the profound destabilization that comes from losing one's faith and a young woman's journey to reconcile her lack of belief with her love for her deeply religious family Growing up in poverty in the rural backwoods of southern Maryland the Pentecostal church was at the core of Jessica Wilbanks family life At sixteen driven by a desire to discover the world Jessica walked away from the church trading her faith for freedom and driving a wedge between her and her deeply religious family But fundamentalist faiths haunt their adherents long after belief fades former believers frequently live in limbo straddling two world views and trying to reconcile their past and present Ten years later struggling with guilt and shame Jessica began a quest to recover her faith It led her to West Africa where she explored the Yoruba roots of the Pentecostal faith and was once again swept up by the promises and power of the church After a terrifying car crash she finally began the difficult work of forgiving herself for leaving the church and her family and finding her own path *When I Spoke in Tongues* is a story of the painful and complicated process of losing one's faith and moving across class divides And in the end it's a story of how a family splintered by dogmatic faith can eventually be knit together again through love *Banished* Lauren Drain, Lisa Pulitzer, 2013-03-05 *Banished* is an eye opening deeply personal account of life inside the cult known as the Westboro Baptist Church as well as a fascinating story of adaptation and perseverance You've likely heard of the Westboro Baptist Church Perhaps you've seen their pickets on the news the members holding signs with messages that are too offensive to copy here protesting at events such as the funerals of soldiers the 9 year old victim of the recent Tucson shooting and Elizabeth Edwards all in front of their

grieving families The WBC is fervently anti gay anti Semitic and anti practically everything and everyone And they aren t going anywhere in March the U S Supreme Court ruled in favor of the WBC s right to picket funerals Since no organized religion will claim affiliation with the WBC it s perhaps more accurate to think of them as a cult Lauren Drain was thrust into that cult at the age of 15 and then spat back out again seven years later Lauren spent her early years enjoying a normal life with her family in Florida But when her formerly liberal and secular father set out to produce a documentary about the WBC his detached interest gradually evolved into fascination and he moved the entire family to Kansas to join the church and live on their compound Over the next seven years Lauren fully assimilated their extreme beliefs and became a member of the church and an active and vocal picketer But as she matured and began to challenge some of the church s tenets she was unceremoniously cast out from the church and permanently cut off from her family and from everyone else she knew and loved Banished is the story of Lauren s fight to find herself amidst dramatic changes in a world of extremists and a life in exile *From Dark Dungeons to Dazzling Dawn* Abraham Vellamthadathil,2016
