**Sidney Brustein's Window** Lorraine Hansberry,1958 *Contemporary African American Female Playwrights* Dana A. Williams,1998-06-30 Lorraine Hansberry s A Raisin in the Sun 1959 was a major dramatic success and brought to the world s attention the potential talent of African American women playwrights But in spite of Hansberry s landmark contribution both the theater and the literary world have often failed to include contemporary African American female playwrights within the circle of production publication and criticism In African American drama anthologies female playwrights are seldom given the degree of attention that is accorded their male counterparts And because of space constraints anthologies of works by women playwrights are forced to exclude numerous female dramatists including African Americans Meanwhile some scholars have argued that the works of African American female playwrights are seldom produced in the mainstream theater because these plays frequently challenge the views of white America But as A Raisin in the Sun demonstrates plays by African American women dramatists can have a powerful message and are worthy of attention A comprehensive research tool this annotated bibliography sheds light on the often neglected works of contemporary African American female playwrights

Included within its scope are those dramatists who have had at least one work published since 1959 the year of Hansberry's monumental achievement. The first section provides a listing of anthologies that include one or more plays written by an African American female dramatist. The second gives entries for reference works and for scholarly and critical studies of the dramatists and their plays. The third presents a listing of published plays by individual dramatists along with a summary of each drama, the works of each playwright that are related to drama, and secondary sources that treat the dramatists and their plays. Entries are accompanied by concise but informative annotations, and the volume closes with a list of periodicals that frequently publish criticism of African American female playwrights, a section of brief biographical sketches of the dramatists, and extensive indexes.

**Radical Vision** Soyica Diggs Colbert, 2021-04-20 A captivating portrait of Lorraine Hansberry's life, art, and political activism, one of *O Magazine's* best books of April 2021. Hits the mark as a fresh and timely portrait of an influential playwright. Publishers Weekly. In this biography of Lorraine Hansberry (1930-1965), the author of *A Raisin in the Sun*, Soyica Diggs Colbert considers the playwright's life at the intersection of art and politics, with the theater operating as a rehearsal room for her political and intellectual work. Colbert argues that the success of *Raisin* overshadows Hansberry's other contributions, including the writer's innovative journalism and lesser-known plays touching on controversial issues such as slavery, interracial communities, and black freedom movements. Colbert also details Hansberry's unique involvement in the black freedom struggles during the Cold War and the early civil rights movement in order to paint a full portrait of her life and impact. Drawing from Hansberry's papers, speeches, and interviews, this book presents its subject as both a playwright and a political activist. It also reveals a new perspective on the roles of black women in mid-twentieth-century political movements.
