Positive Parent Confident Child Amrita Neogi Kundu,2025-01-07 In this stressful and competitive world parents are

under stress and stressed parents often forget how to behave with their children. Parents often scold, behave rudely or even sometimes ignore them. Such behaviour makes children unhappy, depressed and lonely. The mental growth of such children becomes weak and they may even suffer from different psychological disorders. Amrita always believes that parents have an important role in raising a confident, resilient and successful child. Parents have the capability to make or break a child. She believes that through proper positive parenting a child can attain happiness and success in his or her life. This book is truly helpful for those parents who genuinely want to help their children reach the height of their careers and lives. **Raising Independent, Self-Confident Kids** Wendy L. Moss, Donald A. Moses, 2017-12-18. Parenting is a delicate dance. In this book, child development experts Wendy Moss PhD and Donald Moses MD examine the key skills parents need to help their kids emerge as confident and capable adults. Throughout this book, parents will learn how to build a child's confidence, decision-making abilities, tolerance for frustration, patience, and self-sufficiency. **Raising Confident Kids** Jasper Samuel, 2022-11-05. A comprehensive manual for raising confident, self-assured grownups in your children. Do you fear that your children may have challenges with self-esteem due to the complexity of today's world? Do you find it difficult to strike a balance between the need to teach independence and the correct level of parental supervision? Have you ever pondered how to effectively teach confidence in your kids when so many people struggle with it? Giving your children the skills they need to achieve much beyond childhood is one of the challenges parents face, but it may not have occurred to you. Children need confidence to grow up, but it also helps them tremendously when they're on their own in the world and trying to find their position. But where do you even begin? How can you give your children the self-assurance they need without letting them fend for themselves? That precise problem is what *Raising Confident Kids* sets out to solve. You'll learn in this book exactly how important a parent you are when it comes to your child's self-confidence. You'll discover what you can do to support your children's natural development of self-esteem and confidence, as well as what you should never do. Additionally, you'll learn how to determine if your kids are confident. What you should do as a parent to instill confidence in your children. Important developmental stages that will affect your child's self-esteem in the future. How to love and nurture your children so that their confidence grows organically. How to pull back and adopt a hands-off attitude so that your children may develop on their own. And a whole lot more. You may think that having confidence comes naturally, and in some ways this is true. But nothing is so easy in today's reality. Your children need your leadership. They need you to set an example for them. They're going to require your assistance if they want to grow in confidence. You can develop confident children and confident adults by following the advice in *Raising Confident Kids*. Click 'add to cart' if you're prepared to give your kids the best possible start in life. **The Confident Child** T. E. Apter, 1998.
