Sant,2022-01-11 For decades American cities have experimented with ways to remake themselves in response to climate change These efforts often driven by grassroots activism offer valuable lessons for transforming the places we live In *From the Ground Up* Local Efforts to Create Resilient Cities design expert Alison Sant focuses on the unique ways in which US cities are working to mitigate and adapt to climate change while creating equitable and livable communities She shows how from the ground up we are raising the bar to make cities places in which we don't just survive but where all people have the opportunity to thrive The efforts discussed in the book demonstrate how urban experimentation and community based development are informing long term solutions Sant shows how US cities are reclaiming their streets from cars restoring watersheds growing forests and adapting shorelines to improve people's lives while addressing our changing climate The best examples of this work bring together the energy of community activists the organization of advocacy groups the power of city government and the reach of federal environmental policy Sant presents 12 case studies drawn from research and over 90 interviews with people who are working in these communities to make a difference For example advocacy groups in Washington DC are expanding the urban tree canopy and offering job training in the growing sector of urban forestry In New York transit agencies are working to make streets safer for cyclists and pedestrians while shortening commutes In San Francisco community activists are creating shoreline parks while addressing historic environmental injustice *From the Ground Up* is a call to action When we make the places we live more climate resilient we need to acknowledge and address

the history of social and racial injustice Advocates non profit organizations community based groups and government officials will find examples of how to build alliances to support and embolden this vision together Together we can build cities that will be resilient to the challenges ahead

Consuming Fantasies Lise Sanders,2006 In *Consuming Fantasies* Labor Leisure and the London Shopgirl 1880 1920 Lise Shapiro Sanders examines the cultural significance of the shopgirl both historical figure and fictional heroine from the end of Queen Victoria s reign through the First World War As the author reveals the shopgirl embodied the fantasies associated with a growing consumer culture romantic adventure upward mobility and the acquisition of material goods Reading novels such as George Gissing s *The Odd Women* and W Somerset Maugham s *Of Human Bondage* as well as short stories musical comedies and films Sanders argues that the London shopgirl appeared in the midst of controversies over sexual morality and the pleasures and dangers of London itself Sanders explores the shopgirl s centrality to modern conceptions of fantasy desire and everyday life for working women and argues for her as a key figure in cultural and social histories of the period This study will appeal to scholars students and enthusiasts of Victorian and Edwardian life and literature

BOOK JACKET *A Shoppers' Paradise* Emily Remus,2019-04-15 Popular culture assumes that women are born to shop and that cities invite their trade But downtowns were not always welcoming to women Emily Remus turns to Chicago at the turn of the last century to chronicle an unheralded revolution in women s rights that took place not at the ballot box but in the streets and stores of the business district

The Fall of the Prison Lee Griffith,1999-01-25 Even as America s prison system is expanding at an unprecedented rate Lee Griffith makes a startling proposal in this book abolish prisons To make his case Griffith thoroughly examines prisons from the perspectives of sociology theology history and biblical exegesis Bolstered with extensive documentation as well as lively anecdotal evidence this compelling radical book is bound to stir up serious discussion
