too soon at sixty seven his life was stable and fulfilled In praise of Schuyler s poetry John Ashbery wrote To reread him is to live as though life were an experience one had just forgotten and been newly awakened to Schuyler s work embodies the quiet beauties of the natural world and the mundane stuff of everyday existence even as his own life was often messy and troubled A Day Like Any Other Kernan s absorbing biographical study explores this and other paradoxes of Schuyler s singular life within the vibrant milieu of mid century New York s poets and painters *Memoirs of Nikita Khrushchev* Nikita Sergeevich Khrushchev, Serge_ Khrushchev, 2004 Nikita Khrushchev s proclamation from the floor of the United Nations that we will bury you is one of the most chilling and memorable moments in the history of the Cold War but from the Cuban Missile Crisis to his criticism of the Soviet ruling structure late in his career the motivation for Khrushchev s actions wasn t always clear Many Americans regarded him as a monster while in the USSR he was viewed at various times as either hero or traitor But what was he really like and what did he really think Readers of Khrushchev s memoirs will now be able to answer these questions for themselves and will discover that what Khrushchev really said at the UN was we will bury colonialism This is the second volume of three in the only complete and fully reliable version of the memoirs available in English In the first volume published in 2004 Khrushchev takes his story up to the close of World War II In the first section of this second volume he covers the period from 1945 to 1956 from the famine and devastation of the immediate aftermath of the war to Stalin s death the subsequent power struggle and the Twentieth Party Congress The remaining sections are devoted to Khrushchev s recollections and thoughts about various domestic and international problems In the second and third sections he recalls the virgin lands and other agricultural campaigns and his dealings with nuclear scientists and weapons designers He also considers other sectors of the economy specifically construction and the provision of consumer goods administrative reform and questions of war peace and disarmament In the last section he discusses the relations between the party leadership and the intelligentsia Included among the Appendixes are the notebooks of Nina Petrovna Kukharchuk Khrushchev s wife *Jewishness in Russian Culture* Leonid Katsis, Helen Tolstoy, 2013-10-24 Jewishness in Russian Culture is devoted to new approaches and methods for the study of Jewish acculturation in Russian literature and its effects It attempts to redefine criteria and borders of a discipline situated roughly between Judaica Rossica and Rossica Judaica The monograph describes a series of important literary Russian Jewish cultural events and figures belonging synchronically or diachronically to both disciplines Thus it unites within a new conceptual framework the data accumulated by scholars and disciplines that exist separately in different research spaces that do not overlap Jewish Studies and the history of Russian culture The emerging picture shows the development of a historical plot along the axis of acculturation and anti-Semitism accepting and or trying to be accepted being rejected and or rejecting and being within or without The Illustrated London News ,1959 War Literature And The Arts In Sixteenth-Century Europe Margaret Shewring, J R Mulryne, 2016-07-05 The Modern Encyclopedia of Russian and Soviet History Joseph L. life as an utterly original spirit who was one of the few to rebel against the change in direction that eating had taken in modern times Bee Wilson The Sunday Times A New York Times Notable Book for 2017 For more than thirty years Patience Gray author of the celebrated cookbook Honey from a Weed lived in a remote area of Puglia in southernmost Italy She lived without electricity modern plumbing or a telephone grew much of her own food and gathered and ate wild plants alongside her neighbors in this economically impoverished region She was fond of saying that she wrote only for herself and her friends yet her growing reputation brought a steady stream of international visitors to her door This simple and isolated life she chose for herself may help explain her relative obscurity when compared to the other great food writers of her time M F K Fisher Elizabeth David and Julia Child So it is not surprising that when Gray died in 2005 the BBC described her as an almost forgotten culinary star Yet her influence particularly among chefs and other food writers has had a lasting and profound

effect on the way we view and celebrate good food and regional cuisines Gray's prescience was unrivaled. She wrote about what today we would call the Slow Food movement from foraging to eating locally long before it became part of the cultural mainstream. Imagine if Michael Pollan or Barbara Kingsolver had spent several decades living among Italian, Greek, and Catalan peasants recording their recipes and the significance of food and food gathering to their way of life. In *Fasting and Feasting*, biographer Adam Federman tells the remarkable and until now untold life story of Patience Gray from her privileged and intellectual upbringing in England to her trials as a single mother during World War II to her career working as a designer, editor, translator, and author and describing her travels and culinary adventures in later years. A fascinating and spirited woman, Patience Gray was very much a part of her times but very clearly ahead of them. *The Courage for Truth* Thomas Merton, 1993. From 1948 when he first wrote to Evelyn Waugh who was editing *The Seven Storey Mountain* for publication in England until his death in 1968, Thomas Merton corresponded with writers around the world, developing an ever-widening circle of friends in Europe, the Soviet Union, South and North America. Merton wrote and heard from many prominent writers of the stature of Waugh, Jacques Maritain, Czeslaw Milosz, Boris Pasternak, James Baldwin, Walker Percy, Henry Miller, and Victoria Ocampo. He also corresponded with and encouraged newer writers in Latin America like Ernesto Cardenal. Merton sensed in these writers a hope for the future of humanity and believed that the courage for truth was their special gift. Writing to Jose Coronel Urtecho, Merton asserted that poets remain almost the only ones who have anything to say. They have the courage to disbelieve what is shouted with the greatest amount of noise from every loudspeaker. Courage rooted in true freedom is evident in Merton's own life. He shared with his literary friends his concerns about war, violence, and repression, racism, and injustice, and all forms of human aggression. Forbidden to publish on the subject of war by his superiors, he obeyed but continued to circulate his famous Cold War Letters. He did not hesitate to criticize his church when he saw there was more concern for the institutional structure than there was for people. Merton especially admired those who had the courage to write under oppression like Pasternak, Milosz, and Cardenal.
