Saint Augustin:

Saint Augustin Louis Bertrand, 2021-08-08 **The Confessions of Saint Augustine** Saint Augustine, 2014-12-01 The work outlines Augustine's sinful youth and his conversion to Christianity. It is widely seen as the first Western autobiography ever written and was an influential model for Christian writers throughout the following 1 000 years of the Middle Ages. It is not a complete autobiography as it was written in his early 40s and he lived long afterwards producing another important work, *City of God*. It does nonetheless provide an unbroken record of his development of thought and is the most complete record of any single person from the 4th and 5th centuries. It is a significant theological work featuring spiritual meditations and insights. Keywords: religion, christianity, christ church, classic. *Letters of Saint Augustin* Saint Augustine of Hippo, Aeterna Press, I would not presume even in playful discussion to attack the philosophers of the Academy for when could the authority of such eminent men fail to move me? Did I not believe their views to be widely different from those commonly ascribed to them? Instead of confuting them, which is beyond my power, I have rather imitated them to the best of my ability. For it seems to me to have been suitable enough to the times in which they flourished that whatever issued pure from the fountainhead of Platonic philosophy should be rather conducted into dark and thorny thickets for the refreshment of a very few men than left to flow in open meadow land where it would be impossible to keep it clear and pure from the inroads of the vulgar herd. Aeterna Press Late Have I Loved Thee Augustine of Hippo, 2006-12-05 The first collection of Saint Augustine's varied writings on human and divine love, chosen to reflect his lifelong preoccupation with *ordo amoris*, the principle of rightly directed love. My weight is my love. Saint Augustine writes in *The Confessions*. He sees our ability to love as disordered by sin so that we often choose badly what and how to love. Only by recognizing that we are commanded to love God first can any other object of our love be properly ordered. *Late Have I Loved Thee* draws on the riches found in Augustine's sermons, letters, treatises, and Scripture commentaries as well as passages from *The Confessions* and *City of God*. Augustine 354-430 A.D. was the most prolific writer of Christian antiquity and the most influential theologian in Church history. In his first encyclical *God Is Love*, current Pope Benedict XVI acknowledges his indebtedness to him. When we read Augustine today we encounter the same direct, eloquent passions his original listeners experienced, infused with his deep sense of human weakness and burning desire for union with God. Saint Augustin Louis Bertrand, 1914 **Basic Writings of Saint Augustine: The Confessions. Twelve treatises** Saint Augustine (of Hippo), 1980 Writings from the early Christian theologian and philosopher whose work influenced the development of western Christianity and philosophy **The Confessions of Saint Augustine** Saint Augustine (of Hippo), 1960-08-23 *The Confessions* of St Augustine has been translated into more languages than any Latin writings except Virgil's. Ryan **Confessions of Saint Augustine(Illustrated Edition)** Saint Augustine, 2021-05-17 *The Confessions* of Saint Augustine has captivated readers for more than fifteen
