Gianopoulos, 2009-05-15 St Anthony of Padua by Catholic Book Publishing provides guidelines devotions and prayers for growth in the spirit of St Anthony who is called The Saint of the World for his devotion to teaching and preaching to all people This St Anthony of Padua also offers a short biography of this extraordinary Saint who was often forced to preach outdoors since no church could accommodate the vast numbers who came to hear him With large type and a tenderly illustrated cover St Anthony of Padua also offers prayers to St Anthony and illustrations in two colors within its 128 pages Saint Anthony Thomas F. Ward, Brother Hermenegild, 2013-03-31 IF ever man if ever saint received the Holy Spirit abundantly it was unquestionably the saint whose life we now present for the edification of the faithful It was by the Holy Spirit and His sevenfold gifts that St Anthony accomplished those great wonders which we admire in his life Supernatural light and piety and strength were the means which God furnished him and by which he so marvellously fulfilled his mission When the Saviour wished to save men He commenced His ministry by instructing them He preached in Judea and in Galilee in fact He declared that His mission was precisely to preach to men When He was about to ascend to heaven He charged His apostles to continue the work He had begun and insisted that they also should preach His word to men Yet let us not suppose that preaching consists merely in the discourses which the apostle delivered No said a great preacher the apostle is not only

a man who knows and who teaches by means of the word delivered the apostle is a man who preaches Christianity with his whole being and whose very presence is the appearance of another Christ And such was St Anthony of Padua to whom devotion is so widespread to day This amiable saint was at once both monk and apostle To the preaching of the Gospel he added the strict observance of the severest counsels and the constant practice of fasting of penance and of prayer It was by these means that he captivated countless followers the just were strengthened the slothful fired with zeal sinners were converted and heretics recognized their errors At the comparatively early age of thirty six years his earthly mission ended After his death even as during his life wonders were wrought through his intercession And now after seven centuries have passed away the great wonderworker still spreads out his blessings on those who invoke him with such profusion as is well calculated to encourage his devout servants to continue the offering of their homage It is for this end that we devote these few pages which will proclaim the virtues of this great friend of God and the power he possesses in heaven To render to the saints the honor which is love them we should invoke and imitate them We should strive to follow the good examples which they have given us while on earth and to do this we should read and know their lives Let us read especially the life of St Anthony of Padua and we shall be astonished at such exalted sanctity We cannot fail to admire the power granted by God to this wonderworker Devotion to St Anthony of Padua crossed the ocean with our fathers and with the Virgin Mother and St Joseph he is invoked in almost every Catholic household with a fervor and a piety which we must admit have received their fullest recompense Who can deny the power of St Anthony especially in certain circumstances When we read this little book we shall learn after the example the saint has given us that there is everything to gain by serving God faithfully and lovingly while there is everything to lose by abandoning Him We shall learn also the great advantages which follow the invocation of the saints and how much our sorrows shall be soothed if we only know how to form friendships in heaven

The Moral Concordances of Saint Anthony of Padua Saint Anthony of Padua,Aeterna Press, If there were never a time when so many sermons issued from the press as at the present day it is equally certain that however much we may boast of our Scriptural knowledge there never was a period when such compositions showed so little deep and ready acquaintance with the Bible The actual quantity of reference to Scripture contained in the first volume of modern sermons which one may happen to take up is surprisingly small and further the quotations are almost entirely made from favourite books parade the same texts over and over again leave vast portions of the Bible utterly untouched and are superficially adduced without regard to their context Aeterna Press Saint Anthony of Padua Mabel Farnum,1948 Anthony of Padua Barbara Yoffie,2014-09 Saints are real life heroes and heroines of faith who inspire us by their virtues to become more like Christ In
