J. Butler, 2015-07-07 Excerpt from *Select Essays of Sainte Beuve Chiefly Bearing on English Literature* A good many years ago the present translator ventured to speak a little disrespectfully of a remark of Sainte Beuve's When therefore in pursuance of a suggestion made by a well known authority on English literature who is also great in the councils of University Extension he was asked to undertake the task of producing a translation of such of the eminent French critic's essays as might it was thought be of interest to many students of English literature it seemed that the hand of Nemesis was at work Nay it was manifest in the very matter of the penalty The remark referred to was part of a sentence in which it was said that to read Dante attentively almost inevitably meant wanting to translate him Now to read Sainte Beuve attentively means inevitably wanting not to translate him It may be true as Bonstetten said that in French you have to reject ten thoughts before coming to one which you can clothe properly but when that one is clothed how well its clothes fit To read good French wrote a master of English once to the present writer almost makes one despair of ever expressing one's self properly About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Selected Essays* Walter Pater, 2018-09-27 Famed for his singular prose style as much as for his controversial aestheticist principles Walter Pater 1839-1894 was one of the great essayists in a century of great essayistic writing His first book *Studies in the History of the Renaissance* one of the most original and influential texts of the Victorian Aesthetic Movement was described by Arthur Symonds as the most beautiful book of prose in our literature and his later work moved Vernon Lee to call him the natural exponent of the highest aesthetic doctrine *Selected Essays* is a generous gathering of Pater's essays on literature art history philosophy and mythology all of them in the words of Oscar Wilde delicately wrought works of art The selection is accompanied by Alex Wong's critical and biographical introduction and rich explanatory notes *Selected Essays* Charles Augustin Sainte-Beuve, 1963 **Revolutions in Writing** Rosemary Lloyd, 1996 Presents an anthology of some of the prose and prose poems of 19th century France This reader sets these prose
