Saints of the Roman Calendar: Including Recent Feasts Proper to the English-Speaking World Enzo Lodi,2017-08-31 The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints In the first Preface of the Mass for Holy Men and Women we read In their lives on earth you give us an example In our communion with them you give us their friendship In their prayer for the Church you give us strength and protection Moreover as the Second Vatican Council put it every act of love offered by us to those who are in heaven tends to and terminates in Christ the crown of all the saints and through him in God who is wonderful in his saints and is glorified in them This book then should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints With the addition of feast days proper to the United States it is offered to the English speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation

Why God Hides Fr. John Portavella,2018-05-25 Why does God hide day in and day out from those of us who

yearn to hear His voice When we do good there s no heavenly applause When we do evil no divine rebuke And when great horrors visit us He rarely intervenes In good times and bad there s just silence the awful silence of God Now comes Why God Hides this magnum opus of Fr John Portavella written after many decades of listening to God s silence in his own life and in that of thousands of his parishioners Those years of listening reading thinking and praying have made ever more clear to him and with the help of this book will make clear to you that in fact God is not silent nor is He hidden if only you know how to listen and learn where to look Time and again in the events of salvation history and in the trials and joys of our daily lives Fr Portavella here unveils the Face of God and lets us hear His voice speaking in every instance words of sweet love Why God Hides is a remarkable once in a lifetime book that scatters the darkness of our minds giving us myriad glimpses of our supposedly hidden God bringing with each of those glimpses the consolation and joys we have yearned for so long
