Saints and Feasts of the Liturgical Year Joseph N. Tylenda, 2003-07-22 Revised and updated edition of the perennial Georgetown University Press classic *Saints of the Liturgical Year* this beautiful and comfortably sized guide is compact but brimming with information This edition includes over 260 brief biographies including 33 new entries as well as a glossary of terms to help explain the theology of the Roman Catholic Church Based on the General Roman Calendar presently in use in the Roman Catholic Church it also includes the feasts Saints and Blesseds from the Liturgical Calendar of the Society of Jesus known as the Jesuits as officially observed within the Society of Jesus Offering inspiration and encouragement *Saints and Feasts of the Liturgical Year* functions as an aid in introducing the faithful to the day's feast or to the saint whose memorial is being celebrated As a gift for personal or group study and helpful for introducing parishioners to the history of the church this book can also be used as a source of ideas for all pastors , *Saints and Feasts of the Liturgical Year* John Paul Thomas, 2023-12-10 If a list were made of the greatest human beings who have ever lived those reflected upon in this four volume series would be at the top of that list Though historians often attempt to judge greatness from their own subjective perspective there must be an objective criteria by which human greatness is judged The only Person Who is capable of establishing that criteria is God The criteria that God has established are the virtues as identified by Jesus and revealed by Him through the holy Gospels The goal of this four volume series is to present each saint found on the Catholic liturgical calendar as a Solemnity Feast or Memorial in such a way as to identify the Godly virtues that place them on the top of that list Though their greatness has already been established and their heroic virtues confirmed by the Church God chose the men and women found in these pages not only for greatness in their lifetimes but also as models of holiness in ours These men and women are gifts to you given by God through the Church Every saint is unique but every saint is similar because each one became living witnesses to Christ and living Gospels for a world in need Some saints were united to God through martyrdom some through virginity and chastity some through works of charity and some through lives of intense prayer The saints have come from every culture every socio economic background every level of education and every personality type Through every saint God shines forth radiating His abundant mercy through the diversity of their lives In the end it is not their personality preferences gifts or any other unique qualities that unite them as the one communion of saints It is God and God alone Who floods their souls and forms them into a united song of praise of God's eternal glory Why read about the saints Why learn about their lives Why ponder what they said and did The answer is simple You are called to be among their company You are called to become as holy as they were transformed by God's grace and to radiate that grace in the world today At first the virtues of the saints might seem to be out of your reach The saints can appear to be

superhuman The truth is that the saints became fully human by becoming who they were created to be They rejected the deceptions of the devil the seductions of the world and the weaknesses of the flesh Instead they discovered the truths of God sought out the riches of Heaven and became filled with the strength of every virtue As you read about the lives of the saints ponder their words and actions study their heroic virtues and learn from their lives of prayer allow yourself not only to be inspired by them but also to desire to imitate them Nothing is stopping you from being counted among the saints in Heaven God promises to lavish every grace upon you that you need to walk down that holy path Only when you refuse His grace is that mission thwarted

every era of the Catholic Church holy men and women have shaped history through their gifts and talents and most importantly through their resolute commitment to Jesus Christ Some led armies some founded monasteries some lived a radical call to charity and each one had a unique part to play How the Saints Shaped History focuses on the essential role of

the saints as vessels of God's grace in moving the Church and the world through her two thousand year history. Written especially for everyday Catholics hungry to learn more about the Faith, this book is both comprehensive and accessible. It tells the story of how more than 180 saints from Saint Mary Magdalene to Pope Saint John Paul II led the Church through many crises and back to her spiritual roots. As our Church continues to face crises, this book reminds us that we still have reason to hope in our own time. As the providential hand of God worked through the saints to shape history, each of us is called to become a new saint to shape the history of the Church today.

Story of a Soul: The Autobiography of Saint Therese of Lisieux Saint Therese of Lisieux, Aeterna Press, 2015-06-22. As we become acquainted with the histories of those in whom in long succession God has been pleased to show forth examples of holiness of life, it seems as if every phase of human existence had in the history of the Church received its consecration as a power to bring men nearer to their Maker. But there is no limit to the types of sanctity which the Creator is pleased to unfold before His Creatures. To many on reading for the first time the story of Sister Teresa of the Child Jesus and of the Holy Face, it came almost as a shock to find a very youthful member of an austere Order, strictly retired from the world, engaged in hidden prayer and mortification, appearing before us to reveal to the whole world the wonders of the close intimacy of friendship to which her Divine Spouse had been pleased to call her. Certainly the way by which Soeur Thérèse was led is not the normal life of Carmel, nor hers the manner whereby most Carmelites are called to accomplish the wondrous apostolate of intercession to which their lives are given. But no less certain is it that in her particular case her work for God and her apostolate were not to be confined between the walls of her religious home or to be limited by her few years on earth.
