

SALAN Raoul ex-général d'armée, né

à Roquecourbe (Tarn) en juin 1899. Ex-titulaire de la grand croix de la légion d'honneur, de la médaille militaire, et de très nombreuses décorations françaises et étrangères.

Engagé volontaire en 1917, grièvement blessé en 1921 au Levant, va ensuite passer

15 ans en Indochine, dont il assimilera extraordinairement les mœurs, allant jusqu'à rédiger un manuel de langue autochtone.

Attaché en 1938 au cabinet de Georges Mandel, ministre des Colonies, effectue plusieurs missions secrètes, notamment en Abyssinie. Après la campagne de France, où sa conduite est remarquable, prend des contacts avec la Résistance, puis est nommé à Dakar, et de là à Alger.

Il prend part comme colonel aux opérations de l'Ile d'Elbe et de Provence, puis de Lattre lui confie le commandement de la 14^e D.I. La guerre terminée, le général Salan va de nouveau servir en Indochine, où il sera successivement l'adjoint, et le remplaçant du maréchal de Lattre.

Nommé commandant en chef à Alger par M. Guy Mollet, et après avoir échappé à un attentat au bazooka, il prend en main le mouvement dit du "13 mai", qui aboutit à un changement de régime.

Écarté bientôt d'Algérie, puis mis à la retraite, Salan ne tarde pas à se dresser contre le pouvoir. Après s'être joint au putsch des généraux de 1961, il prend la tête du mouvement clandestin O.A.S. Arrêté en Avril 1962, aussitôt traduit devant un tribunal d'exception, il échappe à la condamnation à mort après plaidoirie de M^e Tixier-Vignancour. Actuellement détenu à Tulle (Corrèze).

Salan Raoul Exgeneral Darmee:

Les Uniformes de l'Honneur Alain Ricaud, 2014-06-15 Au travers de la vie d'un homme histoire des guerres de colonisations françaises de l'Indochine à l'Algérie

Encyclopedia of Insurgency and Counterinsurgency Spencer C. Tucker, 2013-10-29 A fascinating look at the insurgencies and counterinsurgencies throughout history with a concentration on the 20th and 21st centuries This encyclopedia examines insurgencies and the counterinsurgency efforts they prompt through history addressing military actions and the techniques and technologies employed in each conflict significant insurgency leaders and the leading theorists with emphasis on the small wars of the 20th century and most recent decades The clear concise entries provide a breadth of coverage that ranges from the Maccabean Revolt in 168-143 BCE and the Peasants Revolt in Germany in the 1500s to the American Revolutionary War and the ongoing insurgency in Syria Readers will gain a solid understanding of how insurgency warfare and counterinsurgency COIN strategy has played a key role in the US conflicts in Afghanistan and Iraq in the early 21st century and grasp how this important military strategy has evolved during modern times

Carl Schmitt and the Politics of Hostility, Violence and Terror G. Slomp, 2009-05-14 Carl Schmitt's friend-enemy principle is exposed to in-depth philosophical analysis and historical examination with the aim of showing that the political follows hostility violence and terror as form follows matter The book argues that the partisan is an umbrella concept that includes the national and global terrorist

Government of the Shadows Eric Wilson, 2009-01-20 This book uncovers the activities of clandestine governments It explores how covert political activity and transnational organised crime are linked and how they ultimately work to the advantage of state and corporate power Using a variety of case studies from the mafia in Italy to programmes for food and reconstruction in Iraq the authors illustrate that parapolitical structures are not deviant but central to the operation of global governments The creation of this parallel world economy the source of huge political and economic potential entices states to undertake new forms of regulation either through their own intelligence agencies or through the more shadowy world of criminal cartels

Spatiality, Sovereignty and Carl Schmitt Stephen Legg, 2011-05-17 The aim of this book is to bring together geographers and Schmitt experts who are attuned to the spatial dimensions of his work to discuss The Nomos of the Earth in the International Law of the Jus Publicum Europaeum Schmitt 1950-2003

Friendship in Politics Preston King, Graham M. Smith, 2013-10-18 Previously published as a special issue of the Critical Review of Social and Political Philosophy this volume throws light on the place of friendship in politics by connecting theoretical questions to empirical answers Today friendship and politics are most commonly viewed as distinct and mutually opposed concerns Politics tends to be seen as general and impersonal to do with power and hierarchy Friendship by contrast is conceived as particular and intimate relating to equality and fraternity Ancient Greek and Roman thought tended to bring the two together locating friendship as the moral foundation of the political But is this view sound Ought not Friendship to be dismissed by moderns as primitive inefficient nepotistic Freud Or ought it to be promoted as a

vital moral constraint on power and the consuming egotism of rulers Plutarch and others The contributors seek to answer these questions directly and indirectly by supplying analyses of the concept critical reconstructions of some crucial modern accounts Kierkegaard Arendt and Schmitt concrete accounts of the actual play of friendship both within and between states

Twentieth Century History For Dummies Seán Lang, 2012-02-27 The 20th Century brought revolutionary changes to our world and our lives the human population of the world tripled space travel became reality two world wars and a host of other conflicts were fought and huge advances in science technology and communication resulted in the globalised world we know today Enormous steps were made in wiping out widespread discrimination from the women s suffrage movement leading to women s right to vote in western countries to the civil rights movement in the US challenging racial segregation The political landscape has provided lots of excitement with charismatic and scandalous presidents in the White House the first female prime minister in the UK dictators working to various manifestoes across the world the Middle East conflict and the changing balance of political and economic superpowers Technological advances have resulted in nigh on universal adoption and dependence on automobiles computers mobiles and other wireless technology The exponential rate at which technology is evolving is one of the variables that make the twentieth century so fascinating All this and much much more happened in a mere one hundred years where did we find the time to do so much Twentieth Century History For Dummies tells all

A Dangerous Mind Jan-Werner Müller, 2003-01-01 Carl Schmitt 1888 1985 was one of the 20th century s most brilliant and disturbing critics of liberalism He was also one of the most important intellectuals to offer his services to the Nazis for which he was dubbed the crown jurist of the Third Reich Despite this fateful alliance Schmitt has exercised a profound influence on post war European political and legal thought on both the right and the left In this study Jan Werner Muller traces the permutations of Schmitt s ideas after World War II and relates them to broader political developments in Europe his key concepts Muller explains why interest in the political theorist continues He assesses the uses of Schmitt s thought in debates on globalization and the quest for a liberal world order He also offers insights into the

liberalization of political thinking in post authoritarian societies and the persistent vulnerabilities and blind spots of certain strands of Western liberalism **Europe after Empire** Elizabeth Buettner,2016-03-24 A pioneering comparative history of European decolonization from the formal ending of empires to the postcolonial European present , LES TRIBUNAUX D'EXCEPTION Par YVES-FREDERIC JAFFRE Yves-Frédéric Jaffré,1963 **Loser's Corner** Antonin Varenne,2015-11-03

Parisian street cop and amateur boxer George The Wall Crozat is racking up an impressive knockout record in the world of underground boxing Failing to translate his small time boxing success into a decent source of income however and unable to finance his nasty prostitution habit with his meager earnings as a police officer he contemplates a drastic career change Finally unable to resist a tempting offer to make some cash using his fists as enforcer he unwittingly becomes a pawn in a very dangerous game Meanwhile we learn the unsettling story of the young socialist Pascale Verini exiled to the Algerian front during the 1957 Algerian War As soon as he gets to Algeria Verini is transferred to a nightmare farm in deepest Sahara where North African prisoners of war are mercilessly tortured and killed by the French away from prying eyes and ears Prix Quais du Polar winner Antonin Varenne draws on his father s experiences of France s colonialist past to illuminate one of the darkest pages of France s colonial history even as he details the grim reality of being a beat cop in present day Paris The result is a darkly personal elegantly gritty tale of conspiracy torture corruption and revenge **The First Helicopter War** Charles R. Shrader,1999-06-30 Using recently released French official documents and a variety of other sources this study explains how the French Army so recently defeated by the Viet Minh insurgents in Indochina was able to successfully defeat the Algerian nationalist rebels on the battlefield while nevertheless losing the war at the conference table This French success between 1954 and 1962 was due in large part to the superior logistical system of the French Army and the use of the helicopter to enhance French operational mobility French counter mobility measures particularly the construction of heavily defended interdiction zones on the eastern and western borders of Algeria proved highly effective against the rebels Such methods essentially cut off the rebel forces from their bases and from sources of supply located outside Algeria and consequently strangled and destroyed the rebel forces within Algeria No other work on the Algerian War focuses upon the role of logistics in the outcome of the conflict The detailed statistical data and comprehensive description and analysis of the logistical organizations and methods of both the French and the nationalist rebels are supplemented by excellent maps This study also provides useful insights into the nature of the wars of national liberation and counter insurgency doctrines that dominated military affairs in the mid 20th century **Assassination! July 14** Ben Abro,2001-01-01 July 14 One of Europe s most sinister terrorist organizations hatches a brilliant plan to assassinate the feared and powerful leader of France President Charles de Gaulle Max Palk an extraordinarily talented British secret agent is summoned to Paris to hunt down the assassins before it is too late Ensnared in a terrifying web of doublecross and death Palk races against the clock to outmaneuver outshoot and outthink his increasingly desperate foes A decade before The Day of the Jackal appeared Ben Abro

s Assassination July 14 became an international sensation thanks to its sizzling plot an ingenious intellectual hero and a realistic depiction of France's volatile political scene in the 1960s In fact the novel proved too real provoking outrage and a lawsuit that shut down its publication For the first time in decades this gripping underground thriller is again widely available The equally riveting story behind the novel and the controversy it spawned are carefully explained in an informative essay by James D Le Sueur Drawing upon interviews with the authors court transcripts and recent evidence and scholarship Le Sueur examines how an item of popular culture could have had such national and international repercussions *The A to Z of Civil Wars in Africa* Guy Arnold,2009-09-02 Ever since the end of World War II and even more so since 1960 when 17 African colonies became independent of colonial rule the African continent has been ravaged by a series of wars These wars have ranged from liberation struggles against former colonial powers to power struggles between different factions in the aftermath of independence They have ranged from border wars between newly independent states to civil wars between ethnic groups As with many conflicts outside forces were drawn into these wars and major powers outside the continent intervened on one side or the other for a variety of reasons political ideology Cold War considerations ethnic alignments and stemming the flow of violence Whether referring to Algeria's struggle for independence from French colonial rule Nigeria's internal struggles to achieve a balanced state after the British departure the Rwandan genocide of 1994 or the current ethnic cleansing in Darfur *The A to Z of Civil Wars in Africa* covers all of the wars that have occurred in Africa since independence This is done through a chronology broken down by country an introductory essay a bibliography and cross referenced dictionary entries covering the wars conflicts major political and military figures child soldiers mercenaries and blood diamonds *The A to Z of Civil Wars in Africa* Guy Arnold,2009-09-02 The A to Z of Civil Wars in Africa covers all of the wars that have occurred in Africa since independence This is done through a chronology broken down by country an introductory essay a bibliography and cross referenced dictionary entries covering the wars conflicts maj
