Persian and Arabic Literary Communities in the Seventeenth Century James White, 2023-06-15 Shortlisted for the 2024 British Kuwait Friendship Society Book Prize A wealth of scholarship has highlighted how commercial political and religious networks expanded across the Arabian Sea during the seventeenth century as merchants from South Asia traded goods in the ports of Yemen noblemen from Safavid Iran established themselves in the courts of the Mughal Empire and scholars from across the region came together to debate the Islamic sciences in the Arabian Peninsula s holy cities of Mecca and Medina This book demonstrates that the globalising

tendency of migration created worldly literary systems which linked Iran India and the Arabian Peninsula through the production and circulation of classicizing Arabic and Persian poetry By close reading over seventy unstudied manuscripts of seventeenth century Arabic and Persian poetry that have remained hidden on the shelves of libraries in India Iran Turkey and Europe the book examines how migrant poets adapted shared poetic forms imagery and rhetoric to engage with their interlocutors and create communities in the cities where they settled The book begins by reconstructing overarching patterns in the movement of over a thousand authors and the economic basis for their migration before focusing on six case studies of literary communities which each represent a different location in the circulatory system of the Arabian Sea In so doing the book demonstrates the plurality of seventeenth century aesthetic movements a diversity which later nationalisms purposefully simplified and misread **Seeker After Truth** Idries Shah,1992 **Cold Kill** Stephen Leather,2008-09-18

Congress. Senate. Committee on Banking, Housing, and Urban Affairs,1972 The Indian Law Reports ,1886 **Mawdudi and the Making of Islamic Revivalism** Seyyed Vali Reza Nasr,1996 Nasr examines the life and thought of Mawlana Mawdudi one of the first and most important Islamic ideological thinkers Mawdudi was the first to develop a modern political Islamic ideology and a plan for social action to realize his vision The prolific writings and indefatigable efforts of Mawdudi s party the Jamaat i Islami first in India and later in Pakistan have disseminated his ideas far and wide His views have informed revivalism from Morocco to

Malaysia Nasr discerns the events that led Mawdudi to a revivalist perspective and probes the structure of his thought in order to gain fresh insights into the origins of Islamic revivalism He argues that Islamic revivalism did not simply develop as a cultural rejection of the West rather it was closely tied to questions of communal politics and its impact on identity formation discourse of power in plural societies and nationalism Mawdudi s discourse though aimed at the West was motivated by Muslim Hindu competition for power in British India His aim according to Nasr was to put forth a view of Islam whose invigorated pristine and uncompromising outlook would galvanize Muslims into an ideologically uniform and hence politically indivisible community In time this view developed a life of its own and evolved into an all encompassing perspective on society and politics and has been a notable force in South Asia and Muslim life and thought across the Muslim world *The Bifrost Guardians* Mickey Zucker Reichert,2000-07-01 Now in one volume the first three novels in the
