## Salinger's *Catcher in the Rye* Vs Criticism:

Salinger's "Catcher in the Rye" Harold Peter Simonson, Philip E. Hager, 1965      *Salinger's The Catcher in the Rye* Sarah Graham, 2007      New Essays on The Catcher in the Rye Jack Salzman, 1991 Five essays focus on various aspects of the novel from its ideology within the context of the Cold War and portrait of a particular American subculture to its account of patterns of adolescent crisis and rich and complex narrative structure      *Essays on Classical Rhetoric and Modern Discourse* Robert J. Connors, Lisa S. Ede, Andrea A. Lunsford, 1984 Eighteen essays by leading scholars in English speech communication education and philosophy explore the vitality of the classical rhetorical tradition and its influence on both contemporary discourse studies and the teaching of writing Some of the essays investigate the rhetorical and historical issues Others show the bearing of classical rhetoric on contemporary problems in composition thus blending theory and practice Common to the varied approaches and viewpoints expressed in this volume is one central theme the 20th century revival of rhetoric entails a recovery of the classical tradition with its marriage of a rich and fully articulated theory with an equally efficacious practice A preface demonstrates the contribution of Edward P J Corbett to the 20th century revival and a last chapter includes a bibliography of his works      *Salinger's Catcher in the Rye* Harold Peter Simonson, 1965      The Absurd Hero in American Fiction David D. Galloway, 1981-06-01 When *The Absurd Hero in American Fiction* was first released in 1966 Granville Hicks praised it in a lead article for the *Saturday Review* as a sensitive and definitive study of a new trend in postwar American literature In the years that followed David Galloway's analysis of the writings of John Updike William Styron Saul Bellow and J D Salinger became a standard critical work an indispensable tool for readers concerned with contemporary American literature The *New York Times* described the book as a seminal study of the modern literary imagination David Galloway himself an established novelist later extensively revised *The Absurd Hero* to include authoritative discussions of more than a dozen novels which had appeared since the first revised edition was released in 1970 Among them are John Updike's *Couples* *Rabbit Redux* and *The Coup* William Styron's *The Confessions of Nat Turner* and *Sophie's Choice* and Saul Bellow's *Mr Sammler's Planet* and *Humboldt's Gift* Through detailed analyses of these works Galloway demonstrates the continuing relevance of his own provocative concept of the absurd hero and provides important insights into the literary achievements of four of America's most influential postwar novelists      *Salinger* David Shields, Shane Salerno, 2013-09-03 An instant *New York Times* bestseller this explosive biography People of one of the most beloved and mysterious figures of the twentieth century is as close as we'll ever get to being inside J D Salinger's head *Entertainment Weekly* This revealing *New York Times* and engrossing *The Wall Street Journal* oral biography fascinating and unique *The Washington Post* and an unmitigated success *USA TODAY* has redefined our understanding of one of the most mysterious figures of the twentieth century In nine years of work on Salinger and especially in the years since the author's death David Shields and Shane Salerno interviewed more than 200 people on five continents many of whom had

previously refused to go on the record about their relationship with Salinger This oral biography offers direct eyewitness accounts from Salinger s World War II brothers in arms his family members his close friends his lovers his classmates his neighbors his editors his publishers his New Yorker colleagues and people with whom he had relationships that were secret even to his own family Their intimate recollections are supported by more than 175 photos many never seen before diaries legal records and private documents that are woven throughout in addition appearing here for the first time are Salinger s lost letters ranging from the 1940s to 2008 revealing his intimate views on love literature fame religion war and death and providing a raw and revelatory self portrait The result is unprecedented Associated Press genuinely valuable Time and strips away the sheen of Salinger s exceptionalism trading in his genius for something much more real Los Angeles Times According to the Sunday Times of London Salinger is a stupendous work I predict with the utmost confidence that after this the world will not need another Salinger biography

**The Catcher in the Rye - J. D. Salinger** Harold Bloom, 2009 The classic 1951 novel by J D Salinger is analyzed

**The Other Fifties** Joel Foreman, 1997 From the Edsel to Eisenhower from Mau Mau to Doris Day and from Ayn Rand to Elvis contributors to The Other Fifties topple the decade s already weakened image as a time of unprecedented peace prosperity and conformity Representing the fifties as a period of cultural transformation contributors reveal the gradual unmaking of traditions and value systems that took place as American culture prepared itself for the more easily observed cultural turbulence of the 1960s Well known contributors demonstrate how television the novel the Hollywood movie the Broadway musical and rock and roll assaulted midcentury American attitudes toward sexuality race gender and class so altering public sensibilities that what was novel or shocking in the fifties seems tame or even downright difficult to grasp today They also rebut the widely held view that 1950s consumerism led to cultural homogeneity replacing this view with a picture of robust popular markets that defied conservative controls and actively subverted conventional norms and values Brushing away the haze of an era The Other Fifties will help readers understand the decade not as placid or repressed but as a time when emancipatory desires struggled to articulate themselves

*J.D. Salinger* Raychel Haugrud Reiff, 2008 A biography of writer J D Salinger that describes his era his major works especially The catcher in the rye his life and the legacy of his writing

*Magill's Bibliography of Literary Criticism: Longus to Sexton* Stephen L. Hanson, Patricia King Hanson, 1979

**J. D. Salinger** Sterling Professor of Humanities Harold Bloom, 2009 Presents a collection of critical essays on Salinger and his works as well as a chronology of events in the author s life

*Salinger's "Catcher in the Rye"* Harold Peter Simonson, Philip E. Hager, 1963

[Understanding The Catcher in the Rye](#) Stuart A. Kallen, 2001 Discusses the novel The Catcher in the Rye including the life of J D Salinger and the novel s cast of characters and themes

**White Diaspora** Catherine Jurca, 2011-11-28 This is the first book to analyze our suburban literary tradition Tracing the suburb s emergence as a crucial setting and subject of the twentieth century American novel Catherine Jurca identifies a decidedly masculine obsession with the suburban home and a preoccupation with its alternative

the experience of spiritual and emotional dislocation that she terms homelessness In the process she challenges representations of white suburbia as prostrated by its own privileges In novels as disparate as Tarzan written by Tarzana California real estate developer Edgar Rice Burroughs Richard Wright s Native Son and recent fiction by John Updike and Richard Ford Jurca finds an emphasis on the suburb under siege a place where the fortunate tend to see themselves as powerless From Babbitt to Rabbit the suburban novel casts property owners living in communities of their choosing as dispossessed people Material advantages become artifacts of oppression and affluence is fraudulently identified as impoverishment The fantasy of victimization reimagines white flight as a white diaspora Extending innovative trends in the study of nineteenth century American culture Jurca s analysis suggests that self pity has played a constitutive role in white middle class identity in the twentieth century It breaks new ground in literary history and cultural studies while telling the story of one of our most revered and reviled locations the little suburban house at number one million and ten Volstead Avenue that Edith Wharton warned would ruin American life and letters      *Encyclopedia of the American Novel* Abby H. P. Werlock,2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this      J. D. Salinger's the Catcher in the Rye Harold Bloom, Sterling Professor of Humanities Harold Bloom,2014-05-14 Presents a collection of essays analyzing Salinger s The catcher in the rye including a chronology of his works and life      Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1967 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June      The Re(a)d Menace Kristin L. Matthews,2004      Library of Congress Information Bulletin ,1987
