Salome Drame En Un Acte:

Salome. La sainte courtisane. A Florentine tragedy Oscar Wilde, 1911 *Salomé, La Sainte Courtisane [and] A Florentine Tragedy* Oscar Wilde, 1917 **The Complete Works of Oscar Wilde ...: Salome : a tragedy in one act : original French version** Oscar Wilde, 1923 **Salomé** Oscar Wilde, 1918 Salomé. A Florentine tragedy. Vera Oscar Wilde, 1908 *Oscar Wilde's Decorated Books* Nicholas Frankel, 2000 With extensive reference to and exposition on Wilde's theoretical writings and letters Frankel shows that far from being marginal elements of the literary text these decorative devices were central to Wilde's understanding of his own writings as well as to his aesthetic theory of language Extensive illustrations support Frankel's arguments **The Influence of Oscar Wilde on W.B. Yeats** Noreen Doody, 2018-08-07 This book asserts that Oscar Wilde 1854-1900 was a major precursor of W.B. Yeats 1865-1939 and shows how Wilde's image and intellect set in train a powerful influence within Yeats's creative imagination that remained active throughout the poet's life The intellectual concepts metaphysical speculations and artistic symbols and images which Yeats appropriated from Wilde changed the poet's perspective and informed the imaginative system of beliefs that Yeats formulated as the basis of his dramatic and poetic work Section One Influence and Identity 1888-1895 explores the personal relationship of these two writers their nationality and historical context as factors in influence Section Two Mask and Image 1888-1917 traces the creative process leading to Yeats's construction of the antithetical mask and his ideas on image in relation to the role of Wilde as his precursor Finally Salome Symbolism Dance and Theories of Being 1891-1939 concentrates on the immense influence that Wilde's symbolist play *Salome* wrought on Yeats's imaginative work and creative sensibility **The Library of Edmund Gosse** Edmund Gosse, 1924 **Bibliotheca Lindesiana ...** James Ludovic Lindsay Earl of Crawford, 1910

Florentine tragedy Oscar Wilde, 1910 *The Drama*, 1920 Drama, 1922 The Drama Magazine ... Charles Hubbard Sergei, William Norman Guthrie, Theodore Ballou Hinckley, 1922 *Carmen de Burgos* Abigail Lee Six, 2016-05-01 This is a scholarly edition of three stories by Carmen de Burgos 1867-1932 including the unabridged texts vocabulary notes chronology bibliography temas de debate y discusi n and a critical introduction De Burgos also known by her pen name of Colombine was an influential journalist socio-political activist and a key literary figure in the cultural ferment of pre-war Madrid She is currently being rediscovered having languished in a long and regrettable oblivion during the Franco years *Confidencias* 1920 is the fictional diary of a young married woman describing her first adulterous relationship and exploiting the narratological possibilities of the diary form *La mujer fra* 1922 is a vampire story featuring perhaps the very first pitiable vampire or at least one of the earliest examples of this type whilst ingeniously maintaining undecidability as to whether the protagonist is supernatural *Pu al de claveles* 1931 narrates a wedding day elopement and was inspired by a news item the so-called *Crimen de N jar* of 1928 Federico Garc a Lorca drew on de Burgos's story and the real-life crime for his *Bodas de sangre* but while his play is tragic *Pu al* is bathed in a golden glow of nostalgia for the author's native Andalusia and ends

optimistically As well as making accessible three individually interesting and entertaining stories this book offers a varied selection with some of the issues closest to Colombine s heart tackled from different perspectives but adding up to a coherent critique of marriage conventions women s poor education and prevailing ideals of femininity Modern Drama and Opera,1911 Music and the Queer Body in English Literature at the Fin de Siècle Fraser Riddell,2022-04-14 The first comprehensive study of music and queer identities in late nineteenth and early twentieth century English literature

Brilliant Modernism Nicoletta Asciuto,2025-01-07 A study that is enlightening in every sense of the term This book is full of new material profound insights and fascinating illustrations all of which are presented in a clear engaging prose style Asciuto has successfully undertaken a difficult and far reaching task showing how the encounter with electric light helped create a new form of poetics that reached into many or even most corners of modern aesthetics *Oscar Wilde on Trial* Joseph Bristow,2022-01-01 The most authoritative account of a pivotal event in legal and cultural history the trials of Oscar Wilde on charges of gross indecency Among the most infamous prosecutions of a literary figure in history the two trials of Oscar Wilde for committing acts of gross indecency occurred at the height of his fame After being found guilty Wilde spent two years in prison emerged bankrupt and died in a cheap hotel room in Paris a few years after his release The trials prompted a new intolerance toward homosexuality habits of male bonding that were previously seen as innocent were now viewed as a threat and an association grew in the public mind between gay men and the arts Oscar Wilde on Trial assembles accounts from a variety of sources including official and private letters newspaper accounts and previously published but very incomplete transcripts to provide the most accurate and authoritative account to date of events that were pivotal in both legal and cultural history **Beautiful Untrue Things** Gregory Mackie,2019-05-09 Borrowing its title from Oscar Wilde s essay *The Decay of Lying* this study engages questions of fraudulent authorship in the literary afterlife of Oscar Wilde The unique cultural moment of Wilde s early twentieth century afterlife Gregory Mackie argues afforded a space for marginal and transgressive forms of literary production that ironically enough Wilde himself would have endorsed Beautiful Untrue Things recovers the careers of several forgers who successfully inhabited the persona of the Victorian era s most infamous homosexual and arguably its most successful dramatist More broadly this study tells a larger story about Oscar Wilde s continued cultural impact at a moment when he had fallen out of favour with the literary establishment It probes the activities of a series of eccentric and often outrageous figures who inhabited Oscar Wilde s much mythologized authorial persona in forging him they effectively wrote as Wilde in order to argue that literary forgery can be reimagined as a form of performance But to forge Wilde and generate beautiful untrue things in his name is not only an exercise in role playing it is also crucially a form of imaginative world making resembling what we describe today as fan fiction *The Library of John Quinn* John Quinn,1924
