

Service Level Agreement

1. DEFINITIONS

- 1.1. "Agreement" refers to this Service Level Agreement (SLA), including all schedules, appendices, annexes, and any subsequent amendments.
- 1.2. "Party" refers to either the Service Provider or the Customer. "Parties" refers to both collectively.
- 1.3. "Service Provider" refers to _____.
- 1.4. "Customer" refers to _____.
- 1.5. "Services" refers to those described in Section 2.1.
- 1.6. "Data" refers to all information and content provided by the Customer for the purpose of this Agreement.

2. SERVICES

- 2.1. The Service Provider agrees to provide the Customer with the following services:

3. SERVICE LEVELS

- 3.1. The Service Provider will ensure that the Services are provided to the Customer on a continuous and fault-free basis, as detailed in the Service Level Schedule attached to this Agreement.

4. DATA PROTECTION

- 4.1. The Service Provider shall comply with all relevant data protection laws and regulations, including but not limited to data storage, transfer, and processing of the Customer's Data.
- 4.2. The Service Provider shall ensure that appropriate security measures are in place to protect the Data against unauthorized or unlawful processing and against accidental loss, destruction, or damage.

5. LIABILITY

- 5.1. The Service Provider's total liability for any claim arising out of or in connection with this Agreement, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall not exceed the total amount paid by the Customer to the Service Provider under this Agreement during the 12 months immediately preceding the event giving rise to the claim.
- 5.2. Neither Party shall be liable to the other for any indirect or consequential loss or damage.

6. TERMINATION

Service Support Agreements:

Position Classification Standards United States. Office of Personnel Management. Office of Classification,1990

International Agreements United States. General Accounting Office,1987 *A Guide to Federal Terms and Acronyms* Don Philpott,2010-12-28 Navigating government documents is a task that requires considerable knowledge of specialized terms and acronyms This required knowledge nearly amounts to knowing a completely different language To those who are not fluent the task can be overwhelming as federal departments fill their documents with acronyms abbreviations and terms that mean little or nothing to the outsider Would you be able to make sense of a document that described how the COTR reports to the CO regarding compliance with FAR GPRA SARA and FASA This is a common procedure in government contracting Would you have any clue what was being referred to if you came across MIL STD 129P It is the new standard for Military Shipping Label Requirements The sheer number of such terms makes mastering them nearly impossible But now these terms and their definitions are within reach A Guide to Federal Terms and Acronyms presents a glossary of key definitions used by the Federal Government This reference guide is comprehensive covering the most common terms acronyms and abbreviations used by each major Federal Government agency And it is also accessible organized in a logical easy to use format Users can look up terms and acronyms by department or subject matter making this a quick reference for translating government language This is an essential tool for anyone who works with federal government information
