Service Evangelism

Priscilla Pope-Levison

Service Evangelism:

Service Evangelism Richard Stoll Armstrong, 1979-01-01 Service Evangelism has been used by thousands of pastors and lay leaders throughout the United States and Canada to advance a style of evangelism that combines the social and personal dimensions of the gospel

Four Views of Youth Ministry and the Church Wesley Black, Chap Clark, Malan Nel, 2010-01-05 Join the conversation as experts propose defend and explore Four Views of Youth Ministry and the Church In a dialog that often gets downright feisty four youth ministry academicians delineate their distinct philosophical and ecclesiological views regarding how youth ministry relates to the church at large and leave a taste of what s profound and what s not in these four typologies Inclusive congregational Malan Nel What happens when a church thoroughly integrates its adolescents making them full partners in every aspect of congregational life Preparatory Wesley Black Why and how should a church consider its teenagers as disciples in training and its youth ministry a school of preparation for future participation in church life Missional Chap Clark What does a church look like whose youth ministry does not necessarily nurture church kids but is essentially evangelistic Whose youths and youth workers are considered missionaries Strategic Mark Senter How feasible is it for a youth ministry to become a new church on its own the youth pastor becoming the pastor and the new church planted with the blessing of the mother church In Four View of Your Ministry and the Church solid academic writing and an inviting tone and design create a compelling text for both in the field practicing youth workers and undergraduates and graduate students

Models of Evangelism Priscilla Pope-Levison, 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model

Evangelism Today Scott Dawson, Scott Lenning, 2009-08-01 Although the message of the Gospel never changes our methods for communicating it need to adjust to an ever changing audience Evangelism Today helps believers whether individually or in groups share their faith in a culturally relevant way This book draws on insights from dozens of evangelists church leaders and educators to reveal present and future trends of evangelism in America It explores whether evangelism is still needed and in what form what the local church s role should be and where the biggest evangelistic opportunities are emerging Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and

straightforward book *Be Dynamic (Acts 1-12)* Warren W. Wiersbe, 2012-12-10 The ministry of the Holy Spirit is not a luxury it is an absolute necessity writes celebrated author and respected pastor Warren Wiersbe In his first of two books covering Acts *Be Dynamic* focuses on Peter's ministry mostly in Israel and centered in Jerusalem Through explaining Luke's record of the Gospel's advancement and church expansion Wiersbe opens the door to understanding the work of the church today Using hard hitting quotes from recognized names like St Augustine and John Bunyan Wiersbe proves himself as a well read author and gifted writer The depth of his study is astounding yet the accessibility of his text for every age group is evident as well He proves what Luke intended for Acts to be interpreted not as the apostles glorious acts but as the life changing acts of the Holy Spirit The same Spirit lives in believers today the same God calls followers to expand His church and the same basic problems still arise within the church but the same power available then is still available now to change the nations *Saving Souls, Serving Society* Heidi Rolland Unruh, Ronald J. Sider, 2005-10-06 As public funding for social services has been slashed there has arisen an unprecedented interest in the potential and dangers of faith based institutions as agents of social change This text seeks to answer pressing questions surrounding this important and controversial issue

Churches That Make a Difference Ronald J. Sider, Philip N. Olson, Heidi Rolland Unruh, 2002-04-01 Churches over the past generations have been weakened by a failure to meet both the physical and spiritual needs of their communities Many have adopted a narrow vision focusing on only one aspect of ministry But in today's environment of faith based opportunities many Christians are eager to start reaching out to their world with both Good News and good works and therefore they are searching for appropriate ways to integrate both into their ministry In *Churches That Make a Difference* best selling author Ron Sider and his coauthors give those involved in community outreach a comprehensive resource for developing holistic ministry a balance of evangelism and social outreach Illustrations and helpful organizational tips detail the how to's of an effective holistic ministry Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications User friendly tools are included as well for congregational studies surveys evaluations and community assessments The authors draw on extensive experience with church ministries and faith based organizations as they share the life changing vision and biblical mandate for living the whole gospel Church leaders will be encouraged in their process of developing and maintaining a holistic ministry and local churches will rediscover a passion for loving the whole person the way Jesus did *The 7 Principles of an Evangelistic Life* Douglas M. Cecil, 2003-06-01 Just hearing the word evangelism stirs emotions in believers and unbelievers alike Because of this many believers shy away from the topic altogether Douglas Cecil believes we must bring a sense of balance into our approach to evangelism *The 7 Principles of an Evangelistic Life* is not another book on evangelism methods rather the author focuses on helping believers develop a lifestyle of evangelism that relies completely on the Holy Spirit Evangelism is a spiritual adventure and readers will be challenged to re think how they live it out **Small Group Outreach** Jeffrey

Arnold,1998-01-01 Jeffrey Arnold in this book on the dynamics of small group spirituality argues that healthy small groups must grow outward in their commitment to those outside the group in evangelism prayer and missions **Get Their Name**

Bob Farr,Doug Anderson,Kay Kotan,2013-05-01 Change your church culture Create an outwardly focused environment where hospitality and invitation happen Sunday and every day of the week This book offers five steps to help congregations go public with their faith from service projects to sharing the faith with persons who want to know more about Christ and thw church This book offers tactics to increase individual and church competency with relational evangelism with friends neighbors and even strangers Learn how to start up a conversation follow up with contacts and navigate unfamiliar settings Learn what works and what doesn t We may think that just because we invite someone on our church property they ll come back Often we don t reach out to help people cross the faith line because we re uncomfortable with evangelism or just plain scared Gain the confidence to share the good news boldly After all we know the name of the One who loves us all and who holds all power over heaven and earth **The Methodist Review** ,1924 **The Mission of the Triune God** Adam Dodds,2017-07-31 Lesslie Newbigin was arguably the greatest missionary thinker of the twentieth century After a successful missionary career in south India Newbigin pioneered missionary engagement with the secular West and resurgent Islam He also led the way in arguing that the Church s mission can only be understood in light of the doctrine of the Trinity Over fifty years ago Newbigin called for the further development of missionary thinking grounded in the Triune being of God This work is in response to that call Adam Dodds provides the first in depth study of Newbigin s trinitarian theology of mission Dodds constructs a systematic account of the central features of the mission of the Triune God the Triune being of God the mission of the Son the mission of the Holy Spirit and the mission of the church This book contributes to our understanding of the work of Lesslie Newbigin offers a systematic theological account of the mission of the Triune God and contributes to the retrieval of Christian mission from the theological margins back to a place of central importance to Christian theology

Community Engagement in Christian Higher Education P. Jesse Rine,Sandra Quiñones,2020-12-29 Originally published as a special issue of Christian Higher Education this volume showcases diverse forms of community engagement work carried out by faith based colleges and universities throughout the US Acknowledging the rise of community engagement as a contemporary expression of a longstanding civic impulse Community Engagement in Christian Higher Education explores how religious mission and identity animate institutional practice across various forms of Catholic and Protestant Higher Education Offering perspectives from faculty members administrators and community partners at nine different US institutions chapters highlight effective initiatives that have been actively implemented in rural urban and suburban contexts to meet local needs and serve the public good With a focus on practical community work the text demonstrates the very concrete ways in which Christian values can inform and foster community engagement This volume will be of interest to scholar practitioners researchers and academics in the fields of higher education sociology of education religious education

and practical theology More broadly the text offers important insights for faith leaders and the faculty of faith based institutions exploring issues of community identity and shared purpose **Undivided Love** Janet Gear,2022-05-25

Undivided Love is a book about faith how it is expressed and what it communicates Janet Gear offers readers a sympathetic way to interpret the belief inspired actions of those around them without assuming homogeneous understandings of God the church and our place in the world Recognizing the pastoral and strategic challenges provoked by conflicting understandings of what the church is for Gear guides leaders in the artistry of handling shadows and strengths coexisting across five streams of lived faith evangelical ecclesial missional ecumenical and spiritual Ultimately Undivided Love empowers congregations to navigate the terrain of theological diversity shared by their community of faith to nurture its various longings and receive its unique gifts and to ultimately address the deeper question What are we called to do *Herald of Gospel Liberty* Elias Smith,1913 **Evangelizing Neopagan North America** Alfred C. Krass,2001-03-01 *Building the Old Time Religion* Priscilla Pope-Levison,2015-01-08

During the Progressive Era a period of unprecedented ingenuity women evangelists built the old time religion with brick and mortar uniforms and automobiles fresh converts and devoted prot g s Across America entrepreneurial women founded churches denominations religious training schools rescue homes rescue missions and evangelistic organizations Until now these intrepid women have gone largely unnoticed though their collective yet unchoreographed decision to build institutions in the service of evangelism marked a seismic shift in American Christianity In this ground breaking study Priscilla Pope Levison dusts off the unpublished letters diaries sermons and yearbooks of these pioneers to share their personal tribulations and public achievements The effect is staggering With an uncanny eye for essential details and a knack for historical nuance Pope Levison breathes life into not just one or two of these women but two dozen The evangelistic empire of Aimee Semple McPherson represents the pinnacle of this shift from itinerancy to institution building Her name remains legendary Yet she built her institutions on the foundation of the work of women evangelists who preceded her Their stories untold until now reveal the cunning and strength of women who forged a path for every generation including our own to follow Back cover **Compassion and the Mission of God** Rupen Das,2016-01-14

Why does God care for the poor the vulnerable and the marginalized This book traces God s compassion as it is revealed in the Old and New Testaments exploring the expression and impact of compassion in the early church through its actions and teachings as part of its witness Focusing on the church s responsibility to be compassionate Dr Rupen Das underlines the theological and missiological questions central to any discussion on the compassion of God Culminating with how compassion is lived out by God s people the book looks at concepts of transformation and the demonstration of the kingdom of God in the real world This book provides an excellent biblical and theological foundation for anyone involved or interested in ministries of social justice relief development and compassion **Worship and Congregational Singing** David Neu,2016-06-30

This book constitutes the author s effort to provide a biblical foundation for answers to questions regarding congregational

singing The present work is broader in scope than the author's smaller book *Volumes of Praise for a Vanishing God* and unlike the earlier volume contains full documentation and end notes many of which pursue topics of interest that are mentioned only briefly in the text proper Each chapter of this book ends with a brief list of questions to spur further study and discussion It is hoped that this book may be useful as a text for a seminary course on congregational singing a course that the author believes to be great need for the church of the twenty first century Special attention is given to the issues raised in the music wars of the past fifty years The Manual of Inter-church Work Federal Council of the Churches of Christ in America. Commission on Inter-church Federations, 1917
