Serving In Silence Margarethe Cammermeyer Tv Mo:

SERVING IN SILENCE Margarethe Cammermeyer with Chris Fisher, 2005-08-02 VIETNAM VETERAN RECIPIENT OF THE BRONZE STAR MOTHER OF FOUR VA NURSE OF THE YEAR DISCHARGED In 1989 during a routine interview for top secret security clearance U S Army Colonel Margarethe Cammermeyer revealed that she was a lesbian and began an ordeal that continues to this day Despite her distinguished twenty six year military career she was discharged from the U S Army Her dismissal has garnered intense media coverage and stirred debate all the way to the presidency In this revealing autobiography Cammermeyer writes of her decision to challenge the official policy on homosexuals in the military and of her recent victory in Federal District Court But much more than a book laws and politics *Serving in Silence* is about coming of age being a mother and finding one's center about coming out the daily horrors of nursing in Vietnam and a female soldier's brave life THE BOOK THAT INSPIRED THE TELEVISION MOVIE **The Barbara Streisand Scrapbook** Allison J.

Waldman, 2001 A biographical tribute to Barbra Streisand her fame stardom and personal life with photographs and illustrations The Queer Encyclopedia of Film and Television Claude Summers, 2012-04-24 From Hollywood films to TV soap operas from Vegas extravaganzas to Broadway theater to haute couture this comprehensive encyclopedia contains over 200 entries and 200 photos that document the irrepressible impact of queer creative artists on popular culture How did Liberace's costumes almost kill him Which lesbian comedian spent her high school years as the best white cheerleader in Detroit For these answers and more fans can dip into *The Queer Encyclopedia of Film Theater and Popular Culture* Drawn from the fascinating online encyclopedia of queer arts and culture www.glbtc.com which the Advocate dubbed the Encyclopedia Britanniqueer this may be the only reference book in which RuPaul and Jean Cocteau jostle for space From the porn industry to the Sisters of Perpetual Indulgence from bodybuilding to Dorothy Arzner it's a queer queer world and *The Queer Encyclopedia* is the indispensable guide readable authoritative and concise And perfect to read by candlelight The answers to the two questions above from the dry cleaning fumes Lily Tomlin *Gay TV and Straight America* Ron Becker, 2006-02-02 After decades of silence on the subject of homosexuality television in the 1990s saw a striking increase in programming that incorporated and in many cases centered on gay material In shows including *Friends* *Seinfeld* *Party of Five* *Homicide* *Suddenly Susan* *The Commish* *Ellen* *Will Grace* and others gay characters were introduced references to homosexuality became commonplace and issues of gay and lesbian relationships were explored often in explicit detail In *Gay TV and Straight America* Ron Becker draws on a wide range of political and cultural indicators to explain this sudden upsurge of gay material on prime time network television Bringing together analysis of relevant Supreme Court rulings media coverage of gay rights battles debates about multiculturalism concerns over political correctness and much more Becker's assessment helps us understand how and why televised gayness was constructed by a specific culture of tastemakers during the decade On one hand the evidence points to network business strategies that embraced gay material

as a valuable tool for targeting a quality audience of well educated upscale adults looking for something edgy to watch But Becker also argues that the increase of gay material in the public eye creates growing mainstream anxiety in reaction to the seemingly civil public conversation about equal rights In today s cultural climate where controversies rage over issues of gay marriage yet millions of viewers tune in weekly to programs like *Queer Eye for the Straight Guy* this book offers valuable insight to the complex condition of America s sexual politics

Women at War Rosemarie Skaine, 1999-03-15 The Persian Gulf War changed the face of combat It brought women s military roles into the spotlight in large part via the mass media and showed that many women performed combat roles similar to those of men during the conflict The war was thus an impetus for changes in laws that had prevented women from serving in combat assignments In past centuries because it was not culturally acceptable for women to serve in combat surprising numbers joined secretly under assumed male names After defining exactly what is meant by war and combat this work presents historical and present day views of the involvement of women in the military The impact of regulations on women in combat is analyzed as is the role of the American public in the controversy Female combat is put into context with sociological theory also discussed are readiness cohesion ability sexuality equal opportunity and family issues

Gay Seattle Gary L. Atkins, 2011-10-17 Winner of a 2004 Washington State Book Award Winner of a 2004 Alpha Sigma Nu ASN Jesuit Book Award In 1893 the Washington State legislature quietly began passing a set of laws that essentially made homosexuality and eventually even the discussion of homosexuality a crime A century later Mike Lowry became the first governor of the state to address the annual lesbian and gay pride rally in Seattle *Gay Seattle* traces the evolution of Seattle s gay community in those 100 turbulent years telling through a century of stories how gays and lesbians have sought to achieve a sense of belonging in Seattle Gary Atkins recounts the demonization of gays by social crusaders around the turn of the century the earliest prosecutions for sodomy the official harassment and discrimination through most of the twentieth century and the medical discrimination and commitment to mental hospitals that continued into the 1970s as homosexuality was diagnosed as a disease that could be cured Places of refuge from this imposed social exile were created in underground theater and dance clubs the Gold Rush era burlesque shows modern drag theater and in mid century the emergence of openly gay bars from the Casino to Shelley s Leg Many of these were subjected to steady exploitation by corrupt police until bar owner MacIver Wells and two Seattle Times reporters exposed the racket The increasingly public presence of gays in Seattle was accompanied by the gradual coalescence of social services and self help organizations such as the Dorian Society gay businesses and advocacy groups including the Greater Seattle Business Association and the stormy relationship between the Vatican Seattle s Catholic hierarchy and gay worshippers Atkins narrative reveals the complex and often frustrating process of claiming a civic life showing how gays and lesbians have engaged in a multilayered struggle for social acceptance against the forces of state and city politics the police the media and public opinion The emergence of mainstream political activism in the 1970s and ultimately the election of Cal Anderson and

other openly gay officials to the state legislature and city council were momentous events yet shadowed by the devastating rise of AIDS and its effect on the homosexual community as a whole These stories of exile and belonging draw on numerous original interviews as well as case studies of individuals and organizations that played important roles in the history of Seattle's gay and lesbian community Collectively they are a powerful testament to the endurance and fortitude of this minority community revealing the ways a previously hidden sexual minority comes out as a people and establishes a public presence in the face of challenges from within and without

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public

Encyclopedia of Lesbian Histories and Cultures Bonnie Zimmerman, 2013-08-21 Volume one of this two volume set focuses on lesbian

history and culture beginning in 1869 when the study of homosexuality was said to have begun with the establishment of sexology. It is intended as a reference for students and scholars in many fields as well as the general public. Challenging Lesbian Norms Angela Pattatucci-Aragon, 2013-02-01. What constitutes lesbian identity? The term homonormativity describes current prevailing idealized assumptions about lesbian identity. This concept however marginalizes subgroups within the greater lesbian population. Challenging Lesbian Norms: Intersex, Transgender, Intersectional and Queer Perspectives dynamically confronts homonormativity in lesbian communities by presenting expert multidisciplinary discussion about what is a definable lesbian identity. This text sensitively explores difficult issues about gender policing and the viewpoints in lesbian communities that hold that transgender intersectional and queer individuals are considered to have false consciousness. Consequences of lesbian normativity both for lesbian communities and for marginalized groups are examined through literary criticism, lesbian feminist and queer theories, corporeal philosophy, film, television, cultural criticism, personal narratives, public health, and field research. The issue of the authenticity of lesbian identity causes rifts between some lesbian communities and the groups that strive to be included yet are still marginalized. Challenging Lesbian Norms directly exposes practices and beliefs within lesbian communities that lead to the assumption of the prototypical lesbian. The book courageously reveals the similarities of lesbian normative stances with other views such as Christian conservative rhetoric and reviews the health consequences of being marginalized within the lesbian communities. This text actively challenges the foundational notion within lesbian communities that a stable immutable lesbian sex exists. Topics in Challenging Lesbian Norms include human physiology, the flexibility of sexuality, and biologic determinism, marginalization within lesbian communities, transsexualism, and Lesbian Theory, gender and sexual identity construction, partnering practices, and issues involving queer identified youth, demystification of the gay vibe from a femme queer woman's perspective, lesbian feminism, gender policing, and casting butch, FTM, and transgendered subjectivities as false consciousness representations of lesbians in television movies. Native American two spirit women teaching transgender and its transformative effect, identity modeling, inclusion of transgender and intersex individuals within the lesbian communities, transgender characters in film, Latina lesbians, and mental health. Challenging Lesbian Norms is stimulating, eye-opening reading that is perfect for activists, educators, and students in LGBT and women's studies, and public health professionals. *Encyclopedia of Television Film Directors* Jerry Roberts, 2009-06-05. From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini series like *Band of Brothers*, long form television programs have been helmed by some of the most creative and accomplished names in directing. *Encyclopedia of Television Film Directors* brings attention to the directors of these productions, citing every director of stand-alone long form television programs, made-for-TV movies, movie-length pilots, mini series, and feature length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also

provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium

Inside the Rise of HBO Bill Mesce, Jr., 2015-07-04 There are two ages in the history of television before HBO and after HBO Before the launch of Home Box Office in 1972 the industry had changed little since the birth of broadcast network television in the late 1940s The arrival of the premium cable channel began a revolution in the business and programming of TV For the generation that has grown up with the vast array of viewing choices available today it is almost inconceivable that our ever expanding media universe began with a few hours of unimpressive programming on a single cable channel Written by an insider this is the story of HBO's reconfiguration of television and the company's continual reinvention of itself in a competitive and dynamic industry [The Best in Television](#) Morrie Gelman, Gene Accas, 1998 A tribute to the brilliant producers directors writers and stars that made television programming possible presents a photographic review of the last fifty years and coincides with the Emmy anniversary network special to be aired on September 13 1998 **The Prime Time Closet** Stephen Tropiano, 2002 A comprehensive study of homosexuality on television from the 1950s to 2002 Through an analysis of over 300 television episodes made for TV movies and mini series this fascinating account of the evolution of the portrayal of gay men and lesbians offers an in depth look at how four major television genres medical series police detective shows drama and situation comedies approached the subject of homosexuality From 1950s talk shows that tackled the problem of homosexuality to Ellen DeGeneres's historic coming out in 1997 it reveals how television's treatment of homosexuality has reflected and reinforced society's ignorance and fear of gay men lesbians and transgender people and celebrates the programs that broke new ground in their sensitive enlightened approach to homosexuality and gay related themes and issues such as homophobia gay bashing and AIDS From publisher description *Encyclopedia of Television* Horace Newcomb, 2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclopedia of Television 2nd edition website **The Advocate**, 1997-02-18 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Convergence Media History** Janet Staiger, Sabine Hake, 2009-07 Convergence Media History explores the ways that digital convergence has radically changed the field of media history Writing media history is no longer a matter of charting the historical development of an individual medium such as film or television Instead now that various media from blockbuster films to everyday computer use intersect regularly via convergence scholars must find new ways to write media history across multiple media formats This collection of eighteen new essays by leading media historians and scholars examines the issues today in writing media history and

histories Each essay addresses a single medium including film television advertising sound recording new media and more and connects that specific medium s history to larger issues for the field in writing multi media or convergent histories Among the volume s topics are new media technologies and their impact on traditional approaches to media history alternative accounts of film production and exhibition with a special emphasis on film across multiple media platforms the changing relationships between audiences fans and consumers within media culture and the globalization of our media culture
