Serving Their Communities Stephen Warley, 2005 The New York State Broadcasters Association was founded in 1955 with a mission to provide radio and television broadcasters a stronger voice in government and in the shaping of policies affecting media This book chronicles in

detail the history and impact of one of the nation's most influential media organizations Representing television and radio broadcasting in the largest market in the country NYSBA has helped set a national political agenda just as it has worked for smaller stations and markets throughout the state Stephen Warley tracks the way the Association has responded to a host of important issues technological economic political legal and cultural as it serves not only the profession but also the larger public interest in effective media access during an era of rapid consolidation He also includes personal accounts from almost one hundred well known broadcasters *Minority Participation in the Media* United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Telecommunications, Consumer Protection, and Finance, 1984 **Extension**

Service Review United States. Extension Service (1970-), 1955 **Addition through Subtraction** Desmond Barrett, 2022-04-13 What if the crucial member was not as vital as you first thought What if the crucial member was a critical member that was holding back the church Think about it this way what if the person's subtraction leaving the church became an addition for the body If you are confused do not give up on this resource just yet Stick with Desmond Barrett as he unpacks what he has learned leading established churches Be honest with yourself leadership can be challenging through any loss but when someone leaves on purpose and in turn blames you it's gut wrenching Know this truth God has a plan for the local church and if you are willing to surrender to God's plan great things will come from the loss God revealed to the author several years ago ways to look at subtraction as addition and see it as a positive rather than a negative The Effective Museum John W. Jacobsen, 2022-09-14 The Effective Museum Rethinking Museum Practices to Increase Impact features practical suggestions for how to be more successful at achieving a museum's intentional purposes These practical suggestions can help you revise your museum's conceptual framework revitalize your audiences and supporters reorganize your museum reinvest in your resources staff collections facilities etc reposition your programming and restore management basics This book seeks to help you rethink these key museum practice through a diversity of suggestions not a single system However the suggestions share definitions and frameworks and a unifying voice and structure While any museum can adopt whichever suggestions are appropriate the last chapter helps you explore how the suggestions might be mutually reinforcing Each chapter includes a generalized statement of a problem and the need for new ideas b new suggestions implementable in many museums c the likely resistance e a summation of the idea's potential impacts and benefits and e the start of an implementation process The suggestions vary in form some are suggested strategies others lists of options or research questions or implementation steps In attitude The Effective Museum is not thou shall but much more think about trying this suggestion Underlying all suggestions is a new way of thinking about museum practices as a basis for readers to build their own learning and legacy **Small Church, Excellent Ministry** Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact

their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches
