ideas about meaning and purpose it's more important than ever to embrace the gospel story as the ultimate lens through which we understand life. For centuries Christians have relied on catechisms, question and answer summaries of faith to teach the faith and disciple new believers. The Gospel Way Catechism reclaims this powerful practice, explaining 50 essential Christian beliefs in a clear Q & A format. But it doesn't stop there. Each answer not only clarifies the core tenets of faith but also equips you to identify and challenge today's common yet powerful cultural narratives. As you are formed by biblical answers to essential questions about God, life, and faith, you will also be counterformed so you can identify the shortcomings of secular scripts and subvert them with the gospel. Suitable for individual, group, and church-wide study, this discipleship tool provides an effective antidote to Western culture's inherent self-centeredness. Let this guide strengthen your faith and empower you to be salt and light in a culture desperate for meaning. *Spiritual Disciplines for the Christian Life* Donald S. Whitney (Professor), 2014. Drawn from a rich heritage, *Spiritual Disciplines for the Christian Life* will guide you through a carefully selected array of disciplines. By illustrating why the disciplines are important, showing how each one will help you grow in godliness, and offering practical suggestions for cultivating them, *Spiritual Disciplines for the Christian Life* will provide you with a refreshing opportunity to become more like Christ and grow in character and maturity. Now updated and revised to equip a new generation of readers, this anniversary edition features in-depth discussions on each of the key disciplines.

**Glory in the Ordinary** Courtney Reissig, 2017-04-13. Folding laundry. Weeding the garden. Cooking dinner. Changing diapers. Work in the home can seem so ordinary. Does any of it matter? Is there meaning in our most mundane moments at home? When the work of the home fills our days, it is easy to get disillusioned and miss God's grand purpose for our work. As image bearers of the Creator who made us to work, we contribute to society, bringing order out of chaos and loving God through loving others, meaning there's glory in every moment. In this encouraging book, Courtney Reissig combats the common misconceptions about the value of at-home work, helping us see how Christ infuses purpose into every facet of the ordinary. *Reviving the Golden Rule* Andrew DeCort, 2025-10-02. The Revolutionary Power of Loving Your Neighbor. Discover the transformational power of neighbor love in theologian and ethicist Andrew DeCort's *Reviving the Golden Rule*. This thought-provoking work illuminates the revolutionary ethics of loving your neighbor, weaving together history, theology, and practical guidance. Through this in-depth historical survey of the ethics of neighbor love, DeCort invites readers to reclaim loving their neighbor as a powerful force for justice, healing, and human flourishing. The biblical charges to love your neighbor as yourself and to do to others as you would have them do to you are at the heart of Abrahamic faith. DeCort argues that they are also at the heart of some of the most groundbreaking developments in human rights and the common good. Jesus taught neighbor love and promised, "Do this and you will flourish." But Christians today are at high risk of ignoring or overthrowing the most daring teaching of Jesus' movement. Having heard it repeatedly and having benefited immensely from its cultural effects, we have become dulled to neighbor love's revolutionary power. In response, *Reviving the Golden Rule*.

Explores the ethics of neighbor love from the ancient world to modern times Examines how neighbor love challenges the oppressive power of othering and expands human connection Highlights inspiring figures like Dietrich Bonhoeffer Mother Teresa and Oscar Romero who practiced neighbor love among marginalized communities Addresses instances where Christians have failed to uphold neighbor love Provides practical guidance on how to love and embrace othered neighbors today In one of the only historical and constructive works on the ethics of neighbor love DeCort invites us to reclaim this ancient movement Get your copy today and learn to embody this revolutionary practice amidst crises for the healing of the world

**The Freedom of the Christian** Martin Luther, Adam Francisco, 2020-10-15 The Freedom of the Christian was Martin Luther's first public defense of the doctrine of justification by grace through faith on account of Christ alone Luther's explosive rediscovery of the Gospel of Jesus Christ shattered the Church of Rome's foundation of works which considered good works a part of salvation instead of a result of it Here Luther constructed a rich theology that relies on the full power of the Gospel which not only grants saving faith but also nurtures that faith through good works done in the freest service This new abridged translation from Adam Francisco featuring a brief essay from Scott Keith leaves no doubt that the Christian secure in Christ is truly free free from sin death and the devil and free to serve their neighbor

would be a place of transformation In 2 Corinthians 5 17 we find Therefore if anyone is in Christ he is a new creation old things have passed away and look new things have come Despite this the church seems increasingly to be a place where transformation fails to occur Surveying the landscape however there are some bright spots where churches are faithfully producing transformed disciples Furthermore as shown in Scripture and supported by new research God designed such transformation to often happen in the context of smaller groups of people But what characteristics are true of churches that are making transformed disciples through group based ministry whether small groups missional communities Sunday school or some other expression of groups In Transformational Groups Ed Stetzer and Eric Geiger have created a new scorecard that will provide a map to transformational success for your church s groups ministry Using data from the largest survey of pastors and laypersons ever done on the condition of groups in the church they define a simple process to lead your groups from where they are to where God wants them to be
